MRS. T. S. (LILY) CRUTCHFIELD
October 22, 1891-August 4, 1986

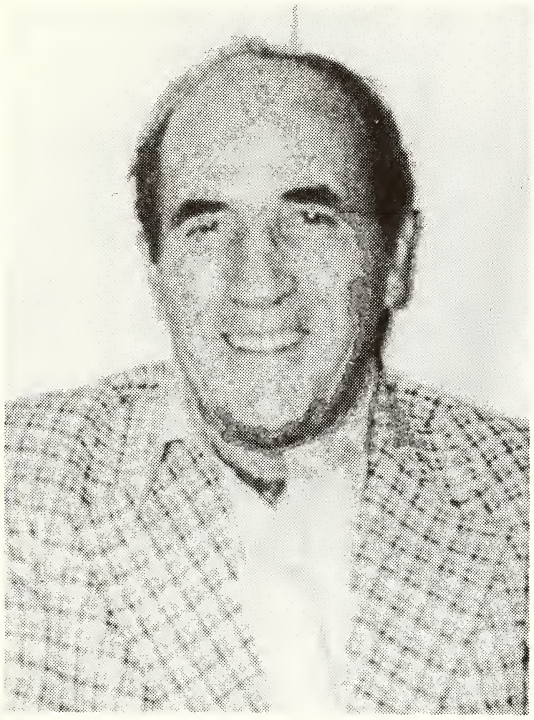
Mrs. Crutchfield had the opportunity to read the Woman's Missionary Union report to the Association 1931-32. She served as WMU Superintendent from 1934 to 1940 — and then again from 1942 to 1946.

She was a member of the Associational Executive Committee in 1944 and 1946. She served on the Constitution and By-Laws Committee 1950-51.

She was WMU Director at West Albemarle from 1945-53. She also taught Sunday School and served on many committees in the church.

She was a devout Christian, deeply committed to her Lord, her church, her family, and her friends.

Well done good and faithful servant."



Dedication of Minutes

REV. JESSIE WAYNE AUSTIN
February 27, 1921-August 23, 1986

Wayne was called by God to preach the Gospel of Jesus Christ in 1951, and was ordained in 1953 in Bethlehem Baptist Church.

He served the White Crest Church in Montgomery County. He pastored the Bethlehem, Kinza Memorial, Calvary, and Community Churches in Stanly County. He also organized and served two churches, South Stanly in Norwood, and Freedom in Locust, from which he retired due to poor health.

Wayne was a peacemaker and loved everyone and shared Jesus with all. Because he loved mankind, he left more than a memory behind; he left a blessing to everyone that knew him.

Many souls were led to Christ during his 36 years of ministry. He loved to teach and to preach, and to help in any way that he could. He was a God loving and a God fearing man.

A Short History of First Baptist, Albemarle

First Baptist had its beginning in April of 1888. The six members met in the old log courthouse with Rev. J. M. Bennett of Palmerville serving as pastor.

The first meeting house was erected around 1892 and Rev. John Suttle became the first resident pastor.

Rev. J. H. McKaughan pastored from 1899 till 1901. Under his leadership, the membership was just over 200. The WMU was reorganized in 1912.

It was in January, 1919 that the present sanctuary was completed and furnished for use.

Rev. W. J. Bradley led the church from 1937 to 1949. Rev. Boyce Brooks came in 1950 and served until 1957. The church purchased property, constructed an educational plant, enlarged the sanctuary, purchased a pipe organ, employed an assistant to the pastor, a full-time minister of music and an educational director.

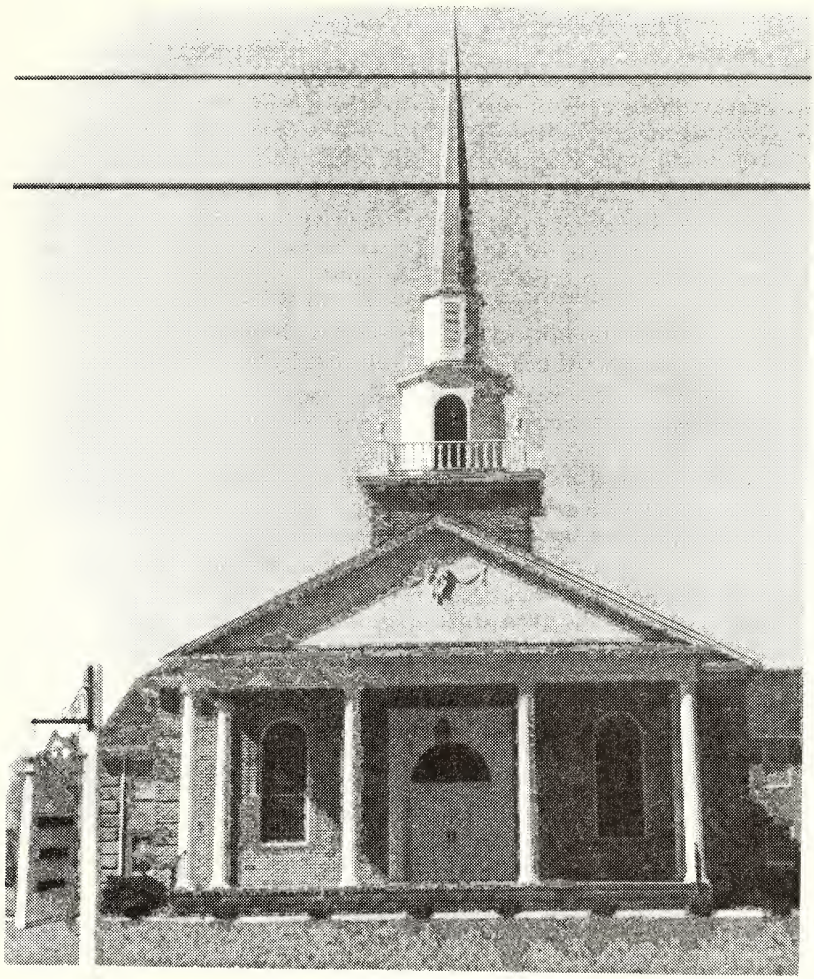
In 1975, the sanctuary interior was completely remodeled and a new forty-one rank Casavante pipe organ was installed.

A fifteen passenger Dodge Van was purchased in May, 1977 to provide transportation for church groups to various activities, and to transport Baptist Home residents to church services.

A twenty-four passenger mini-bus was purchased in the spring of 1984 to be used in conjunction with the van.

In 1984, a major three-stage building-renovation program was adopted by the church. Stage one called for the construction of a new fellowship hall with a seating capacity of 300. This building was completed in October 1985 at an approximate cost of $600,000. Stage two will be the construction of a building to connect the main church with the fellowship hall and will house all staff offices, conference room and music suite. Stage three will be the total renovation of the current educational building to meet the educational needs for the foreseeable future.

Presently serving as staff are Pastor, Harold L. McDonald, since March, 1974; Associate Pastor of Youth and Activities, Tommy Wilson, since February, 1982; Minister of Music, Mrs. Joann Morton, since April, 1976; Organist, Mrs. Rae Tucciarone, since March, 1962; Church Secretary, Mrs. Ginny Skidmore, since September, 1981; Financial Secretary, Mrs. Barbara Frederick, since May, 1980; and Custodian, Xang Ly, since May, 1980.



History of Memorial Baptist Church

Memorial Baptist Church, Norwood, was constituted March 26, 1969 with 150 charter members, the majority of whom came by letter from Norwood First Baptist Church.

The church had its beginnings with prayer meetings in homes and the first worship service was held at South Stanly High School on November 24, 1969. Rev. A. S. Hale, retired minister from Winston-Salem, was called as interim pastor and served until December 1969 when Rev. Nathan W. Fox became pastor.

After the building site was selected, Mrs. W. A. Hough, oldest charter member, turned the first spadeful of earth at the ground breaking. Upon the completion of the sanctuary and educational building, dedication services were held March 28, 1971, and the property became debt free March 30, 1976.

The Preamble and the Constitution of The Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Proceedings of the First Day's Session

FIRST BAPTIST CHURCH, ALBEMARLE

Tuesday, October 21, 1986

1. Messengers and visitors opened the one hundred second session of the Stanly Baptist Association by singing, "Joyful, Joyful We Adore Thee", led by Fran Hinson, Associational Music Director, accompanied by Justin Hill on the piano.
2. Devotions were led by Kenneth Snead, pastor of Oak Grove Church. Using the theme of the sessions, "Forward Through the Ages," he read from Hebrews 12-1 — going forward into Jesus.
3. Glenn Watts, pastor of Bethlehem Church, Chairman of the Credentials Committee, made the motion that the one hundred second session of the Stanly Baptist Association be composed of those messengers now registered and those who will register. This was seconded and approved.
4. Justin Hill made a motion that the program printed in the Book of Reports, with any necessary adjustments, be accepted as the proceedings of the Annual Session of the Stanly Baptist Association. This was seconded and approved.
5. J. Clifton Dunevant, Director of Missions, recognized pastors coming to serve in the association since October 1985: Charles McAteer, pastor at Plyler; Danny Alsup, pastor at Richfield; Michael Taylor, pastor at Mineral Springs; Kenneth Snead, pastor at Oak Grove; and Phillip Rivers, pastor of the Poplar Springs Church, seeking to come under the watchcare of the association.
6. The Moderator, Wyman Bolin, declared the one hundred second annual session be in order.
7. Mrs. Dawn Bennett, wife of pastor at North Albemarle Church, sang "Majesty".
8. Dr. Victor Cole, Director of Evangelism Development Dept., Baptist State Convention of N.C., spoke concerning Christians reaching the lost. Goals need to be set and reached. This was the year of the Laity — or how the layman should be involved in witnessing. He suggested various programs to help in winning the lost: Lay Evangelism School, Continuing Witness Training, a study of the book, "Doctrine of the Laity", Spiritual Renewal Retreats, and the module, "Training Sunday School members in Evangelism".
9. The hymn, "Forward through the Ages" was sung.
10. Chairman of the Committee on Committees, Phillip Hunter, made a motion to approve the printed report, this was seconded and approved.
11. Harold McDonald, pastor of First Baptist Church, Albemarle, made a motion to approve the Executive Committee report as written. This was seconded and approved.
12. Chairman of the Constitution Committee, George Bradshaw, pastor of Lakeview Church, presented proposed changes in the constitution as written in the Book of Reports. Motion was made and seconded, and this will be put to a vote on Wednesday.

13. Mrs. Maude B. Connell, Treasurer, made a motion to adopt the financial statement as written in the Book of Reports. This was seconded and approved. The balance on hand as of September 30, 1986 is $9,946.79.
14. Wayne Bennett, Director of Stewardship, made a motion to accept the Stewardship Report. This was seconded and approved. He then presented the proposed budget. This will be voted on Wednesday.
15. During the miscellaneous business two churches, West Stanly and Poplar Springs, requesting being under the watchcare of the association, were introduced. A motion was made to accept the Poplar Springs Church under the watchcare of the association for one year. This was seconded and approved.

    Motion was made to accept the West Stanly Church under the watchcare of the association for a period of one year. This was seconded.

    Phillip Hunter asked for information on this church, and after Wyman Bolin read what was available, he, Phillip Hunter, made an amendment to the motion — that in addition to the items listed in the constitution, that the quarterly report should include the relation to the Bethel Baptist Church. This was seconded, and with some discussion, was approved.

    The original motion, with the amendment, was then approved.
16. Agency Reports were given:

    a. Gary Poplin, representative for the American Bible Society, made a motion to accept the printed report in the Book of Reports. This was seconded and approved.

    b. James Tucker, pastor of Grace Church, made a motion to accept the printed report in the Book of Reports on Christian Education. This was seconded and approved.
17. A report from the enrollment Committee shows: 174 messengers, 20 visitors, 3 others — for a total of 197.
18. With Harold McDonald, Vice Moderator, presiding, a demonstration Bible Drill was presented by Julie Almond and Misti Key, from Kendalls Church.
19. Jessie Dennis, pastor of South Albemarle Church, made a motion that the written report on the Baptist Foundation be accepted. This was seconded and approved.
20. Ernest Russell made a motion to accept the written report on the Annuity Board. This was seconded and approved.
21. Kevin Huff, high school student and a member at North Albemarle Church, brought an oral report on Volunteerism, speaking about the trip he and other members of his church made to Ecuador — 592 people were saved in 8 days.

    Edward Lowder, pastor of Prospect, made a motion to accept the written report on Volunteerism. This was seconded and approved.
22. Wyman Bolin expressed appreciation for what has been happening to him since his retirement. He is now serving Cottonville Church as interim pastor.
23. All joined to sing the hymn, "He Lives".
24. Kinney Wallace asked that the extra report on Evangelism be picked up by those present.
25. Harold McDonald made announcements concerning break time.
26. Messengers and visitors joined to sing, "Amazing Grace" and "My Faith Looks up to Thee", with Justin Hill at the piano.

27. For special music, the Grace Baptist Church Choir, under the leadership of Dan Hazlett, presented several numbers: "Call Upon His Name", "This I Know", "I will Cling to the Old Rugged Cross", and the "Lamb of Glory".
28. Introduced by Harold McDonald, Wyman Bolin brought the Moderator's address. He chose Revelation 3:1-5 for the Scripture — with the title, "The End?". He spoke on going forward through the ages until Jesus comes. He emphasized several faults in the Association: Lack of interest in the work and activities, training opportunities poorly attended, the churches, therefore, the association have the symptoms of sleeping sickness.

    To treat the symptoms we need to: realize we are the stewards of the musteries of God, and we need to perform surgery on the world to correct sin.
29. Thanksgiving was led by Harold McDonald.
30. Supper
31. Evening session convened at 7:00 by singing the hymn, "He Hideth My Soul".
32. Michael Taylor, pastor of Mineral Springs, led in the devotion, using Hebrews 13:8 — emphasized that we change, but Christ stays the same. Prayer closed the devotion.
33. Wayne Bennett, pastor of North Albemarle Church, brought the Sermon. He used the Book of Jonah. His message was the concern of God for all people. God offers mercy and forgiveness. He forgave Jonah and Ninevah. When people are willing to respond God rejoices in the repentance. Jonah shows world vision. God loves you and has a wonderful plan for each one.
34. The hymn, "Send Me, O Lord, Send Me", was sung.
35. The Choir from the First Baptist Church, Albemarle presented several selections.
36. The missionary message was presented by Dr. Morris Ashcraft, Dean of Faculty and Professor of Theology, Southeastern Baptist Theological Seminary. He read from Ephesians 2:5 and Matthew 28:19, and spoke on the missions in the church. He listed three reasons for the First Church expanding: They had witnessed the coming of Christ — they proceeded on personal witnessing — they had a keen awareness of the presence of the Holy Spirit.

    The church is the Family of God, a living fellowship of people coming together. The theme of the Book of Revelation is VICTORY.
37. The hymn, "Take My Life, and Let It Be", was sung by all.
38. Glenn Watts led the benediction.

Second Day

45. Mr. Mike Taylor spoke briefly to the report on the General Board. He will be the assistant parliamentarian at the Baptist State Convention in Greensboro.

    The Wake Forest issue will probably be the only controversial issue at the State Convention.

    Funds will be asked for — to be borrowed — to relocate the Retirement Home at Winston-Salem.

    Mr. Taylor is a member of the Missions Committee.

    Motion was made to accept the written report. This was seconded and approved.
46. Gary Hunsucker, pastor of Canton Church, presented the report on the Place and Preacher for next year's meeting. Motion was made to accept, seconded and approved.

48. The hymn, "Saviour Like a Shepherd", was sung.
49. Harold McDonald introduced the speaker, Dr. Joe McKeever, who brought the inspirational message. He read I John 3:18, and spoke on LOVE. His message was a series of questions and answers: What is Love? Something you do, not something you feel.

    What would you do if you found it? Tell others, tell the truth, and love one another.
50. The hymn, "My Lord is Near Me All the Time", was sung.

55. Rev. and Mrs. Jessie Dennis, pastor of South Albemarle Church, sang, "My House is Full, but the Fields are Empty", and "Whatever it Takes".
56. John Barnhardt, pastor of Oakboro, First, brought the Sermon: He read from Mark 9:2-8, and titles it, "Go On!".

The three points were:

The need to press on — to put everything behind us and go on.

57. Nathan Fox gave the announcements and Thanksgiving.
58. Break for lunch.
59. The last session opened with the singing of, "God, Our Father, We Adore Thee".

Sunday School

The work of the Sunday School this year consisted of two major training events. One was the pastor/director workshop in May, conducted by Dr. Bob

Bodenheimen of Gastonia. The purpose of this workshop was to motivate and make pastors and directors aware of available resources.

The other consisted of the age group training of teachers held in September. The following state approved Sunday School workers led conferences:

General Officers.....Rev. Steve Williams, Salisbury
Adult.....Rev. Doug Poinder, Mt. Pleasant
Youth.....Rev. Tommy Wilson, Albemarle
Children.....Mrs. Joyce Dennis, Charlotte
Preschool.....Mrs. Joyce Allman, Mt. Pleasant

The purpose of this workshop was to strengthen the teaching skills of teachers in the various age groups.

ENROLLMENT continues to be the theme of Sunday School for the coming year. Project 10/90 is with us and challenges the Southern Baptist Convention to enroll 10 million for Bible Study by 1990. While we can't think in those high numbers for our individual churches, **we can enroll some more people next year** if we just work at it.

The importance of Sunday School to the church and association can not be overstated. At the time of my writing this report an Associational Sunday School Director is needed. I challenge each church to make Sunday School a priority next year. Also, I pray the Lord will lay it on the heart of someone to lead in the Associational Sunday School work.

It has been a pleasure to serve with you in Sunday School. Thanks to the ASSIST Team of Rev. Justin Hill (Adults), Rev. Tommy Wilson (Youth), and Mrs. Glenda Poindexter (Children) for their assistance.

Respectfully submitted,
Richard Poindexter

Church Training

From the basics of Bible Drills to the deepness of Dynamic Doctrine Studies, the coming year in Church Training is to be a busy one. It promises to be much more exciting and involved than last year.

Attendance at the first two events was disappointing, but these who attended reported the sessions as informative and inspiring. Those who led in these sessions are to be commended for their efforts.

Two mistaken ideas about Church Training exist. First, that it has to be held on Sunday evening. With the ever increasing number of equipping center modules available it is becoming easier to have training sessions during the week. As a matter of fact, with the sessions schedule that is suggested with these, it is more convenient to run them on a weekly basis. Our association has an impressive library of these modules on almost any subject. The modules are excellent training tools for our churches.

The second myth about Church Training is that it is boring and not very challenging. Anything that will help us as Christians to learn more about God and His divine plan for man is exciting. Church Training helps us take the basic teachings of Sunday School and develop and expand these to their fullest. That is challenging!

The theme for Church Training this coming year in our curriculum is, "Bringing Together Sovereignty and Stewardship". The business of Church Training is to develop believers. Our "M" Night celebration on November 24th at Pleasant Grove Baptist Church will highlight the theme.

Woman's Missionary Union

"Multiply the Vision", WMU's emphasis for reaching associational goals. Praying that God will stir our churches, open our eyes, awaken, renew and use each church member to take the gospel around the world.

Mrs. C. T. Redwine, Mission Support Director, led our Prayer Retreat at Anderson Grove Church.

Mrs. Alda Miller encouraged churches to contribute packages of hard candy to the North Carolina Correctional Center, and an on-going project of collecting used stamps to relieve world hunger. Also collecting coupons for West Virginia.

Mrs. Earl Hagans led the Mission Study Conference at the workshop.

Mrs. Hoyle Whitley, Centennial Chairman, helped us plan our 1986 Centennial year. Starting January 8, 1986 with the Birthday Party followed by 100 Days of Prayer. Also helping plan the Centennial Celebration at the Annual Session.

Mrs. Joel Phillips organized Mission Friends at Richfield Baptist Church and assisted New London, First in organizing.

Mrs. Ronnie Dennis and Miss Juanita Billings had very good attendance at the G.A. Fall Meeting, Mrs. Maxie Kirk spoke. Jerry Potter shared about the Co-Deaf in North Carolina at their Spring Meeting. At the Mission Fair over 200 attended and enjoyed the activities, also hearing about Okinawa from Doris Spencer.

Mrs. Joe Faulkner and Sharon Williams led the Acteens in a Talent Show which was well received. They ended the year with a Banquet and Recognition Service.

Mrs. Lindsey Dunevant and Mrs. Gary Schooley were busy organizing BYW at Kinza Memorial and re-organizing Mountain View and Mission. They had good attendance for their Fall Missions Night Out and Banquet in the Spring.

Mrs. Vernon Simpson and Mrs. Rembert Blalock invited Miss Claudia Hill to speak at the Baptist Women's Annual Meeting.

West Albemarle was host for our Annual Session. In the afternoon Dr. I. Ruth Martin told us of the work and needs of Liberia, also challenging us to the next 100 years. The evening session was dedicated to the Centennial Celebration. This being our Centennial year of the WMU in North Carolina. We were made aware that we are 142,000 strong, the largest Mission Organization in the world. We have looked at our past this year and that has challenged us to our task for the next 100 years. We must look to ourselves very seriously, as we recount past history. The WMU's one prime objective is to inform not only its members but also its fellow church members about missions around the world.

We attained "Distinguished WMU" on the Achievement Guide.

Gifted to Serve Called to Act is our challenge for the new year.

Respectfully submitted,
Betty R. Pate

Brotherhood

According to our 1985 Stanly Baptist Associational Minutes we have thirty-three Brotherhood Directors listed from fifty-five churches in our association.

There are possibilities for improving our work in Brotherhood when we

consider the above figures. Another factor we should consider is our work with the Crusaders and Pioneers. It is my feelings that we have an excellent opportunity to expand our work in this area.

As a challenge, let's set goals of ten additional Brotherhoods and ten additional Crusaders and Pioneers for the ensuing year. These goals are not impossible and should be pursued.

We are looking forward to the coming year in all of our churches in regard to Brotherhood. True Brotherhood is a necessity in an ideal church.

Respectfully submitted,
R. M. Lanning

The Music Department helped with the Good News America God Loves You! Rally at Red Cross Baptist Church. Prior to the Rally, a training session was conducted for the individual church Music Directors.

I am here to serve. If there is anything I can do to help, please call.

Evangelism

1986 was the year of the "Good News America God Loves You" simultaneous revival effort across the State of North Carolina. This evangelistic effort was also carried out in the Stanly Baptist Association. The goal of this effort was to reach the unsaved for Christ and motivate the church to real revival within themselves.

There was a great need for this effort. Recent statistical data from the Southern Baptist Convention and the Baptist State Convention indicates that Baptist churches in North Carolina baptized 22,387 in 1984, 393 less than in 1983. There were 815 churches that did not baptize anyone during 1984. All Southern Baptist Churches baptized 372,028 during 1984, 22,578 less than in 1983. Some 6,890 churches did not baptize anyone in 1984.

This decline in baptisms in the Southern Baptist Convention has occurred at the same time the per cent of the United States population not affiliated with any religious group has increased from 34 per cent in 1970 to 38 per cent in 1980.

Twenty-four of the 57 Southern Baptist Churches in Stanly County participated in the Good News Revival effort. There were many good reports about the revivals in those churches. Thank God for every soul saved and every church revived.

I see from the above statistics that we are quickly losing ground. Remember, Evangelism is not revival. Evangelism is seeking the lost to be found in Christ. Revival is the renewal of the church to Evangelism, and renewal of the church to worship.

Let us all seek a revival among the churches so that the work of Evangelism may flourish. Thank you for all your help in the 1986 simultaneous revival effort.

Yours in Christ,
Kinney Wallace,
Chairman of Evangelism

Missions Committee

The Missions Committee was only able to have one meeting during the year due to conflicts unavoidable.

We have had two requests from churches seeking admission into the association. The West Stanly Baptist Church, Route 1, Stanfield, and the Poplar Springs Baptist Church, Stanfield.

The Missions Committee recommended to the Executive Committee that these churches be placed under the watchcare of the association for one year, and if they prove to be cooperating churches, they be received into the fellowship of the association.

In response to emergencies, two of our pastors were given financial aid by vote of the Executive Committee.

Christian Social Ministries

God has instructed us to share the love of Jesus with people everywhere. Social Ministries offer unique opportunities for sharing and reaching out to human beings in need. Social Ministries provide outreaches to needs such as feeding the hungry, clothing needy persons, helping elderly or sick with utility, medical, or rent assistance, finding lodging for the homeless, or just being a friend to those away from home.

Six of our Baptist churches are involved in social ministry through active sponsorship and participation in the Stanly Community Christian Ministry. S.C.C.M. was opened in January 1986 as a means of combining resources from local churches to meet needs in Stanly County. Please continue your support through prayers, with pastors and lay persons donating time for counseling and service, and with donations of food, furnishings, and financial aid.

One projected idea for further ministry includes a toy store at Christmas where families who are not receiving any other assistance could have a little joy through receiving new toys, a bag of fruit, a Bible, and a few minutes of friendship and sharing of God's love. Other possibilities include giving a cup of cold water at flea markets and the county fair, and providing a chapel for truck drivers at local stops.

I challenge all of us to become more involved in social ministry as we remember Jesus' words in Matthew 25:40 . . . "Inasmuch as ye have done it unto one of the least of these my breathren, ye have done it unto me."

Seminary Extension

Jesus calls us to be disciples. A disciple is a learner or a pupil. No matter who we are or how old we get we need to learn. I feel the purpose of Seminary Extension is to provide learning for both pastor and laity alike.

I also think that learning takes planning and motivation. Our theme for this year in our association is "Forward Through the Ages". I want to con-

fess my shortcomings as Seminary Extension Director and I want to put the past failures behind and look to the future.

This spring we hope to provide two courses that will be of interest to both laity and pastors. I will be sending out a survey form in the near future to determine what courses of study that you would like to pursue.

We covet your prayers as your Seminary Extension Committee as we strive to provide continuous education for you. We look forward to a profitable and productive year.

John Barnhardt

Stewardship

The association sponsored a Stewardship Conference on April 3, 1986 with six pastors and fourteen persons present. Six churches were represented. O. D. Martin of the Baptist State Convention of North Carolina led the conference.

On April 23, 1987 the Association will sponsor a Stewardship Conference, 6:30 P.M., at Jay's Downtowner. This conference is planned for pastors, church staff and one or two lay persons from each church. In 1987 the Division of Stewardship and Retirement Planning will conduct the conference jointly. The primary emphasis of the Stewardship Division will be Christian Money Management. The emphasis of Retirement Planning will be the new Expanded Church Annuity Plan.

Total budget is $64,208.50. This is an increase of $4,923.00 and a 8.3% increase over last year. The churches contributed $59,697.87 for the support of Associational Missions. This is an increase over last year. The churches contributed $310,404.00 for the support of missions through the Cooperative Program. This is an increase of $13,729 and a 4.6% increase over last year.

Baptist Retirement Homes

In recognition of the increased proportion of adults 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services across the state. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services.

With extended longevity, the Baptist Retirement Homes anticipates ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to these individuals. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has bought a forward look, attention has also been directed toward improvement of existing services. The following highlight some achievements of the Baptist Retirement Homes from August 1985 through June 1986:

- Sound financial management again eliminated the need to increase residential fees
- Over $900,000 of benevolent care was provided to residents
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided $785,000
- Over 40 new residents were admitted to the Homes and Nursing Care
- Construction and renovation of seven apartments was completed on the Winston-Salem campus
- Bill Stillerman became the new President of the Homes
- Residential and apartment living remain available

Under the energetic leadership of Bill Stillerman, the fine tradition initiated by past Presidents will continue. The Trustees and Administrative Staff believe the participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to the retirement care issues and by staying informed and supportive of the services offered by the Retirement Homes, N.C. Baptists can help assure a system of services adequate to the growing demand.

Frances P. Newton

Baptist Children's Homes

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our one hundredth and first year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church.

The New Homes and Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with fifty percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital, and twenty-five percent to the Retirement Homes. The goal was $1.6 million. We encourage you to help promote the new offering in your church during May 1987.

Update/Charlotte Area:

The Charlotte Family Services Center serves eight counties: Anson, Cabarrus, Cleveland, Gaston, Lincoln, Mecklenburg, Stanly and Union, offering placement services and information for emergency care, group care, foster care, maternity care and therapeutic camping. The Charlotte area offices have relocated to the new Associational Building at 328 W. Independence Blvd. We invite you to come to see us. We also invite you to visit the Charlotte Emergency Youth Care Center at 9741 John Russell Road to learn first hand about the work being done in our emergency care facility. A visit can be scheduled by calling child care workers Bobby and Clara Goodman at 597-1747.

We deeply appreciate your prayers and support of our ministry to children and families.

Dr. Michael C. Blackwell, President (919) 472-1000.
H. Steve Hoffman, Charlotte Area Director (704) 376-0452.
Charles L. Tanner, Director of Church/Community Relations (919) 472-1000.

Baptist Hospital

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients come from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relative rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potasium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $375,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

The Annuity Board

Last year this report called attention to the new Pension Plan to begin January 1, 1988.

All Baptist State Conventions have endorsed the expanded plan by formally adopting it in their annual meetings. The conventions also agreed to contribute up to more than twice their present contributions to the Plan.

"The new Plan represents a new approach to providing retirement annuities for our people," said Darold H. Morgan, Annuity Board president.

One of the major objectives of the expanded Plan is to encourage churches to adopt the retirement program for present and future church staff as a matter of church policy. It also is designed to provide a strong incentive for plan members to take an active role in planning for retirement.

Every Southern Baptist Church should take steps today to be part of this Plan.

For information write, Dr. Darold H. Morgan, president, Annuity Board of the Southern Baptist Convention, Box 2190, Dallas, Texas 75221-2190.

Christian Education

One of the main emphasis of the Education Committee is the recruitment of students for Christian service. One way this is done is by encouraging Baptist churches to promote our Baptist institutions.

During the current year, the Education Committee has been involved in a study of the utilization of trained ministers.

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years.

Campbell — 1887
Chowan — 1848
Gardner Webb — 1905

Mars Hill — 1856
Meredith — 1891
Wake Forest — 1834
Wingate — 1895

Baptists and their colleges have grown up together in North Carolina.

Baptist Foundation

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes — institutions, agencies, mission causes — with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institution supported by Baptists.

In 1985, North Carolina Baptists placed over one miilion dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give it Twice", once to family, then to Kingdom causes. Through properly constructed trusts and wills, family members and friends can receive from one's estate, over a period of years, an amount exactly equal to, or even greater than the estate portion they would normally receive through an ordinary estate distribution. With the "Give it Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes — forever. If giving is exciting for the Christian, giving it twice is surely twice as exciting!

An indirect, but profound benefit of Foundation services to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, those who elect to commit to Kingdom use a portion of their estate assets, are during their lifetime more committed stewards. They **enjoy** their giving, and this happy, conscious stewardship dedication must be a profit for the church.

The Foundation seeks to inform Baptist people of:

1. Their responsibility as stewards to make provision for the future use of their resources.
2. The critical need experienced by all Baptist causes for endowment support — the ongoing, assured support of those who support them now.
3. Ways by which these realities may be met and accomplished.
4. Counsel in wise decisions for endowing **any** Baptist cause — for instance, the Foundation may discourage a trust for a cemetery fund if the church already receives more funds than are needed to maintain that cemetery.

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best ways to do so.

Jessie R. Dennis

American Bible Society

At both the national and international levels, new horizons have opened up as your generosity carried the Good News of Jesus Christ, in the form of urgently needed Scriptures, "to the ends of the earth."

Figures indicate that significant progress was made in the areas of distribution and translation during 1985. Calls for Bibles and New Testaments in local languages came from all quarters of the globe, but especially from churches in the Third World. In cooperation with our associates in the United Bible Societies, an international partnership of which the ABS is a leading member and through which we conduct our work overseas, more than 542,000,000 Scriptures were distributed worldwide in 1985 alone, an increase of almost 5 percent over 1984. Through the United Bible Societies we are also supporting Scripture translation work in 544 different languages. In 360 of these languages a part of the Bible is being translated for the first time.

In line with the historic and continuing commitment of the ABS to provide easy access to God's Word for all people, emphasis continued on the ministry for the blind or visually impaired. Scriptures in Braille, on records or cassettes for those who need or prefer the spoken word, and in extra large print for the partially sighted are offered.

The ABS expects 1986 to be a year of unique and exciting opportunities for world Scripture outreach. In May, a two-year world "youth advance" program will be launched called, "Act Now, Go With the Word", and will involve the preparation, production and distribution of new translations for the children and young people.

The support which the Southern Baptist Convention has always given to the Bible cause is a blessing from God and a source of great encouragement. We are grateful to have you as partners in our worldwide Scripture ministry.

General Board

The year of 1986 has seen consideration by the General Board of issues which are of great importance for North Carolina Baptists. The deliberations of the General Board have resulted in recommendations which will be put before the Convention in November. In some cases, reasonable men and women of good will have disagreed, but they have done so in an atmosphere which has been free of acrimony and in which the rights and responsibilities of all to voice differing opinions have been respected. Let us pray that this same atmosphere will prevail at the Convention.

At the instruction of the November, 1985, annual session of the Convention, a study committee was formed to study the status of Fruitland Baptist Bible Institute. At its September, 1986, meeting, the General Board received the report of the Fruitland Study Committee and unanimously recommended that the Convention adopt its proposal at the November, 1986, annual session. The proposal of the study committee is that Fruitland (at present under the Missions Division) become an agency of the General Board and that it be operated by a Board of Directors consisting of twelve members who shall serve 3-year terms. One-third shall be Fruitland Alumni who may or may not be General Board members, one-third shall be General Board members, and one-third shall be at-large members not presently serving on the General Board. The Chairman of the General Board and the General Secretary-Treasurer shall be ex-officio non-voting members.

A report concerning Wake Forest University was also received from the Council on Christian Higher Education at the September, 1986, General Board meeting. Based on their report, the General Board, on a vote of 105-9, is recommending that the Convention amend its Constitution to the effect that the trustees of Wake Forest University no longer be selected by the Convention, but instead be self-perpetuating. The adoption of the recommendation will require a two-thirds vote of the Convention.

My work as a member of the Missions Committee has allowed me to learn in some detail of the great work being carried out by our Baptist State Convention in reaching the lost for Jesus Christ through new work, church growth assistance, prison ministries, language ministries, and associational development. I am grateful for the dedication and skill of our staff in the Baptist Building.

Christian Action League

In reviewing the progress of the Action League for the past year, it is making progress. Although there is still work to be done.

I have noticed in the weekly court dockets, the courts are getting more convictions on DUI cases as well as drug cases, than in time past. Raising the drinking age to 21 will certainly help our young people.

One of the first places to start to defeat this great problem, facing our children as well as adults, is in our homes. If we Baptists in Stanly County would say no to alcohol and drugs we would have the battle half won. Reports of Adult Book Stores closing is a sign of progress.

We have good laws on the books in North Carolina to take care of this problem, if we Mothers and Daddys will do our part.

Respectfully submitted,
Ray Dyson

Volunteerism

True Christianity has always been a personal relationship with Jesus Christ leading to an active involvement in ministry. From the time those earliest disciples were sent out "two by two", followers of Jesus have gone forth in Jesus' Name to minister.

In recent years, Southern Baptists have begun to emphasize and encourage participation in laymen in a variety of ministries. We are recognizing that if the world is to be reached for Jesus, every Christian must be a part of the ministry team.

The Stanly Baptist Association has been active in this effort. A number of individuals, representing several of the churches of our association, have gone out to serve the Lord in the last few years. This tradition continued in 1986. The two mission trips that are known to me are:

1. In June, seven from the North Albemarle Baptist Church joined with two dozen others from the United States in an eight day evangelistic crusade in Ecuador. They were divided into teams, preaching and witnessing in a number of churches. Because of a shortage of pastors, two of the laymen, Ron Huff and Mike Taylor, led teams and got to preach their first revivals that week. The folks from North Albemarle returned excited about those who were saved.
2. Also in June, a team of youth from Prospect Baptist Church

ministered in Nutherfort, West Virginia. Youth from the Oakland Baptist Church of Monroe were also a part of this group. These young people conducted a Vacation Bible School, led Backyard Bible Clubs, did community surveys, and participated in a week of revival services. A highlight of the week was an oportunity for some in the group to give testimonies on a Christian television station.

We encourage others in our association to look for creative ways to serve Jesus.

It may be in your own backyard, it may be in another state, it may be around the world, the Lord has a place for you to serve.

Respectfully submitted,
Ed Lowder

Director of Missions

We look with gratitude at the opportunities and challenges of the past year. There are also feelings of disappointment that greater use was not made of each open door God has put before us. I hope this will cause me, and all of us, to be even more committed to that which God is calling us to do in the coming year. "Good News America — God Loves You" was a blessing and we rejoice to hear of continuing results and growth. Our prayer is that growing concern may continue both for growth on our part and for outreach for, and development of, those in our land who need to know and accept Christ as their Lord and Saviour. This must be a continuing and growing emphasis until He returns to receive us unto Himself.

We rejoice in every accomplishment in our Bold Mission Thrust efforts; yet, we had hoped to accomplish more in the first ten years. I hope all of us as individuals, as churches, associations and conventions, will be challenged by an honest look at what we have done. I hope we will praise God for every victory and thank Him for allowing us to face another year of great opportunities and challenges. The evil of our enemy is active and strong, we must commit ourselves to our Lord and seek His guidance and empowering. Cooperativeness under His leadership is needed.

Some statistics from my work in the past year are:

5 Statewide conventions, conferences, etc.
8 Regional conferences and workshops
90 Services in churches (speaking 72 times and conferences, reports, etc.)
— Observed the Southern Baptist Convention here at the Associational Center by satellite . . . 31 other persons came in for portions of the sessions June 10-12, 1986
1 Week — Home Missions Board Conference at Ridgecrest
1 Week — Director of Missions Conference at Wingate College
— Traveled 21,234 miles related to duties.

Respectfully submitted,
J. Clifton Dunevant

State Missions

The year 1986 marked a return to the separate offering for the Homes and Hospital. The three were combined into an offering taken in May. State Missions now includes Caraway Conference Center, Caswell Assembly, N.C. Baptist Men, Heck-Jones WMU, Christian Higher Education, Mission Ministry and Christian Action League.

State Missions exists in partnership with associational missions across the state. Cooperative state/associational mission projects often take place in the area of Christian Social Ministries, work with special groups of people, programs like resort missions, migrant missions, etc.

For instance, Buncombe Association (Asheville area) carries on a Family Prison Ministry where members of a prisoner's family are helped through programs of direct aid — or Jacksonville, where needy families can come to "God's Acre" to grow their own food, receive instruction, seeds and even check out tools from a "check-out" center.

People of many nations have come to North Carolina to live permanently or to study and work temporarily. Language missions minister to Vietnamese, Laotians, Spanish, Creole French, Japanese, Korean, Chinese, Asian Indians and Arabs. The world is at our doorstep.

Men's work, women's work, starting new churches, scholarships for students in Baptist schools, ministry to blind, deaf and others with special needs, training leaders, resort ministries — all constitute the many faceted work of state missions. This calls for our prayers as well as for our gifts to continue changing lives through the power of Christ.

Justin Hill

Home Missions

The Home Mission Board in cooperation with state conventions, supports mission personnel working in all 50 states, the Virgin Islands, Puerto Rico, American Samoa, and Canada.

Since its initiation by the Home Mission Board in 1974 and its later adoption by the Southern Baptist Convention, Bold Mission Thrust has continued the original emphasis of evangelism; believing "it must be the center of all we do". It is one emphasis around which Southern Baptists, no matter how diverse, can unite. Three programs assigned in this area by the Home Mission Board and the Southern Baptist Convention are: mass evangelism, personal evangelism, and evangelism development, with the prime target to start new churches, and to minister.

In 1985 the Home Mission Board appointed or approved 528 missions personnel, bringing total appointments since 1982 to 2,406, with a grand total of 3,635.

Short-term volunteers assigned by the Home Mission Board number 48,891, involving 796 high school groups and including 1,484 student missionaries and adults who constructed 612 new church units.

Through Church Extension, Language Missions started 1,351 church-type missions.

Missions Service Corps assigned 305 volunteers bringing the number currently serving to 837, with a grand total since 1978 of 1,628.

An Intercessory Prayerline is in operation to receive and distribute prayer requests which is shared through eight denominational magazines and three agencies.

More than 156 million people in the United States do not know Christ as Savior. The Home Mission Board needs individual help to reach all.

"A spiritual awakening is our greatest hope for the future, prayer is the key through which revival will come," insists Robert Hamblin, Vice President, H.M.B. Evangelism.

Respectfully submitted,
Della E. Hollis

You and Foreign Missions

"Where do YOU turn when your world falls in? This was not a rhetorical question for millions of persons around the world in 1985:

"Mexicans who saw their homes, businesses, hospitals tumble in an earthquake; Colombians who lost a city to tons of mud; Africans still being ravaged by years of starvation.

"Many lives were permanently changed in 1985. But those twelve months were also times of rebuilding, taking on problems, getting life back together.

"Southern Baptist missionaries working beside local brothers and sisters in Christ responded to hunger and loss as part of their ongoing ministries. New initiatives in world-wide evangelization, responsiveness to the gospel message in South Korea, the Philippines and other places were also evident.

" 'Lives were changed in 1985 — some of the lost were saved, homeless found homes, the lonely found families, the unloved found love, God's love,' says Foreign Mission Board president R. Keith Parks. 'And our visions were expanded as we saw again how Southern Baptists can be used by God to make an even greater impact on the world's people. It was a stepping stone to a new state in missions, a new level of reaching out to the people of the world in Jesus' name.' "

1985 AT A GLANCE

FOREIGN MISSION BOARD HIGHLIGHTS:

- — An historic meeting among leaders of Baptist Conventions that send missionaries.
- — A record 429 missionaries appointed.
- — Almost $12 million given for hunger and disaster relief.
- — A new channel for volunteers to work in countries where missionaries cannot live and work.
- — Mission work opened in the 106th country.

OVERSEAS HIGHLIGHTS:

- — An average of 435 persons baptized per day.
- — Overseas Baptists' membership topped two million.
- — A ten percent increase in theological student enrollment.
- — More than 1.5 million patients treated in hospitals and clinics.
- — More than 100 million persons saw Baptist TV programs and 133 million heard Baptist radio broadcasts.
- — More than 158,000 of the world's people found Christ in 1985 through Foreign Mission Board-related efforts.
- — Southern Baptists gave as never before to help meet physical needs overseas — almost $12 million in 1985 — and a record number went overseas as volunteers.
- — It was a banner year for our brothers and sisters in Christ overseas and for you because of the part you played in Southern Baptist Foreign Missions."

— Dr. R. Keith Parks, President
Foreign Missions Board, SBC

Dedication of Minutes

In Honor of
Rev. J. Clifton Dunevant

J. Clifton Dunevant was born and reared on a farm in Person County, N.C. He was seventh of eight children born to Pink and Lydia Hall Dunevant.

He committed his life to Christ at eleven years of age, and joined with the Clement Baptist Church. At the age of thirteen he felt called to Christian Service.

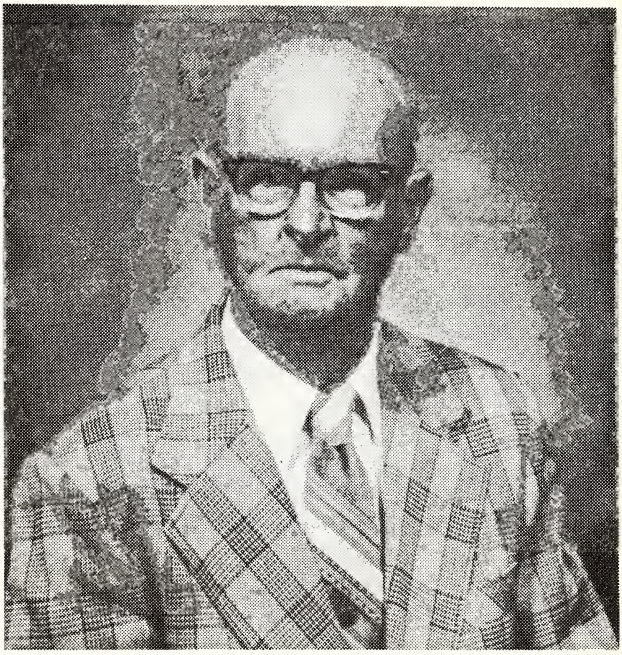
He received an AA Certificate from Mars Hill College. Just before going into military service he felt called as a pastor, and after serving four and a half years in the army, he entered Wake Forest College. There he earned his BA degree. He later received the BD degree (later exchanged by the Seminary to Master of Divinity) from Southern Baptist Theological Seminary, Louisville, Ky.

In 1944, during World War II, he met Doris Dwan in London, England. A friendship grew that led to marriage in 1947 in Clement Baptist Church, and 40 years together in ministry (4 in school and 36½ in churches and association). This union was blessed with 6 children — 5 of them survived — Paul, Lindsey, Jo Angelina, Deborah, and Cindy — and all grew up here in Stanly Association. There are four grandchildren, also five foster children. He looks forward to retirement and time with his wife and all the family.

Mr. Dunevant served as pastor for two churches in the Randolph Baptist Association of North Carolina: Franklinville Baptist Church and Beulah Baptist Church.

He came to the Stanly Baptist Association as Director of Missions in 1960 and has served faithfully to the present time. During his tenure he has seen many changes in the association. He has seen the number of churches grow from 47 to 57. He saw a dream come true — a debt-free Associational Center, where the business and the fellowship of the churches is an important ministry.

Mr. Dunevant will retire December 31, 1987, after serving close to 28 years as Director of Missions for the Stanly Baptist Association. We wish for him many useful years as he seeks to continue serving his Lord and Saviour.



Dedication of Minutes

In Memory of
Rev. Kemp L. Plowman
(July 3, 1903-April 9, 1987)

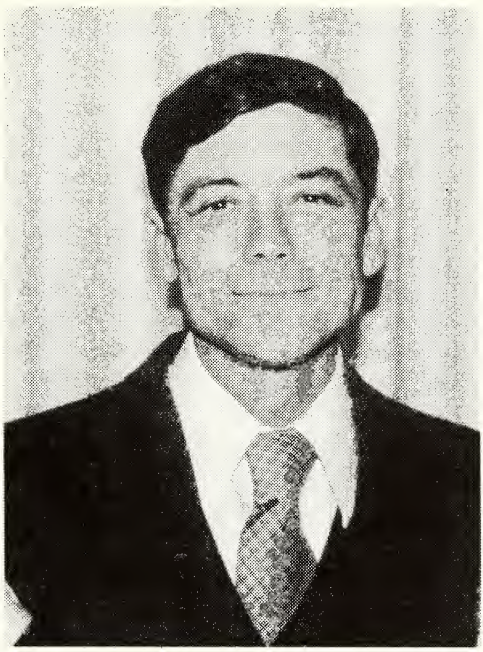
Rev. Kemp L. Plowman was a member of Paul's Crossing Baptist Church for the past 52 years. He served as Sunday School Director, and Sunday School Teacher to several classes over the years. He also served as Vacation Bible School Director for a number of years.

He was ordained into the ministry in 1946. He was faithful in home prayer services and never turned down an invitation to be of service in other churches.

Mr. Plowman conducted Sunday afternoon services in the Stanly County Rest Home and the Piedmont Nursing Home for more than 30 years.

He was pastor to Taylor's Grove Baptist Church in Davidson County, and the Eldorado Church in Montgomery County for about 2 years.

The hymn, "Jesus, Savior, Lead Me", written by Mr. Plowman was published in 1949.



Dedication of Minutes

In Memory of
Mr. L. V. Whitley
(July 6, 1941-July 23, 1987)

L. V. joined Canton Baptist Church January 1, 1971. He was elected to his first term as deacon on September 28, 1972. He served many more terms as deacon, several of which he was elected chairman. He has served as the Brotherhood Mission Study Leader of the Stanly Baptist Association.

He has taught Sunday School each of his sixteen years of membership. Over the years he has served as Adult Sunday School Director; Baptist Men's Chairman, Mission Action Leader, Mission Study Leader, Secretary/Treasurer; R. A. Leader; Children's Church Director and teacher; Bible School Teacher.

Mr. Whitley has headed the Extension Visitation Department, served on the Pulpit Committee, has been church bus driver and worker; a member of the choir, and served on the Kitchen Committee.

L.V. served his church and his Lord faithfully and well.

A Short History of Pleasant Grove Baptist Church

Pleasant Grove Baptist Church traces its beginning to 1833 when people in the community gathered to worship in a brush arbor. Then, in 1851 Pleasant Grove Mission was organized into Pleasant Grove Baptist Church following a revival. From brush arbor to log cabin to one-room frame building to the present brick structure, Pleasant Grove has grown through the years.

Through the years, Pleasant Grove has sought to grow not only in size and buildings, but also in ministry. Today, Pleasant Grove Baptist Church provides ministry for all ages, seeks to help families live more effective lives, and looks upon others through the eyes of our Master.

History of Highland Baptist Church

Highland Baptist Church was organized on November 7, 1954 with 89 members, under the direction of the Stanly Baptist Association, and placed under its watchcare by Rev. Judson Lennon and Rev. Boyce Brooks. Rev. H. T. Baucom served as interim until Rev. E. C. Roach came on the first Sunday in April, 1955, as our first full-time pastor. Our church was received into the Stanly Baptist Association in October, 1955.

The church accepted 3½ acres that were donated by Mr. and Mrs. T. B. Mauney. On the first Sunday in April, 1955, the congregation, pastor, and friends met on this site for ground-breaking ceremonies. A building was begun in July, 1955 with Mr. and Mrs. G. M. Isenhour, Sr. giving the brick. The first service was held in the new building the last Sunday in February, 1956, with a dedication service, April 15, 1956.

The land was given in Dogwood Heights by Mr. and Mrs. James Mauney for a pastorium, which was dedicated in June 1962.

The construction of a new sanctuary was begun in 1981, with the first service in it being held on Sunday night, December 19, 1982. A dedication service was held April 19, 1983.

The church has been served by the following pastors and interims:

Rev. E. C. Roach 1955-1961
(Rev. Fletcher Ford)

Rev. B. R. Hiatt 1961-1967
(Rev. Glenn Flowe)

Rev. O. S. Long 1967-1969
(Rev. R. V. Greer)

Rev. John Trantham 1970-1973
(Rev. David Allred)

Rev. Belvin W. Cox 1974-1978
(Rev. Ernest P. Russell)

Rev. Gerald McKay 1979-1981
(Rev. Ernest P. Russell)

and Rev. Doland T. Humphries who came in February 1982.

The Preamble and the Constitution of The Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Nothing in this constitution shall permit the association to infringe upon the sovereignty of the rights of affiliated churches. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

Constitution of the Stanly Baptist Association

Article I. This body shall be known as the Stanly Baptist Association.

Article II. The association's membership shall consist of messengers only who are members of the affiliated churches comprised of all of the following:

1. Officers of the association.

2. Elected messengers. Each church shall be allowed three messengers for the first 200 members or fraction thereof and one for each additional 50 members.

3. Pastors of the affiliated churches.

Article III. The association shall hold a regular annual session on Tuesday and Wednesday after the third Sunday in October for reports, discussion and business matters.

A Spring Session and/or called sessions may be held, with (30) thirty days notice, if the Executive Committee so determines.

Article IV. Affiliated churches. An affiliated church shall be one supporting the denominational program, the doctrines, policies and practices of the association. The New Testament shall be accepted as the sole guide in matters of doctrine and practice; using "THE BAPTIST FAITH AND MESSAGE," a message adopted by the Southern Baptist Convention May 9, 1963 — pp. 7-19, as a guide for interpretation, but not intended to be used as a creed. Fellowship with a church within the association shall be extended or withdrawn by a ⅔ vote of the messengers in the fall session. Notice of a vote for extension or withdrawal of affiliation shall be given to the church being considered by the Executive Committee at least three months prior to the meeting of the fall session of the association. Baptist churches shall be received into the fellowship only by the association in annual session, after having been under the watchcare of the association for at least one full year.

Section 1. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Development Council for its study and investigation of the petitioning church's covenant, articles of faith, location, history, practices, cooperative spirit, its relations to other churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The Missions Development Council shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at or before the September meeting of the Executive Committee, its findings and recommendations for Associational action at the next annual meeting.

B. That the recommended Church shall send non-voting representatives to attend the Executive Committee Meetings of the Association.

C. That the recommended Church have the Pastor attend the Pastor's Conference as much as possible.

D. That the recommended Church submit to the Missions Development Council and/or the STANLY BAPTIST ASSOCIATION the following reports:

1. A report of enrollment and attendance quarterly.
2. A report of monetary receipts and disbursements quarterly.
3. A report of ownership and property and real estate annually.

Article V. In order for the Executive Committee to transact the business ad interim, there shall be a quorum of at least thirty (30) percent of the churches affiliated with the Association represented at each meeting. In the event a quorum is not present, the moderator could reschedule a meeting urging the churches to respond so that urgent business could be transacted. The representatives from each church shall be elected by the church to which the member belongs and recorded in the church's annual letter to the association.

All future goals and expenditures of sufficient magnitude shall be clearly brought before the Association, in session, for approval.

21. Special music was presented by Kolis Moore and Koni Huneycutt, "He Is More than Wonderful".
22. Introduced by James Tucker, Harold McDonald brought the Moderator's Address. The Scripture was from Philippians 3, and the emphasis was on, "Finish what you begin". To do this we need to make a commitment to God, we should finish what you begin. And to do this we need to do three things: 1. Make the commitment to God, 2. be

disciplined — do one thing at a time, forgetting the good or the bad that has already happened, and keep going. Then 3. is endurance.

When we come to the end, can we say, like Paul, "I have fought a good fight, I have finished my course, I have kept the faith".

23. Announcements and thanksgiving were given by Phillip Hunter.
24. Supper
25. The evening session convened at 6:30 with special music by the Sonbursts, from Mission Church.
26. Michael Freeman, pastor at Cottonville, led the devotion reading from John 6:6-9.
27. Jessie Dennis, pastor of South Albemarle Church, brought the Sermon. He read from Ephesians 1:1-13. His topic was investments. He stressed five points: 1. the Riches of His Mercy, 2. the Riches of His Grace, 3. the Riches of His Hope, 4. the Power of God and 5. the Love of God.

29. The Terry Almond Family, from Mission Church, sang.
30. S. Judson Lennon, retired missionary to Thailand, brought an inspiring message where he reminded us that we are either a missionary or live on a mission field. He challenged us to allow God to have His way, in having us become missionaries. Our task is winning others to Christ — and we do this by using whatever method available.
31. The hymn, "Let Others See Jesus in You", was sung.
32. Dan Freeman, pastor at Stanfield, First, led the benediction.

Second Day

Wednesday, October 21, 1987

with

HIGHLAND BAPTIST CHURCH

33. The first session of the second day convened at 9:20, with special music by Mr. Mark Morris.
34. Michael Taylor, pastor of Mineral Springs Church, read from Colossians 4:14-18, as he led in devotions, emphasizing that "God is Creator of All Things".
35. Don W. Reed, Associate Director for the Americas in the Volunteers in Missions Department of the Foreign Mission Board, spoke to us concerning the partnership with the associations in Sao Paulo and Stanly County. There are 30 million people to be reached. We need to share ourselves. Evangelistic teams are needed for 8-day revivals. Each team consists of a preacher plus 3 to 5 lay persons. Each one can give a personal testimony, help build pre fab chapels, help train new preachers, develop associations, and help with human needs projects. Your life will never be the same if, like Isaiah your answer is, "Here am I, send me".
36. During Miscellaneous Business several items were brought to a vote:

    1. The Constitution and By-Laws — After discussion. Larry Linker

made the motion that Article XIII should read: At such time that the association is without a Director of Missions, the Moderator shall serve as Chairman and along with the WMU Director and the Chairman of the Nominating Committee, shall constitute a committee to select the names of 8 active members of the association to serve as a Director of Missions Search Committee, but no 2 members of the Director of Missions Search Committee may be members of the same church. In addition, the Moderator shall serve as an ex officio member of the Director of Missions Search Committee. The Committee shall select a Chairman from its membership, shall seek out a qualified Director of Missions, and shall present the name to the Executive Committee for approval. The Chairman of the Director of Missions Search Committee shall then present the name of the Committees' selection to the Association, and the Messengers of the Association shall vote on this person in an Associational Meeting pursuant to the Constitution. Election shall require the affirmative vote of ¾ majority of those Messengers then voting.

This was seconded and was approved with some opposition.

Qualifications for Director of Missions are to be mailed to the churches.

Motion had been made and seconded to change Article IV, Section 1 to read: The Missions Development Council shall then report to the association with a copy thereof submitted to the Associational Executive Committee at or before the September meeting of the Executive Committee, its findings and recommendations for Associational action at the next Annual Meeting.

This was approved.

2. Phillip Hunter presented the Long-Range Planning Report for approval. Motion and second had already been made on Tuesday.

Motion was made and seconded.

Dwight Mabry also spoke for the report.
Question was called — vote was taken, and the motion was defeated.
A vote was then taken on the original motion — this was approved with some in opposition.

3. Motion and second was on the floor for the adoption of the budget. The motion was approved with some opposition.

39. Jessie Dennis, pastor at South Albemarle, made a motion to accept the Place and Preacher report. This was seconded and approved.
40. The hymn, "Blessed Assurance", was sung.
41. The inspirational message was given by Robert Shackleford. He spoke on Acts 29, written through your own life and your community. The text is found in your heart, your hope, your community. How will your Acts 29 compare with the rest of the Acts of the Holy Spirit? Each one should write his own chapter prayerfully.

42. The hymn, "Saviour, Like a Shepherd Lead Us".
43. J. Clifton Dunevant, Director of Missions, made the motion to accept the written report. This was seconded and approved. He urged everyone to accept the challenges before us — and in doing this, we need the guidance of the Lord in all our work.

    He announced his plans to retire December 31, 1987.
44. Memorials were read by J.D. Griffin, pastor of the Berea Baptist Church.
45. Hoyle Whitley sang a solo, "The Wonder of it All".
46. James Tucker, pastor at Grace Church, brought the Sermon. In reading from Luke 23:33, he spoke about the three crosses, and the reason for coming to them.
    1. Grief for the one in the middle.
    2. Glad to see the two thieves on the crosses.
    3. Love and respect for the Man on the middle cross.

    As the second man on the cross asked for grace and mercy — so we ask as we come to Christ humbly — on our knees to accept God's plan of Salvation.

57. Missions Reports were presented and approved.
    Foreign Missions — Maxine Kirk

    Missions Development Council — Justin Hill
58. Harold McDonald expressed appreciation to all who had a part in the Associational Annual Session.
59. All joined to sing the hymn, "Jesus is all the World to Me".
60. Special music was presented by Kim Misenheimer, a member of the

Adult Choir at Grace Church. She sang, "In the Name of the Lord".

61. The final message was brought by David Morrow, pastor of McGill Avenue Church in Concord. The church is designed for survival. There are 3 kinds of churches: 1. the clam shell (closed up tight), 2. the sponge (absorbs everything, decides who and what we are), 3. the chameleon (adapts, but nature remains the same.)
We are called to be faithful — and to obey the Great Commission. To accomplish God's will, we must make time for prayer time.
62. The benediction was led by Charles Stevens, pastor at Anderson Grove Church.
63. The One Hundred Third Annual Session was adjourned.

Resolutions Committee

We, the Resolutions Committee, on behalf of the officers, messengers, and visitors, meeting in this one-hundred third annual session of the STANLY BAPTIST ASSOCIATION, do hereby extend to Pleasant Grove Baptist Church and Highland Baptist Church our deep and sincere appreciation for their Christian hospitality and graciousness, for the delicious meals we were served, and for their efforts in making our meetings most enjoyable in every way.

Be it further resolved that all the messengers extend their appreciation and thankfulness to Mrs. Alda Miller, the Clerk and Secretary, for her work in preparation of the Book of Reports.

Be it further resolved that all messengers extend appreciation to our Moderator, Vice-Moderator, Music Directors, Instrumentalists and Program Committee for the organization of sessions.

Be it further resolved that we dedicate the 1987 Minutes of the STANLY BAPTIST ASSOCIATION in honor of Rev. J. Clifton Dunevant, and in memory of Rev. K. L. Plowman and Mr. L. V. Whitley in recognition of their many services.

Executive Committee

As we entered into the meeting of the Executive Committee, you could feel an air of excitement and Christian love and concern. It was exciting to hear Harold McDonald speak on long range planning. This committee would set goals, devise definite programs and set up sub-committees. Hearing Clifton Dunevant report on new churches and their programs was exciting. It is always a blessing to hear Kinney Wallace talk about evangelism. I don't know how the youth can keep up with Cindi Ward and her excitement. I thank God for her and her endless energy. Hearing Betty Pate speak about the WMU would make anyone want to become a member. In fact, I'm thinking about joining myself! Larry Linker certainly opened my eyes to the Annuity Board Retirement Plan for pastors and staff. I hope everyone received as much from it as I did.

I cannot list all who spoke at the Stanly Baptist Association Executive Meeting, but I want to thank everyone for a job well done.

Many services were set up in our Association this past year and I'm sure many more will be offered in the future.

I think that the Stanly Baptist Association is one of the finest in North Carolina.

Evangelism

The year of 1987 was an exciting time for many of our churches and many of our people. Throughout the year five Evangelism Rallys were planned in designated churches throughout the Stanly Baptist Association. These churches were First Baptist Church, Albemarle, N.C., First Baptist Church, Norwood, N.C., First Baptist Church, Locust, N.C., Plyler Baptist Church, Albemarle, N.C., and Pleasant Grove Baptist Church, Oakboro, N.C. The Pastors of these churches and their music departments planned and carried out the Evangelism Rallys for the Association. The Rally at First Baptist in Locust was held with Don Stanley and Dave Walton who are Evangelists from Spartanburg, S.C. Many of our churches were represented at these meetings and our people blessed.

In September, 1987 several of our pastors attended a Lay Evangelism School at Ridgecrest in preparation for returning to our Association to teach the Lay Evangelism School. We are looking forward to this in 1988.

I trust that there are many blessings that lie ahead for the Stanly Baptist Association through Evangelism. However, I have come to realize that the greatest need of this hour is the need of a Holy God sent Revival upon our Association and this land. I pray that our Lord will soon revive us again so that His people may rejoice in Him. Only God can send the real Revival we need.

Respectfully Submitted,
Kinney L. Wallace, Chairman

Stewardship

On 23 April 1987, our Association sponsored a Stewardship Conference. Participants received information on the New Expanded Annuity Program.

During the Associational year, the Stewardship Committee put the Association's check issuance policy in written form. This policy was adopted by the Executive Committee. A copy of the policy for issuing Associational checks may be seen at the Associational Office.

As the Associational year progressed, it became evident that our Association needs regular contributions from the churches. Therefore, the Stewardship Committee asks once again that the churches of Stanly Baptist Association provide regular monthly contributions to the Association. Afterall, the Association's bills are payable each month, and not once a quarter or once a year.

The Stewardship Committee has pointed out that it is against the policy of Stanly Baptist Association for any organization of the Association to solicit contributions from the churches. The Stewardship Committee, however, understands that any church, or individual, can designate special contributions to an Associational organization.

The 1986-87 Associational budget was $73,510.00. The Executive Committee amended this budget on 19 March 1987. This action increased money for Youth Ministries by $650.00 and brought the total budget for 1986-87 to $74,160.00. As of 30 September 1987, $62,857.56 was contributed by the churches of the Association for this budget. The figure of $62,857.56 does not include $1,655.00 received from the churches for copies of the Associational Minutes and $3,469.38 received from the Baptist State Convention for Associational Missions. Of the $62,857.56 of spendable income, $57,505.14 was direct contributions from the churches. The remaining $5,352.42 was received from various sources; such as, payments for copies and paper sold to the churches.

The Bold Missions Stewardship Conference for 1987-88 will be conducted on Thursday, April 7, 1988 at 6:30 P.M. at Jay's Downtowner. In addition to enjoying a meal and the accompanying fellowship, participants will receive information and guidance on conducting the stewardship program within the local church. Also, Talmage Williams, the Conference leader, will be sharing with participants on the topic of, "Distinctives of a Christian Lifestyle".

The American Bible Society

The Southern Baptist Convention continues to have a good working relationship with the American Bible Society through prayer and financial support.

Through the United Bible Societies, the international cooperative network of national Bible Societies of which the American Bible Society is a leading member, 600,128,459 copies of Scripture were distributed worldwide during 1986 — an increase of 9.4% over 1985.

During 1986, nineteen languages were added to make a total of 1,848 languages into which the Scriptures were translated. The Bible appeared in seven languages for the first time.

The American Bible Society assists the distribution of Scriptures in foreign lands and in the United States. New Scriptures programs are being developed for young people, for evangelism, for the military, in Chinese and in Spanish, and for church programs.

Christian Higher Education

North Carolina Baptists currently support financially six educational institutions. They are Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

Experiences on a college campus can shape a life forever. Going to a college with Christian influence can make a world of difference for a lifetime.

Baptist colleges are small and manageable. A young person away from home for the first time does not get lost in the crowd. Teachers know the names and faces of students, and are available to advise and counsel.

Young people and their parents would do well to choose a Baptist college for a superior experience in Christian education.

Baptist Foundation

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee. There he talks with them about Jesus, and Frank has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and

resources for associational leadership; and for camp development. Frank Neville, like others who are faithful stewards now, wishes to continue that commitment when he is no longer here.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled $1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work provided through the trusts. Assistance was given to dozens of persons in preparing their Wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

In cooperation with the State Convention, the Foundation established in the last year a credit line of $3,000,000 for church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The Board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September 1987.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

Christian Literature

How we need to see the value of God's Word today. So many Christians today fail to read and study God's Word. If we are not careful the Devil will do everything he can to keep us out of God's Word. Let us make the reading and studying of God's Word number one in our lives and then we can use other good Christian books that our Baptist Book Stores sell.

Every church should provide its members with the **Biblical Recorder.** The state Baptist paper for North Carolina always tries to tell it like it is — the good, the bad, the victories and the wants — with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord. The paper is a bargain — only $5.00 per year for the church budget plan! For the sixth consecutive year there will be no increase in the subscription rates. The **Recorder** directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

The Annuity Board

The Expanded Church Annuity Plan begins January 1, 1988. It provides a much improved retirement for all participants.

Something is also being done for previous retirees. The following is quoted from "the AB touch", monthly newsletter.

"Trustees of the Annuity Board of the SBC unanimously voted the (25%)

increase for retirees receiving benefits on or before December 31, 1987. They also approved a 25 percent increase in the formula benefit for persons who retire December 31, 1987 or later. The recommendation has been sent to the State Baptist Conventions who must approve it.

The increases, if approved by the State Conventions, will be only in the Formula Benefit Plan and not in any other part of an annutant's total retirement income.

Non-retired members with accumulated benefit in Plan A will see an increase in projected benefits in their first member benefit statement based on 1988 accumulations or in retirement benefits, whichever comes first. Plan A will close to additional contributions on December 31, 1987.

In an upbeat report, President Donald H. Morgan told trustees the second quarter of 1987 saw consistent, strong growth in assets for the Annuity Board in spite of sharp breaks in the bond market during the three months.

Total assets grew from $2.095 billion at the end of March to $2.124 billion at the end of June, reported Morgan. Treasurer Harold Richardson reported a 12-month increase in assets from $1.86 billion to $2.12 billion, or 13.76 percent.

Morgan spoke of the "great significance" of the projected benefit increase for many of the 11,800 retirees in line for a raise. He cited the excellent earnings record of the Formula Benefit Plan fund which made the increase possible. Cost to the plan for the raise will be $113 million.

North Carolina Baptist Hospital

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical

pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

The Baptist Retirement Homes of North Carolina, Inc.

The year 1986-87 has been an exciting time in the life of the Baptist Retirement homes. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Appearing before church, associational and convention groups throughout the state, the "Homes" and staff have attempted to be spokesmen, sensitizing Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations.

II. A significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine. Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes" Medical Director. As a result, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients. In an attempt to provide quality care opportunities to Older Adults who reside in the local community, a respite or temporary care program has been begun at the Albemarle Home.

III. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

Baptist Children's Homes of N.C.

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledged your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.
2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N.C. in realizing this dream in 1987.
3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.
4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing Baptists of North Carolina on this child care ministry.

It is a delight to report that more than fifty of the youth made a profession of faith in Jesus Christ during this church year.

The commitment to you is to be good stewards of that which is entrusted to their care as quality services is offered on four group care campuses, eight emergency care homes, in the foster homes, at the theraupeutic camping program, through the child development center and at the maternity home.

THE MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES.

You are encouraged to help by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

Update/Charlotte Area Family Service Center: The Charlotte Emergency Youth Care Center, located at 9741 John Russell Road, provides emergency care shelter for female, ages 6-18. The demand for emergency care service for male and female has increased dramatically in recent months for our area.

The Charlotte Area Family Center staff continues to emphasis "strengthening the family," with a commitment to provide the needed care for hurting children and their families. All services of the Homes are available through the office located at 328 W. Carson in the new Mecklenburg Baptist Associational building. Please feel free to visit there.

When you wish to visit the emergency care facility, please call the child care workers Bobby or Clara Goodman at (704) 597-1747.

Through your faithful prayers and generous gifts, the Baptist Children's Homes continue to be laborers together for God, and they are grateful for the opportunity to serve.

General Board

The year 1987 has been an exciting one to take part in the work of the State Baptist Convention of North Carolina through membership in its General Board. At the February 1987, meeting at Caraway Conference Center (delayed one month by snow) I was elected a member of the newly-created Board of Directors of Fruitland Baptist Bible Institute. Fruitland was made an agency of the General Board by the Convention at its 1986 annual session. I serve as Vice-Chairman of the Board and Chairman of the Board's Personnel and Academic Affairs Committee.

This year's only major controversy arose at the General Board's May meeting at Gardner-Webb College. The issue was whether the present system of giving an equal share of the money for Christian higher education to each of our Baptist colleges in North Carolina should continue or whether distribution should be based on some sort of **per capita** formula, with more money going to those colleges with more students and less to the institutions with fewer students. The debate pitted Dr. Wiggins, President of Campbell University (who sought a change to a **per capita** formula) against the other presidents. After a spirited discussion, the General Board voted to keep the present system of equal funding for each institution for the next 5 years.

The September meeting of the General Board at Caraway was especially exciting as the Sao Paulo/North Carolina Partnership was unanimously approved for recommendation to the Convention in November. If approved associations here in North Carolina will be matched with associations in the Sao Paulo State of Brazil to partner with our Brazilian brethren as they seek to achieve the goal of establishing 1,000 (that's right, ONE THOUSAND) new Baptist churches in 10 years. Another major item of business was the recommendation that the Convention in November give approval for the Baptist Retirement Homes of N.C., Inc., to borrow $1.688 million to purchase 40 acres located in Mecklenburg County on the north side of NC Highway 51 between Pineville and Matthews just east of the intersection with Providence Road/NC 16 as a site for a new retirement home.

God is blessing North Carolina Baptists. Let us be grateful and go forward together for the Kingdom.

Director of Missions

For every advancement in our association, we thank God; and face the future with renewed assurances that He is ever faithful to enable us to do all that He wills for us to do. Our real challenge is to be committed to Him and to His will.

This has been a year of challenges and we hope we have met them in faithfulness. The records are not in and compiled yet; and we hope much has been done and good results noted in all of our churches. The past year is now history — not to be forgotten, but to be a basis and challenge for our renewed effort and plans for the future. All of us are aware, even before we see the past record, that we need to plan and do more next year and in the future.

Thank God for the emphasis we are asked to give to prayer — all of us and in every phase of our life and churches. In Isaiah 6 we lear that true prayer brings us to commitment to Him. Surely we all agree that the emphasis on involvement of the Laity (1988) is needed. Every person is important in God's Kingdom work. Let's all get involved. Also, plans are being

made for Lay Evangelism Schools to help each of us to be able to share our experience in Christ and help lead someone to our Saviour. Let us be ready to share our faith to win the lost and to train the saved to be witnesses of Him . . . beginning now and looking for progress toward the 1990 Crusade — Here's Hope/God Loves You!

Thank you for your prayers and support in every way in our labors together with God; and be assured of my continuing prayers for you in the years ahead.

Some statistics from my work in the past year are:
8 statewide conferences, conventions, etc.
10 regional conferences and workshops
88 services in churches (speaking 62 times; and conferences, reports, etc.)
1 week at Home Mission Board Conference at Ridgecrest
1 week at Director of Missions Conference at Wingate
Traveled 20,988 miles related to my duties.

Respectfully,

Sunday School

Thanks primarily to others than myself, an excellent Associational Sunday School Workshop was held at First Baptist Church, Locust, last January. Appreciation is expressed to Rev. Kinney Wallace whose good work in cooperation with our Director of Missions made this a very effective workshop. Leaders of the workshop consisted of the Sunday School ASSIST team on the state level.

Project 10/90, challenging Southern Baptists to enroll 10 million in Bible Study by 1990 goes hand in hand with Bold Mission Thrust — the challenge to confront every person on the face of the earth with the gospel of Christ by the year 2000. With all else that we do in our churches, Sunday School is still the greatest means we have for reaching and teaching people for Christ. It is my prayer for the coming year that the Sunday Schools in all our churches will be strengthened as we join hands with all Southern Baptists and indeed, all Christians around the world, that we may "present every man complete in Christ".

Church Training

The past year in Church Training has been a very real learning experience. We operated on a trial and error basis for most of the year, trying some different approaches and introducing some new ideas. Some worked, most didn't. One of the most successful so far has been the proposal to begin an Associational MasterLife class. The response from the Pastors for this has been encouraging, and we hope to begin the first of November.

The highlight of the Church Training year is "M" Night. The attendance this past year was up over 100%. The service was inspiring, and the presentation by some of the children from Kendalls Baptist Church on Bible Drill skills was most impressive. And already, the plans for this year's "M" Night celebration are proving to be exciting. The theme will be "Living In the Spirit". West Albemarle Church has so graciously consented to host this special night of inspiration, information, and motivation.

Brotherhood

During 1986 we were able to make some contributions to the Stanly Baptist Association in a small way.

We were able to revive and revamp our Prison Ministry. This program is a very important ministry and should never be allowed to deteriorate or cease to operate.

We participated in building the West Stanly Baptist Mission which is still in the construction stage. Our work group was small but we felt a sense of accomplishment in going to the work site on a regular and systematic manner.

I was privileged to be a member of a group from the Stanly Baptist Association to attend a conference at Camp Caraway on the "Year of the Laity". This Christian project should offer a challenge to every Christian in the United States. I am sure you will be hearing a great deal about this upcoming Christian movement.

Woman's Missionary Union

"Gifted to Serve Called to Act", our WMU emphasis is to challenge and equip church members to identify and use their gifts in ministry and witness. Paul's writings tell us that each Christian has been given a gift or a manifestation of the Spirit. It is the individual's task to discover this gift. One's gifts are specific, likewise one's service must be specific: Identifying our gifts and gratefully proceeding to use them in God's service.

Calvary Church organized a new WMU.

Canton re-organized the Baptist Women.

Fairview Church hosted the Leadership Workshop, and Anderson Grove the Mission Support Workshop.

Mrs. Della Hollis invited Mr. Michael Taylor for the WMU Prayer Retreat at Pleasant Grove.

Mrs. Alda Miller encouraged churches to donate chap-stick to the Correctional Center in Raleigh, to continue to collect used stamps to relieve world hunger, also coupons for West Virginia.

Mrs. Bobbie Dennis and Miss Jean Morton conducted GA Rallys at Oakboro, First and North Albemarle, GA-Tivity Day at Anderson Grove. Leaders were invited to a luncheon.

Mrs. Cathy Huneycutt and Mrs. Josie Faulkner led the Acteens events at Anderson Grove, Kendalls, and Fairview. Silver Springs hosted the Banquet and Recognition Service.

Mrs. Sherry Dunevant and Mrs. Frankie Schooley organized BYW at West Oakboro, Parker Memorial, and Badin: Led a study on "Spiritual Gifts", and Centerview hosted their Annual Banquet.

Mrs. Jewell Simpson and Mrs. Evelyn Ingold invited Miss Carol Leigh Humphries to speak at the Baptist Women's meeting at Union Grove.

Pleasant Grove hosted the Annual Meeting. Mrs. Harriett Lennon, retired Missionary from Thailand, challenged us to plant seeds, God will make them grow. Mrs. Donice Harrod spoke on "Gifted to Serve, Called to Act".

We attained "Distinguished WMU" on the Achievement Guide.

With anticipation we are looking forward to the Southern Baptist Convention Centennial Celebration of '88.

Music

The Associational Co-Music Directors, in an introductory meeting with Mr. J. C. Dunevant and Mr. James Reich, Associate Church Music Director, were given insight into the importance of the music program of a church and its place in worship. The challenge of building a church music program requires planning and dedication to enhance the worship experience. Music leaders must be committed to lead choirs effectively for His glory.

Some goals for the Associational Music Program will be to assist the smaller churches in music literature and leadership, to allow more communication of Stanly County Music Directors, to increase the awareness of the importance of music in worship, and to become better prepared as leaders in worship.

Whether our churches play and sing the classical masters, great hymns, gospel songs, or contemporary Christian music, we must remember the purpose in worship is to make wise use of God's gifts. In church music, as in all else, there is always that calling of God in Christ Jesus of wanting to be like Him. That is our "eternal" hope for improvement.

Music leaders are challenged to be effective leaders in the church's total music program — children's choir, youth choir, adult choir, handbell choir, and ensembles — and are challenged to work with pastors and accompanists, being led by the Holy Spirit, to plan effective worship experiences.

It is our prayer that the Lord will bless the music ministries in the Stanly Baptist Association as we spread the gospel through music and as we sing for His glory. Praise God from whom all blessings flow!

*THIS YEAR, THUS FAR — A total of 53 young people accepted Jesus Christ as their personal Savior. I recorded 60 rededications. 36 Associational churches actively participated in an Associational Youth function. 4 Churches actively expressed interest. Many other churches in the Stanly Community also participated.

I am looking for a revival in the hearts and lives of the youth directors and young people of Stanly County this coming year. It's already begun in my heart! I Timothy 1:16

Christian Life Commission

During the past year the Christian Life Commission elected a new Executive Director, continued its fight against gambling and hunger and increased its initiatives on abortion, pornography, and other moral concerns related to families.

In January, Dr. N. Larry Baker was elected as the fourth Executive Director of the moral concerns agency. He succeeds Foy Valentine who stepped down from the top post because of health problems and assumed a new position as Executive Director for Development. Baker, former Vice President for Academic Affairs and Dean of the Faculty at Midwestern Baptist Theological Seminary, took the reins of the Commission on March 15. He was formally installed a week later during the Commission's national seminar on "Critical Issues Facing Today's Families."

The annual seminar of the Commission attracted 600 participants from throughout the Southern Baptist Convention. Nationally recognized speakers addressed a wide range of family issues including teenage suicide, aging, AIDS education, child abuse, and teaching moral values in the home and in the church. A conference for youth ministers addressed the theme "Moral Problems and Youth."

The problem of abortion received high priority as the issue became a major staff assignment. The Commission sponsored a national consultation on alternatives to abortion designed to chart new courses of action in the fight against abortion. The Commission also produced and distributed eight new abortion-related resources designed to help in the observance of Sanctity of Human Life Sunday and to strengthen ongoing anti-abortion efforts.

Similar information and resources were provided to help Southern Baptist Churches observe four other special emphasis days on the denominational calendar. In addition to the Sanctity of Human Life Sunday, the Commission produced support materials for Race Relations Sunday, Christian Citizenship Sunday, the Day of Prayer for World Peace, and World Hunger Day. The hunger emphasis continued to be aggressive as the annual Awareness/Action Guide was sent to all pastors and Directors of Missions.

An increased number of conferences were held in partnership with state conventions. These included a state conference on moral issues in Illinois, regional conferences in Virginia and South Carolina, and leadership training conferences in Virginia and South Carolina.

Anti-pornography initiatives included a conference in Los Angeles, publication of two new pamphlets and production of a videotape on pornography. The Commission also provided staff assistance for a new Broadman film and videotape entitled "Combating Pornography."

Sales and distribution of Christian ethics materials increased by more than 65 percent, setting an all-time high. The past year marked another record as the circulation of LIGHT increased to more than 19,000.

Foreign Mission Board

The career missionary continues to be the cornerstone of our efforts to share the Gospel with a lost and needy world. As the missionary plants his life among the people he goes to serve, we see the Partnership Principle at its highest level of operation. This principle is beautifully illustrated in the life of Dr. J. B. Hughey, who went as a missionary to Spain and later became

Area Director for Europe. (He died two years ago.)

About his life it was said: He planted his life, loved the people, taught the people, helped in the building of churches and buildings. In turn his Spanish brethren received him as a brother, tutored him in the language and culture of the land, responded to his teaching, remained faithful to his teaching, and encouraged him in his final illness.

In partnership with Baptists around the world, you and I are sharing God's Good News as we pray, give, educate in missions and encourage those whom God calls out to respond. These statistics will give us a bird's eye view of our involvement:

- — In 1986 there was a record number of baptisms reported from our mission fields of 185,689 or one baptism for every 10.8 church members.
- — A record number of career missionaries were appointed (256) bringing the total for the year to 3,756 serving in 108 countries.
- — A record number of 20 new churches were organized each week.
- — Southern Baptists gave almost $180,000,000: 40% of this through the Lottie Moon Christmas Offering and 37% through the Cooperative Program.
- — More than 1,900 Southern Baptist volunteers went out to join Baptists overseas in special efforts which resulted in 24,279 persons professing Christ as Savior.

Home Missions

1986: Year of Change and Challenge

1. Dr. William G. Tanner, whose effective leadership during the last ten years as president of the Home Mission Board, resigned mid-year. Tanner came to the Home Mission Board just one month after the Southern Baptist Convention adopted Bold Mission Thrust as its overarching theme.
2. The Board took a stand voting to prohibit the future use of Home Mission Board funds to support women serving as pastors of local churches, perceiving this to be the opinion most prevalent among Southern Baptists.

The Home Mission Board is assigned 13 programs — here listed in alphabetical order.

Associational Administration
Black Church Relations
Chaplaincy Ministries
Christian Social Ministries
Church Extension Division
Church Loans Division
Evangelism Development Division
Interfaith Witness
Language Missions
Mass Evangelism Department
Metropolitan Missions
Personal Evangelism Department
Support Ministries

The Support Ministries includes Rural-Urban Missions, which ministers to the physical and spiritual needs of farm families who do not qualify for social service programs. Mission Service Corps office operates the HMB

Intercessory Prayerline which relays Missionary Prayer requests to Southern Baptists. Spiritual awakening office trained and certified 911 instructors to teach seminars nationwide. When Prayer Partners complete the seminar they commit themselves to pray daily for a Spiritual Awakening.

The overall challenge remains the same. The Home Mission Board must lead Southern Baptists in WINNING AMERICA TO CHRIST. God has and will continue to lead us to face change and uncertainties and challenges of a new day.

State Missions

Baptists look at their beloved State of North Carolina with prayers of thanksgiving for God's goodness in this land of natural beauty, unlimited resources and a population of over 5-½ million people.

Stretching 503-½ miles from the beautiful Smokey Mountains to the dunes of Manteo, and 186 miles from its southern border to the bounds of Virginia, it is a State known for its industry, schools of higher learning and verdant coastal farmlands.

North Carolina is sometimes referred to as "Baptist Country." Indeed, in 1970 one of four North Carolinians was Baptist. By 1980 the ratio was one in five. We have over 3500 churches with combined membership of over one million.

However, if all the existing churches of all denominations in North Carolina were filled every Sunday morning, 79% of the population would still not be in church. Through our Bold Mission Thrust studies and efforts we now know 1,000 new churches are needed by the year 2,000, with financial resources of over $1,000,000 annually for State Missions.

The money provides Church Growth Assistance to new churches and missions, scholarships for black students preparing for ministry, seminary extension courses for prison inmates, support for nine different language groups, training for over 100 chaplains, tapes for 265 blind persons, Literacy Workshops, the Happiness Retreat and day camping for mentally retarded persons, funding for student summer workers in resort ministries, church and community missions, etc.

Missions Development Council

The Missions Development Council met twice during the year to receive reports and consider mission opportunities in the association. The council consists of the Missions Development Director, WMU Mission Action Director, Baptist Men's president, Vice Moderator, and Director of Missions, ex officio.

The council met with Rev. Howard Benoy and others who wanted to begin a mission in cooperation with the association. The group would be known as Mount Calvary Baptist Mission. The council extended its support for this undertaking and participated in an organizational service for the mission. Since their beginning they have purchased the old Jehovah Witness building for a temporary meeting place. They will organize as a church this fall. The council recommends Mount Calvary Baptist Mission be approved for watchcare at the Annual meeting.

Reports of the two churches now under watchcare were reviewed at each meeting. Both groups have been cooperative with the association and have met requirements as requested. Poplar Springs has a new pastor and things are moving well. West Stanly will be occupying its new building by November.

The W.M.U. reported their main mission project is preparation for the Bethlehem MarketPlace to be held in December at the Association Office grounds.

The Brotherhood mission actions continue with the prison ministry. Churches take turns a month at a time having a service at the prison camp, Sunday a.m. Also the Sunday School lesson is taught at Baptist Home in Albemarle each Saturday.

During the summer, Bobby Stafford, from the State Convention, met with several men interested in having Sunday morning gospel messages given for boaters on Lake Tillery. Montgomery Association would have some on their side of the river. We would have several locations on our side. Piers would be sought where boaters could gather for a short service. Leaders would come up by boat. People would listen in their boats. We will enlist a director and try to get organized this winter so this resort ministry can begin in June 1988.

The council encourages members of our Baptist churches to work with the Stanly citizens interested in establishing a center for family abuse. We can have an influence and witness by having Baptists in position to serve on the board of directors when that organization comes into being.

Another community ministry on the horizon which is in its birthing stages is a Habitat for Humanity Affiliate. Baptists will want to play a significant part in supporting and helping as volunteers in this effort to provide housing for those now living in substandard dwellings in our county.

We encourage each church to be vigilant in meeting mission needs in its own community and to bring to the attention of the council needs which can be met more adequately by several churches working together. Funds are available for special ministries if needed.

Justin Hill, Missions Development Director

In Memory of
Rev. Sam Lesley

Born August 10, 1917 in Royston, Georgia, he graduated from Baptist Bible Institute, now the New Orleans Seminary, in New Orleans, Louisiana. He served in World War II in the U.S. Army Air Corps in the communication division of the weather service.

He was ordained at Morlan Park Baptist Church, Salisbury, N.C. (now Southside Baptist Church) May 29, 1949.

Mr. Lesley was the oldest minister in terms of service in the Stanly Baptist Association when he retired after 46 years.

He served as pastor of Richfield Baptist Church, Plyler Baptist Church, and Paul's Crossing Baptist Church — all in the Stanly Baptist Association; West Park Baptist Church at Rockwell and Southside Baptist Church of Salisbury.

RED CROSS BAPTIST CHURCH

History of Red Cross Baptist Church

This year, Red Cross Baptist Church celebrates its 45th years of existence. The church stands on a hill on the corner of Highway 24-27 and Ridgecrest Road. Originally known as the Red Cross Baptist Tabernacle, the church was founded during a revival in August, 1943, under Rev. Lee Hartsell, who became the first pastor.

With the condition that the land be used only for the building of a church, Mr. Lawsom Burris donated the ground, which was turned over to a board of trustees made up of Mr. Cletus Williams, Mr. Walter Whitley and Mr. Dewel G. Smith.

Work on the white frame structure, built from lumber cut in the woods where the church now stands, began on November 22, 1943, and was completed enough to hold its first service on January 30, 1944.

The first Sunday School was organized February 20, 1944, with Mr. Claud Whitley as the first superintendent. The first revival was held on March 19, 1944, with Rev. Lee Hartsell. On April 2, 1944, Stanfield Baptist Church voted and received the Red Cross Baptist Tabernacle as an arm of the Stanfield Baptist Church. On May 7, 1944, Rev. Hartsell baptized 7 people at the Dewel Smith pond. A second 2-week revival was held July 2, 1944, and 12 more were baptized. Red Cross was organized as an independent Baptist Church on September 24, 1944 at 3:00 P.M. with 42 charter members. A deadline of October 19, 1944 was set for accepting charter members, and by that time there were a total of 52 members. Many of these members still attend Red Cross.

After worship in the white frame structure for 25 years, work was begun on a new building October 27, 1968 and was dedicated November 23, 1969. The note burning was held April 24, 1983.

Red Cross Church has been honored and blest to have been served by so many wonderful pastors: Lee Hartsell (1944-46), Arlie Starnes (1947-48), C. C. Huneycutt (1948-51), J. D. Tucker (1952-56), George Huggins (1956-59), A. R. Waisner (1959-66), J. T. Baker (1967-79), Truett Rogers (1979-84), Sherrill Dunn (1984-87), Richard Collins (1988 to present).

Two ministers have been ordained from Red Cross Church: Marvin A. Honeycutt on May 4, 1958 and Garry Baker on January 16, 1988. There are 274 members, with a 25-voice choir. The church is a member of the Southern Baptist Convention and the North Carolina State Baptist Convention.

BIG LICK BAPTIST CHURCH

History of Big Lick Baptist Church

Big Lick Baptist Church was organized in 1860 — the same year the town of Big Lick was incorporated. Early records were destroyed by fire.

The first building was built of pine poles — with no floor, while candles were used for lighting.

According to records, the pastor's salary in 1897 was $58.65. In early 1930 the Sunday School records reveal the offering at times would be as low as thirty five cents.

The second building, a small, square, wooden construction, with the walls supported by iron rods running from side to side, was used until around the turn of the century. At that time the third building, of which a large part still remains in use, was built.

Several renovations were approved in 1951: the wooden steeple was replaced, new floors were installed, and new pews added. An oil heating plant was installed and a choir loft added. Two classrooms, one on each side of the pulpit, were built — and stained glass windows were added.

In 1956 four more rooms were added, the sanctuary remodeled, and the bell tower was moved from the side to the center of the building.

Rev. J. D. Tucker became the first full-time pastor in July 1958. Prior to that time Big Lick had shared pastors with sister churches, Red Cross, Philadelphia, etc.

By the centennial year, 1960, the membership had grown to 210, with a Sunday School enrollment of 168. It had all the normal organizations and the value of the church property was set at $40,000.

Other additions and renovations were completed in 1973, 1975, 1985, and finally in 1987 a 4000 sq. ft. fellowship building was finished, bringing the value of the church property to a total of over one million dollars.

Through the years, Big Lick sent a number of men out to preach the Gospel: Alfred Huneycutt, Craig Coble, Kenneth Huneycutt, Paul Hartsell, Wallace Hartsell, Pruette Hartsell, Tildon Sasser and Wayne Whitecotton.

Larry Linker is presently the pastor, and has served since August 1972.

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Nothing in this constitution shall permit the association to infringe upon the sovereignty of the rights of affiliated churches. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

Constitution of the Stanly Baptist Association

Notice of a vote for extension or withdrawal of affiliation shall be given to the church being considered by the Executive Committee at least three months prior to the meeting of the fall session of the association.     The Sonbursts is a ladies' ensemble from Mission Baptist Church.
25. James Tucker, now presiding, introduced Harold McDonald, as he gives the Moderator's Address.
26. Moderator's Address, Harold McDonald, pastor of First Baptist Church, Albemarle. He read from Mark 5:21-24 and 35-43. His theme was, "The Touch of the Master". Pictures were made of the times lives were changed because of the touch of Jesus. When Jesus touched the people, something happened. Jesus responds to a cry of need. He goes into hopeless situations. Wherever Jesus went there was life.
    Mr. McDonald closed with, "The Touch of the Master's Hand".
27. Richard Collins, pastor at Red Cross Church made announcements, and returned thanks.
28. Supper

29. The evening session convened at 7:00 with the hymn, "Jesus Saves".
30. Wiley Rutledge, pastor at West Albemarle Church, led the devotion, as he read Psalm 150. The message was, "Praise Ye the Lord".
31. Doland Humphries, pastor at Highland Baptist Church, brought the Annual Message. He read from Matthew 9:35, speaking about the harvest is plenteous, but the labors are few.
    Using other Scriptures: Mark 6:34 and references from Luke 10 he spoke about some of the parables of Jesus. The Prodigal Son, the Friend at the Door, the House Divided, the Unclean Spirit. From the Great Commission we are urged to make disciples and to pray for workers.
32. Special music by, Rejoice, was enjoyed. Rejoice is a contemporary Christian Music Ensemble composed of musicians from the Stanly County area.
33. "What if WMU Had Never Happened?" was presented by the ladies of the Woman's Missionary Union. A parade of 113 countries, with flags, costumes, and commentary by Mrs. Betty Pate, introduced places we now have missionaries serving.
    The presentation closed with a circle of lighted candles to show that "The Light of the World is Jesus". If we are to reach out to others we need to let our light shine.
34. The first day's session closed with prayer led by David Troutman, pastor of Kendalls Baptist Church.
35. The final registration: 291 plus approx. 75 in WMU — 53 churches represented.

Second Day

Wednesday, October 19, 1988

with

BIG LICK BAPTIST CHURCH

36. The first session of the second day convened at 9:20 with special singing by some of our pastors.
37. Special music was presented by Wiley Rutledge. With the help of Hoyle Whitley, Koni Huneycutt, and George Quick, Mr. Rutledge sang an original hymn, "The Cross on Mount Calvary is His Home", he had written.
38. Dave Phelps, Associate pastor at First Baptist Church, Albemarle, led the devotions. Using Psalms 34:1-10, his message was that if we praise God at all times, we will gain perspective.
39. Danny Alsup, pastor at Richfield Church, spoke on the Sao Paulo Partnership Program. He had just returned from there — with enthusiasm, and on fire to spread the word that more may go in the next five years. The challenge is that at least 30 people will be prepared to go by June 15, 1989.
40. During the miscellaneous business Edward Lowder made a motion that the proposed budget be adopted. This was seconded.
    An amendment was proposed to provide for the Director of Missions

to go to Sao Paulo, with an approximate figure of $1,250.00. This was seconded and approved.

The original motion, with the amendment, was then approved.

Motion was made for the admission of Mount Calvary Church to the Association. This was seconded and approved.

41. Nathan Fox, chairman of the nominating committee, presented the nominees for the year of 1988-89. Motion was made to accept the report as printed. This was seconded and approved.
42. Charles Broome, pastor at Aquadale Church, made a motion for the approval of the General Board Report as printed. This was seconded and approved.
43. Kinney Wallace, pastor at First Baptist Church, Locust, made a motion to accept the Place and Preacher report. This was seconded and approved.
44. The hymn, "Great Is Thy Faithfulness" was sung.
45. Tom Small, missionary to Zambia, gave the missionary message. He used the Scripture, Philippians 1:3 — thanking God for each one who had a part in enabling him to go to the foreign mission field since his appointment in 1955.

    From John 6:3-13, the feeding of the five thousand, he spoke about an impossible situation, humanly speaking, but we have an all sufficient Lord with a plan.

    Mr. Small, with others, began a Bible correspondence school when the people they wanted to help were just learning to read.

    The Correspondence School has 5 courses:
    a. "Who Is Jesus" — book written by Tom Small
    b. The Book of Mark
    c. The Book of Mark
    d. God's Wonderful Plan for Your Life.
    e. Baptist Beliefs.

    To date there are 150,000 enrolled in this School, The Bible-Way, with 30,000 accepting Christ as Saviour.

    Just as the little boy gave all he had to Jesus to feed the five thousand, so must we give all we have to Him. Missions begins in our heart.
46. The hymn, "Because He Lives", was sung.
47. The Director of Mission, Womack Keck, made the motion to accept the written report. This was seconded and approved. He then spoke to the report: work on the Long-Range goals, give more to the Cooperative Program, and volunteer to help build the shops for the Bethlehem MarketPlace on November 12th, at 8:00 AM — then be willing to help clean up after the presentation.

    As in the written report he emphasized three points:
    a. Training
    b. The need to pray for one another and the churches
    c. Give financial help for those going to Sao Paulo. He and Mrs. Keck will give the first $100.00.
48. Bettie C. Hooks, Director of Volunteer Services at Broughton Hospital, reports people from 35 counties have been helped through the hospital — 29 from Stanly County. Most are 22-44 years of age. There are several ways we as individuals or churches can help: patient sponsor, ward visits, Operation Santa, ward decorations, and in many other ways.
49. Fred Hopkins, retired pastor and a member of Porter Church, read the memorials.

50. The hymn, "I Have Decided to Follow Jesus", was sung.
51. The George Quick Family brought special music. George Quick is the pastor at West Stanly Baptist Church.
52. Kinney Wallace, pastor at First Baptist Church, Locust, brought the Annual Message. From the theme, "Rejoice", for the Annual Session, he read from I Thessalonians 5:16 — "Rejoice Always".

    From Psalm 100, a Psalm for giving thanks, several points were made: to keep our eyes on Jesus and rejoice in the Lord we must:
    a. Know who God is
    b. Know the nature and faithfulness of God
    c. Realize what He has done
    d. Know who we are (His by creation and by salvation)
    e. Know how to rejoice
53. Larry Linker made announcements and offered thanksgiving.
54. Lunch
55. The afternoon session convened at 1:10 as everyone joined to sing, "Praise Him! Praise Him!"
56. Devotions were led by Randy Berryhill, pastor of Kinza Memorial Church. He read from Matthew 6:34, where we are reminded that we should not fret or worry.
57. Organizational reports were made and approved:
    Sunday School
    Church Training
    Youth — Cindi Ward — spoke to report: information given on the Josh McDowell Ministry materials — and on the Youth Ministry Councils in the churches.
    Music — Koni Huneycutt
    Brotherhood — Doland Humphries. On a point of personal privilege he spoke concerning the need for information and care on pregnancies.
    Woman's Missionary Union — Betty Pate. Encouraged members to participate in the National Missions Prayer Plan — toll free numbers for Home and Foreign Mission Boards — Bethlehem MarketPlace presentation.
58. Flake Mason, pastor at Porter Baptist Church, presented the Resolutions Report. Motion was made to accept, was seconded and approved.
59. Registration: 208 — with 50 churches represented.
60. Jerry Mabry, pastor at Union Grove Church, made the motion to accept the Christian Life Report. This was seconded and approved.
61. Mission Reports were presented and approved.
    Foreign Missions — Edna Bolin (not present)
    Home Missions — Jewell Whitley
    State Missions — Virginia Almond (not present)
    Missions Development Council — Justin Hill. Reported on the Lake ministry, Prison ministry (asking for a love offering), remember the prisoners thru the year, especially at Fourth of July and Christmas. Possible take snacks, candy, fruit, etc.
62. Harold McDonald expressed appreciation for the cooperation he had received as Moderator and wished the very best for the association as they continue to work together. He then presented the gavel to James Tucker, the in-coming Moderator.
63. The hymn, "My Jesus, I Love Thee", was sung.
64. Hoyle Whitley presented the special music, singing a Jesus Medley.

65. James Tucker introduced Womack Keck, the Director of Missions.
66. The final message was brought by Womack Keck, Director of Missions. Using the theme, "Rejoice", several Scripture verses were read: Luke 15:3-, rejoicing over the 1 lost sheep and the 1 coin. In Psalm 126:6, rejoicing in the harvest. In John 4:35-, both he that soweth and he that reapeth could rejoice together. It takes faith to plant a seed — and it takes faith to have a vision. Jesus shared a vision with the Samaritan woman at the well — that she could share her experience with others.

    Jesus saw a vision of the fields white with harvest — he saw the people who need Jesus — out in the field, but we are usually content to stay within the walls of the church. It is not enough to pray, we must pray believing — and we need to become involved. We need to share love — God so **loved** that He **gave**! The greatest joy we can experience is to lead someone to Christ — that is truly cause for rejoicing.
67. The benediction was led by Flake Mason, pastor of Porter Baptist Church.
68. The One Hundred Fourth Annual Session was adjourned.

Executive Committee

The Stanly Baptist Association was involved in many activities this year and experienced some changes.

Following the retirement of Clifton Dunevant, who served as Director of Missions for the Association for approximately twenty-eight years, a reception was held in his honor at the Associational Office. A love offering was presented to him from churches throughout the association. Mrs. Alda Miller and Mrs. Betty Pate coordinated the event.

Mrs. Miller and Mrs. Pate also coordinated "Bethlehem Marketplace." Their long, hard work paid off as the outdoor drama proved very successful. Keep up the good work!

During December, construction had finished for the West Stanly Church and they held their dedication service.

In the first quarter of the year, Gene Boger and Mike O'Dell told us about the Partnership Mission Project in Sao Paulo. They emphasized the need for one thousand new churches and for volunteers.

Flake Mason made us aware that our associational building needed security locks, which would help provide a feeling of safety.

A special called meeting was held in June and Reverend Womack (Mack) Keck was called to serve as Director of Missions for the Stanly Baptist Association.

Cindi Ward coordinated many informative and valuable programs for the youth. From all reports many youth are involved and are growing closer to God.

My thanks to everyone for the good work accomplished this year. We have a great association and a wonderful fellowship!

Evangelism

Evangelism is the heartbeat of everything Christians are seeking to do. It is the most important business in the Kingdom of God. Evangelism is winning people to Jesus Christ and then helping them to develop into faithful witnesses for Him. Effective Evangelism must be built upon a strong spiritual foundation of prayer, Bible study and intensive equipping of lay persons.

During the Spring, a very excellent Evangelism program was enjoyed and appreciated by those in attendance at the Mineral Springs Baptist Church. Dr. Ron Lynch was the guest speaker. The Holmes Trio along with Koni Huneycutt and Kolis Moore provided the music.

A Lay Evangelism School for the association is planned for October 31st and November 1st, from 10:00 A.M. to 3:00 P.M., at the Associational Center. This will be led by Dr. Ronny Russell and Mr. Gary Poplin. The State Baptist Film Library also has VCR tapes of a Lay Evangelism School conducted by Dr. Richard Everett.

My prayer is that we will dedicate ourselves to reach lost souls for Jesus Christ. "The harvest truly is plenteous, but the laborers are few".

Respectfully Submitted,
H. Michael Taylor

Stewardship

On April 7, 1988, our Association sponsored a Stewardship Conference at Jay's Downtowner. Mr. Talmage Williams of the State Convention shared with those present concerning stewardship in our Christian living.

At our 1988 Annual Associational meeting the messengers adopted a Long-Range Planning Report. This sets forth a number of exciting projects

and ministries for the Stanly Baptist Association in the next few years. However, as we planned the 1988-89 Associational Budget, it was evident that we must increase our level of giving to associational missions if we are to accomplish some of these long range goals. We included a small amount of money in this budget, but more will be needed in future years.

We encourage the churches in the Stanly Baptist Association to find ways to increase their giving to associational needs in future years. Let's build a strong base of mission support in Stanly County and then we can reach out to touch the world for Jesus Christ.

The American Bible Society

The longstanding and fruitful partnership between the Southern Baptist Convention and the American Bible Society continued to open new ways to the Word for millions of people across the globe in 1987.

As part of the global network of the United Bible Societies, the American Bible Society has been involved in the distribution of the Scriptures in at least 665 different languages throughout the world. The total number of Scriptures distributed worldwide during 1987 was 624,053,932 copies. This represents an increase of 4.0 percent over 1986, and continues the upward trend of the past few years. Of this total, 116,155,119 copies were distributed in the United States, an increase of 15.6 percent over last year's total.

One of the major highlights of 1987 was the completion of the Amity Printing Press in Nanjing, the People's Republic of China. The first 20,000 copies of an initial order for 100,000 Chinese Bibles were off the press by November, with the balance to be completed by January. A ceremony marking the official opening of the plant was held on December 5. This is an answer to prayers of many years that a way would be found to share resources with Christians in China so they could meet their Scripture needs.

Complete Bibles were published for the first time in the Ayacucho Quechua language of Peru, the language of Tuvalu, an island nation in the South Pacific, and in Karo Batak, one of the several dialects spoken on the Indonesian Island of Sumatra. There were also many first-ever publications of Testaments and individual Biblical books. Ongoing Scripture translation projects are proceeding in an additional 573 languages.

The Society's unswerving goal is to meet all the Scripture needs that are presented to it. Although much more is needed, your support has made a vital and invaluable contribution to the ongoing challenge of opening God's Word for all.

Christian Higher Education

What Is A Baptist College?

First, Baptist colleges are **colleges,** places where teaching and learning take place. During 1987-88 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good

colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word **"Baptist"** tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-88 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days, construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

Baptist Foundation

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know". Mrs. Mercer died this spring. We can now share her name. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son **and** the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship

planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

Christian Literature

There are so many good Christian books out today. I thank the Lord for our Baptist Book Store and other Christian book stores we have in Stanly County, like the Lamb's Way. Let's back and support these stores.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think. But we must be informed and involved in the work of the Lord as Baptists do it . . . if we are to make progress.

For 155 years the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the commission of our Lord to win, teach, and baptize persons. To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

The Annuity Board Report

The Expanded Church Annuity Plan has been in effect since January 1, 1988 and it is very encouraging as many new churches have been added to the list of those churches making sure their pastors can retire with some dignity. Over 2000 new churches have joined in this effort, bringing the total to 12,292 by years end, 1987.

A big disappointment for all was Black Monday, on the stock exchange. While the Annuity Board felt the effects, it was nowhere near a disaster for SBC Annunity Members. In spite of Black Monday, the Board gained a respectable increase of 7.74% and topped out at well above 2 Billion Dollars in pension and service. The retirement, life insurance and medical insurance offered by the SBC Annuity is of the best, safest kind found. And we can rest assured that only the very best of people are hired to handle your funds. If your church has not yet joined the retirement program or is not in the Expanded Annuity Plan, won't you please consider and do so. It will bring peace of mind to your pastor(s) and also to your church, knowing you have made provision for God's servants.

North Carolina Baptist Hospital
Report to the Association
1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion — expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs . . . as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptists have been faced

with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Baptist Retirement Homes of North Carolina, Inc.

Our Baptist Retirement Homes offer three levels of care: independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care. These levels of care reflect the differing needs of individuals as time passes.

It is estimated that the number of N.C. citizens age 65 and over will increase by 28.9% by 1995, and 40.6% by the year 2000. The percentage of increase for the 80-plus age group in Baptist Life is predicted to be more than 50% by the year 2000. To meet these changing needs is a great challenge.

In order to address this great challenge, the Homes have launched a bold new program of development and ministry that includes the development of:

1. Regional continuing care retirement communities.
2. A Home Health Care Ministry. This involves establishing a volunteer-based Home Health Care program that will enable frail older adults to continue to live independently in their homes with some assistance.
3. Financial subsidies for retired ministers and ministers' spouses and older adults with limited financial resources for retirement living.

"As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully serve the needs of the Older Adults of our State."

Baptist Children's Homes of North Carolina

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes — another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 — a teenage mother-baby home and behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature".

UPDATE FROM THE CHARLOTTE FAMILY SERVICES CENTER:

We serve persons in Mecklenburg, Gaston, Lincoln, Cleveland, Anson, Cabarrus, Union, and Stanly Counties. We, as an area office of the Baptist Children's Homes of North Carolina, continue to strive for quality service for all the people who call upon us.

The Emergency Care Center, 9741 John Russell Road, is an emergency care facility for girls ages 6 to 18 years of age. Girls are allowed to stay up to 60 days at this facility while plans are being made to re-enter the home or plan for more long-term care in a residential setting.

Call on us in the Charlotte office (704) 376-0452 or at the Emergency Care facility (704) 597-1747 if we can answer questions or be of service to you who may need the services of the Baptist Children's Homes.

General Board

The General Board, composed of 116 members, serves as the "Convention ad interim." In this capacity the General Board is charged with "general supervision" of the institutions and agencies and with directing the work of the General Board staff and programs.

The Board met three times during 1988: January 26-27 at Caraway; May 24-25 at Mars Hill College; and September 27-28 at Caraway. Being a member of the Communications Committee, I submit the following report:

The Communications Division of the Baptist State Convention continued to grow during 1988 in both the audio visual and art/publications area of work. In addition, the Division maintained its on-going services in the area of public relations and media relations.

The Audio Visuals Department completed 48 programs during the year. The Department produces video tapes for distribution both through our AV Library and via the various departments/divisions of the state convention.

During the year, the AV Department duplicated over 16,000 audio tapes and two thousand video tapes. The AV Library booked 2,283 video tapes and 1,906 filmstrips for a total of 4,189 titles.

Art Services/Publications Department produced 391 separate jobs during the year. These publications included materials for evangelism, youth and campus ministries, stewardship, church programs, missions, Christian life and public affairs, the Brazil mission partnership as well as on-going publications such as the **Annual, Directory, Baptist Diary** and Baptist State Convention (Annual Session) materials.

The Print Shop, which provides printing services for General Board programs, recorded more than 3.8 million impressions during the year.

Bulk Mail Services, also a service for General Board programs, mailed out almost two million (1,930,589) pieces of materials during the year. The Bulk Mail Services area provides mailing services for each area and program of work.

Director of Missions

I want to congratulate all of you for that which you have done in the service of our Lord during the 1987-88 year. Most of us would probably say that whatever has been accomplished is far from what needs to be done. Be that as it may, let us be thankful and rejoice in the Lord over every soul that has come to know Jesus Christ as Saviour and for every child of God who has grown in faith and knowledge. Then perhaps we might set our goals higher this year and work and pray with determination that we might witness more and spend more time in seeking to grow in Christian knowledge and faith.

I have been with you such a short time during this year (10 weeks), that there is not a great deal to report. I have visited in 28 different churches and have spoken 14 times. I might add that it has truly been a blessing to have participated with so many of you in worship.

There are some things I would like to call your attention to. These are needs and or helps to our Cahristian ministry together.

I. I would like to see every church in our association making the commitment to pray for every other church and pastor by name every week. If divided among the church members this would not be a burden on anyone.

II. Training — A challenge to every pastor to devote time to helping people prepare themselves for service.

III. A Sao Paulo Fund — To encourage churches and or individuals to help make it possible for people, who are willing, to go and evangelize. Do you know that it would only take $21.55 from each church for one person to go. I hope we will send several.

Respectfully,
Womack (Mack) Keck

Supplementary Report

J. Clifton Dunevant — Former Director of Missions

When I was asked about writing a report for the early part of our past associational year since our new Director of Missions has been with us only about ten weeks, my thoughts turned to several causes for appreciation and hope.

First, is the association's adoption of the Long Range Planning Report and suggested goals. Surely this didn't please everyone in every detail; but you agreed to work together toward some goals — evaluating and adjusting as needed for greater service to God and spiritual growth for us as His children. I pray this will continue to be a source of challenge and a guide under the Holy Spirit's leadership. He must be Lord of our plans if we are to please Him. Also, you heard about the Sao Paulo Project last year and some of you are getting involved in this, — hopefully we can cooperatively, as an association join hands with other Baptists in this effort.

Secondly, The Bethlehem MarketPlace proved to be a challenging and rewarding experience last year. Our sincere appreciation is due to the commitment and dedication of many volunteers and for Mrs. Alda Miller's leadership and guidance — leading to a successful presentation and response. We hope you will respond to the challenge for **more** volunteers this year for preparation, presentation, and clean-up. Share the true message of Christmas in this impressive way.

A third cause for appreciation was the reception and love gift — honoring us for our twenty-eight years of service here in the Stanly Association. This will continue to be a blessed memory.

Fourth, thank you for the way you sought out and called our new Director of Missions and the preparation for and reception of Rev. and Mrs. Womack (Mack) Keck. I pray this is the beginning of a relationship of working together in serving the Lord under the leadership of the Holy Spirit. Pray for, love, encourage, inspire each other in the Spirit of the Lord and rejoice in His blessings.

Sunday School

"Gather The People"

This has been indeed a learning year for your Sunday School team. We went to Cary to the ASSIST Training Institute to help us understand our work. We were able to go to Key Leadership in May to help us have a more effective Sunday School. By the time this report is given we would have had our Sunday School Leadership Night.

Gather The People is the theme for the next Sunday School year. The book, "The People Challenge" helped us to see that we are to go, to tell, and to teach. It is our desire to enable you to do just that.

"Sunday School and Church Training curriculum must be planned, written and edited with a biblical base to help change the lives of people", said President Lloyd Elder.

For our convenience effective March 1, 1988, Southern Baptists can order virtually any product the Board produces or sells by calling 1-800-458-BSSB. This will help facilitate our orders.

In closing I would like to thank my team members, David Phelps and his wife, Lou, for their input and time that they put into helping us to get

off to a good year in Sunday School. My prayer is that you will continue in the work as you find a new Sunday School Director.

Submitted Prayerfully,
John Barnhardt

Church Training

Two of the highlights of the year in Church Training were the "M" Night Celebration at West Albemarle, and the children and youth Bible Drills. There seems to be a growing interest among our people about the Bible Drills. We have picked up several churches interested in these activities for the children and youth.

However, Church Training among adults is continuing to decline. Only one church has participated in the MasterLife course taught at the Association.

There is a broad selection of Equipping Centers and other Training materials available for use in the Media Center of the Associational Office.

North Carolina Baptist Men

On June 1, 1987, The General Board of the Baptist State Convention voted to accept the following proposal by the Brotherhood Department of the Baptist State Convention:

> The Brotherhood Department would merge with the N.C. Baptist Men's organization (this is different from the Baptist Men/RA's under the Brotherhood (which (NCBM) operates as an auxiliary (independent) of the N.C. Baptist State Convention structure. The Brotherhood Department would become known as N.C. Baptist Men and would adopt the policies and organizational structure of the N.C. Baptist Men, which is to say it operates much as the WMU now operates with one exception: The officers of N.C. Baptist Men would have to be approved by the N.C. Baptist State Convention. This new stance would include the Royal Ambassador organization, which will now operate under the N.C. Baptist Men in much the same way it formerly operated under the Brotherhood (which is now extinct) as an organizational entity in North Carolina).

The N.C. Baptist Men are organized with the following ministries:

Agricultural Missions
Homeland Projects Missions
Overseas Missions
Medical Missions
Disaster Relief Missions
Correctional Ministry Missions
Combatting Moral Problems Missions
Lay Renewal Missions
Lay Witness Revival Missions
Prayer Support Missions
Resort and Recreational Missions
Royal Ambassadors
Stewardship Promotion
(Two others to be added soon: Lawyers Fellowship and Mechanics Fellowship)

Each of these ministries have trained personnel that direct the mission thrusts.

The above structural change (Brotherhood merging with the N.C. Baptist Men) must be finally approved by the N.C. Baptist State Convention meeting this November in annual session.

YOUR LITERATURE will still use the "Brotherhood" name since this only applies to North Carolina. Until such time as the Brotherhood Commission in Memphis, Tenn. indicates, it will remain "Brotherhood" for the other states.

As your Brotherhood Director (and after June 1 as your Baptist Men's Director) I conducted two workshops in churches. Anyone interested in a workshop, may contact me at 463-5212 or 463-7430; I feel individual church workshops work best at this juncture in our progress in Men's work in our Association, so if you need help, call me, please. Also, anyone interested in working in the area of Baptist Men or boys work on the Associational level, contact the Baptist Men's Director, Doland Humphries at one of the above numbers. Our expansion is dependent upon your interest and commitment.

Music

Over the past year, we have been contacted to assist Stanly County churches with the planning of their church's music program, including preschool, children, youth, and adult. It has been a joy to get acquainted with many of the music directors of the Stanly Association. We want to continue to be available for helping area churches with their church music programs.

A children's Music Workshop was held at Memorial Baptist Church in Norwood for children's music leaders. Cathy Sinclair Hill, the daughter-in-law of Justin Hill, conducted the workshop. The workshop offered ideas for music leaders and suggestions for literature and activities to involve children in music. Her presentation of helping to lead children through music was excellent and those who attended received a blessing from this energetic and talented lady.

It was also a joy to plan the music for the Associational meetings and it is our prayer that you will receive a blessing from the music.

In His Service,

**There were weekly SOLID ROCK Meetings at Highland Baptist Friday's from 7-11 PM until Feb. 12th; the meetings were every other week thereafter.

This Year, Thus Far — This year was very difficult for me because of the wonderful new addition to my life. I was not nearly able to attend or support the activities that I would like to have supported. I have of course adjusted my priorities and am hoping that the coming youth programs will be an encouragement to youth groups and leaders in our county. I welcome all your suggestions on how to improve the Baptist Youth Ministry in Stanly County. God bless you as you serve Him!

Christian Life and Action

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING — We have always had those who support a state-wide lottery and pari-mutuel gambling. It is only in recent months that you have major candidates for state-wide office in N.C. that embrace such proposals.

In the 1987-88 session of the N.C. General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

DRUNK DRIVING — Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles. This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more, passed the House but got bypassed in the Senate.

ABORTION — The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass

such legislation in N.C. have been met with legislative "foot-dragging." A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

TOPLESS DANCERS — There is one piece of legislation that got "derailed" that is unbelievable. Since liquor-by-the-drink has been enacted in N.C., we have some bars and taverns near military installations that have been employing **minor** girls as topless dancers. Legislation to correct this practice "sailed" through the House but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

The cause of applied Christianity calls for our vigilance and commitment.

Volunteerism

We are all aware that missions is not done just because we want to do something. When the Lord gave us the Great Commission He made it mandatory.

In the Stanly Baptist Association we have had several projects that were new to us, but that were used to sow seeds for Christ.

The first Bethlehem MarketPlace, the 15-minute out-door-drama, we did last December was one of the greatest things I have ever been involved with. There were 157 people who thought the same thing after working in it. Over a thousand people walked through the streets of Bethlehem. Plans are now being made to have it again this year, with expanded hours.

The Lake Ministry on Lake Tillery was held June 26th through the Labor Day weekend, September 4th. Each Sunday morning Justin Hill was there to make sure the sound system was in order and to play music to get the attention of those in area. Gene Boger went down on Saturdays to talk with the people and set up the pier with flags and signs. Each Sunday morning at 10:00, a different speaker was there to bring the Word of God to those who were anchored out on the Lake in their boats. There was an average of 5 boats with an average of 24 people attending. It is hoped this can be repeated next summer, with possibly more piers being involved.

In May, Mary Snider, a member of North Albemarle Church, and a Christian Service Corps Volunteer went to Oklahoma City to serve in a Baptist Mission Center. She spent two weeks there helping where she was needed, doing what she could to give physical comfort before leading them to hear about our Lord.

Fourteen youth and five adults from Mission Baptist Church went to Massachusetts in July. They shared in the worship services of the church, led Backyard Bible Clubs, and conducted "Youth Quake" with the youth sharing testimonies and music.

Gary Hunsucker, pastor at Canton Baptist Church served as a Christian Service Corps Volunteer and went to Alaska. He was involved in preaching, Bible studies, witnessing, surveying, assisting the local missionary and the Director of Missions in planning mission strategy, and working as counselor for teenagers in a camp. Gary says he left part of his heart there with the people, and hopes to return again next year.

In September, Danny Alsup, pastor at Richfield, went to Sao Paulo, Brazil, where he served as part of the Partnership Evangelism Project.

This was a trip that will long be remembered. If you would like to have some of the same experiences he had, talk with him or with Gene Boger, who is the Coordinator of the Project.

How about you — where will you serve?

Foreign Missions

God drew no boundaries on His world. That's why His Son taught us to pray:

"Thy kingdom come. Thy will be done in
earth as it is in heaven."

In the Philippines in 1987 there were more than 10,000 baptisms. This is the seventh year in a row this has happened.

One baptism per 10.5 members for a record 203,824 baptisms in Southern Baptist related churches overseas.

There have been close to 3 churches started per day — 1,070 for the year — for a total of 17,769 churches.

3,839 Southern Baptist missionaries are working in some 112 countries, and with 7,618 volunteers going overseas to reinforce the work.

Almost $8 million was sent to 44 countries for hunger and disaster relief in 1987.

In countries where Southern Baptist missionaries work there are 26,072 students in theological training — from seminaries to extension programs.

Southern Baptist missionaries work with 32 mission countries who are supporting some 179 missionaries and close to 750 home missionaries of their own.

Contributions in 1987 totaled $161,772,000 with $69,737,000 coming from the Lottie Moon Christmas Offerings.

"Personal prayer. Congregational prayer. Concerted prayer. The first chapter of Acts records Jesus' command to those first disciples to go to all the world. The first thing they did was gather to pray. Then Pentecost burst forth in languages from all over the world. Missions was born in prayer." — R. Keith Parks, President SBC Foreign Mission Board.

Home Missions

(A Southern Baptist Convention Agency supported by the Cooperative Program and the Annie Armstrong Easter Offering)

According to a research by the Home Mission Board, over 100 million people right here in America are unsaved. Larry Lewis, President of the Board, feels that God's plan for winning these unsaved Americans is to sow fields with Bible-believing, soul-winning, ministering churches.

Some highlights of HMB's accomplishments last year are:

1. Placed 469 church starters and gave financial support to 1764 congregations.
2. Appointed 270 missionaries and 402 mission pastors, bringing total number of Home missionaries to 3746.

3. 431 missions, Bible studies and Sunday Schools created among various language groups.
4. 300 new volunteers were assigned to Missions Service Corps.
5. 33,380 Southern Baptists were assigned for short-term volunteer missions projects.
6. Endorsed chaplains and pastoral counselors increased to 1903 — an all-time high.
7. Church loans totalling $20 million helped 302 churches provide places in which 26,000 people worship.
8. Helped meet the needs of 889 black churches.
9. A new Customer Service Center, open 8-6:30 p.m., Monday through Friday, was created. Materials may be ordered by calling the toll-free number 1-800-634-BHMB.
10. The HMB Intercessory Prayerline shared home missions prayer requests with 37,780 callers. More than 19,000 individuals participated in Prayer for Spiritual Awakening seminars. Individuals who completed the seminar and committed themselves to pray each day increased from 36,582 to more than 40,000.

It is interesting to note that North Carolina ranks **second** in the nation (Texas ranks first) in gifts to Annie Armstrong Offering, and **fifth** in the nation in Cooperative Program giving.

From reports, our problem isn't finding people who need to hear about Christ — the problem is finding those willing to witness to their faith and who are sensitive to the opportunities around them. By 1990, the Sunday School Board and Home Mission Board hope to train one million church leaders in personal witnessing.

Let's move forward this next year with increased GIVING, PRAYING and WITNESSING, so that the 100 million unsaved in America can be won for the Lord.

State Missions

State Missions work is one of the most important works carried out by the Southern Baptist and State Baptist Conventions. In the words of Jesus, "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth." Jesus taught that missions work must begin at home. We must seek to win "Jerusalem" first. This is the task of State Missions.

Working through men and women like you, our State Missions are carried out to many people in the Military, to those serving as Bi-Vocational Pastors, to those ministering to the blind, to missions in the large cities of the state, to hospitals, to resort areas, and many more.

The State Missions Offering goal for 1988 is $1.6 million. It will be allocated as follows:

38%	$608,000	Missions Ministries
15%	204,000	Caswell Capital Funds
11.4%	182,000	Christian Higher Education
10.5%	160,800	W.M.U. Heck Jones
9.5%	152,000	Association Projects
7.475%	119,600	N.C. Baptist Men
6.7%	107,200	Caswell Renovations

1.875% ..... 30,000 ..... Christian Action League

Let us all continue to pray and give as we seek to win North Carolina to Christ, but most of all let us become witnesses also.

Missions Development Report

Ongoing ministries of the Association are the Sunday prison services by churches taking responsibility for a month, and the Sunday School lessons on Saturdays at the Baptist Home. The Baptist Men oversee these ministries.

The WMU sponsored the Bethlehem MarketPlace in December which was attended by 1,061 people.

Gene Boger and Alda Miller spearheaded the beginning of a lake ministry for boaters on Lake Tillery at Point Randall. Twelve services were scheduled and only the Labor Day Sunday service had to be cancelled due to threatening weather. Largest attendance was 9 boats with 45 people. The smallest was one boat and six people. A jambox was purchased to provide music on cassettes and amplification for the speakers.

The Missions Development Council recommended to the Executive Committee in September that $2,000 from mission funds returned to us by the State Convention be given to Stanly County Habitat for Humanity. This would be used to help move two houses to the building site in Albemarle.

The Council also recommended that the Mount Calvary Church, which has been under the watchcare of the Association since last October, be admitted to the Association.

The Council would like to receive reports from churches which are involved in any special mission projects in their community.

REV. A. GLENN WATTS

Dedication of Minutes

In Memory of
Rev. A. Glenn Watts

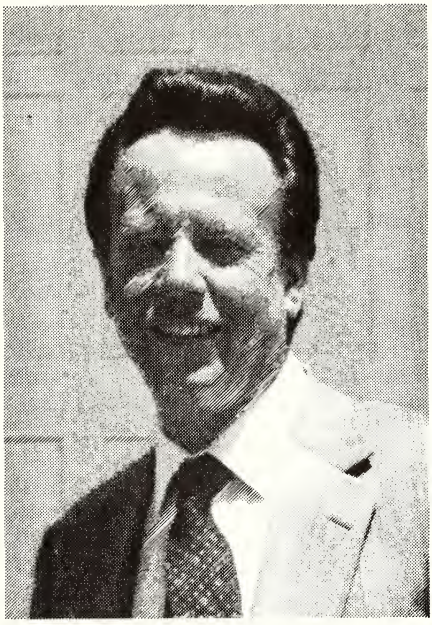
Rev. Asa Glenn Watts was born September 13, 1921 in Taylorsville, N.C., and was educated in Alexander County Schools. He served with the U.S. Army's Occupational Forces in Japan following World War II.

Rev. Watts earned diplomas from the Seminary Extension Department, Seminaries of the Southern Baptist Convention. He was licensed to preach by White Hill Baptist Church, Kannapolis, in 1958, and was ordained in 1961 by Glorietta Baptist Church, Concord, N.C., his first pastorate.

He later served as pastor of West Oakboro Baptist Church, Stanly County, Westside Baptist Church, Red Springs, Robeson County, and until ill health forced his retirement in June, 1989, was pastor of Bethlehem Baptist Church, Norwood, Stanly County.

Under his leadership the congregation at Bethlehem built a new sanctuary and retired the debt.

Rev. Watts died October 12, 1989 at Cabarrus Memorial Hospital, Concord, after nineteen months of declining health.



REV. MICHAEL FREEMAN

BADIN BAPTIST CHURCH

History of Badin Baptist Church

Ebenezer Meeting House (1836)
Badin Baptist Church (1988)

It would be very difficult to imagine what it was like when seventeen Baptists, including one slave, constituted the Ebenezer Baptist Church on April 17, 1836. The church known today as the Badin Baptist Church.

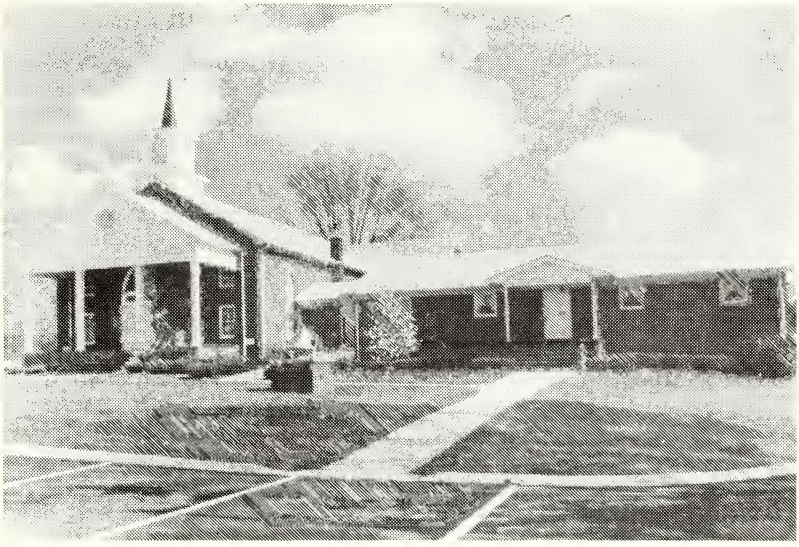
There was no Badin, Albemarle, or Stanly County. Stanly County was created five years later by the North Carolina General Assembly, using the Yadkin River as a natural boundary line. The area was described as accessible isolation of rolling hills near the Uwharrie Mountain Range in the south central portion of the State of North Carolina. The community of Badin, Badin Lake, and the Alcoa Plant area, was all forest or farm land.

Electric lights, automobiles, airplanes and the railroad had not yet come into existence. If you didn't have a mule or a horse, you would walk to church. Members absenting themselves as often as three times would be invited and failing would be cited and dealt with.

Ebenezer Baptist Church founders included: Laban Carter, Suzanna Carter, Michael Fesperman, Elizabeth Ingram, Cynthia Ingram, Mark Jones, Alexander Kirk, Louisa Kirk, William Palmer, Frances Randall, John Smith, Lavina Smith, Wiley Safely, Lucy Safely, William Solomon, Nancy Tolbert and slave Amy Ingram.

The Sandy Creek Baptist Church constituted the Little River Baptist Church in 1760 (Montgomery Association); the Little River Baptist Church constituted the Rocky River Baptist Church in 1776 (Sandy Creek Association); the Rocky River Baptist Church constituted the Kendalls Baptist Church in 1830 (Stanly Association); and the Kendalls Baptist Church constituted the Ebenezer Baptist Church in 1836 (Badin). The Badin Baptist Church has in its ancestry the great Baptist leader, the Reverend Shubal Stearns.

The name was changed from Ebenezer Baptist Church to Badin Baptist Church on October 27, 1929. Badin Baptist Church history continues to be written with a sincere desire to honor God in every way.



COTTONVILLE BAPTIST CHURCH

History of Cottonville Baptist Church

In October of 1889, seventeen men and women met in a log cabin school house. The purpose of this meeting was to organize a Missionary Baptist Church. After much deliberation it was unanimously agreed that the time had come to organize a church at this place for the good of the community.

In the same year of organization, 1889, the Cottonville Baptist Church joined the Stanly Baptist Assocation.

In 1890, at the July conference of Cottonville Baptist Church the church decided to build a new church at the Village of Cottonville.

In 1908 they sold the first church and built another. This church is the same one we have today, except for some improvements and remodeling that has been done over the years.

Cottonville stands as a testimony to those of the past and the present that we can do all things through Jesus Christ our Lord. It continues to grow and fill its rightful place in the community and the world because of the dedication of its faithful members in carrying out the Great Commission of Jesus Christ.

On August 8, 1989 our pastor, Rev. Michael Freeman, had a car/train collision. At this writing he is still in Charlotte Memorial Hospital and still unconscious.

On August 13, 1989, Cottonville Baptist Church called Wyman Bolin as interim pastor.

The Preamble and the Constitution of The Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Nothing in this constitution shall permit the association to infringe upon the sovereignty of the rights of affiliated churches. Yet in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

Constitution of the Stanly Baptist Association

Article I. This body shall be known as the Stanly Baptist Association.

Article II. The association's membership shall consist of messengers only who are members of the affiliated churches comprised of all of the following:

1. Officers of the association.

2. Elected messengers. Each church shall be allowed three messengers for the first 200 members or fraction thereof and one for each additional 50 members.

3. Pastors of the affiliated churches.

Article III. The association shall hold a regular annual session on Tuesday and Wednesday after the **fourth** Sunday in October for reports, discussion and business matters.

A Spring Session and/or called sessions may be held, with (30) thirty days notice, if the Executive Committee so determines.

The New Testament shall be accepted as the sole guide in matters of doctrine and practice; using "THE BAPTIST FAITH AND MESSAGE," a message adopted by the Southern Baptist Convention May 9, 1963 — pp. 7-19, as a guide for interpretation, but not intended to be used as a creed. Fellowship with a church within the association shall be extended or withdrawn by a ⅔ vote of the messengers in the fall session. Notice of a vote for extension or withdrawal of affiliation shall be given to the church being considered by the Executive Committee at least three months prior to the meeting of the fall session of the association. Baptist churches shall be received into the fellowship only by the association in annual session, after having been under the watchcare of the association for at least one full year.

Section 1. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Development Council for its study and investigation of the petitioning church's covenant, articles of faith, location, history, practices, cooperative spirit, its relations to other churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The Missions Development Council shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at or before the September meeting of the Executive Committee, its findings and recommendations for Associational action at the next annual meeting.

B. That the recommended Church shall send non-voting representatives to attend the Executive Committee Meetings of the Association.

D. That the recommended Church submit to the Missions Development Council and/or the STANLY BAPTIST ASSOCIATION the following reports:

1. A report of enrollment and attendance quarterly.
2. A report of monetary receipts and disbursements quarterly.
3. A report of ownership and property and real estate annually.

Article V. It shall be his duty to appoint a Committee on Committees and Constitution Committee for the association within ten days after being elected at the annual session. No moderator shall serve for more than two consecutive sessions. No moderator having served two consecutive sessions shall be eligible to re-election until after the lapse of one year.

Section 2. It shall be the duty of the vice-moderator to discharge the duties of the moderator in his absence, to serve as an associate in his presence. Should the office of moderator become vacant, the vice-moderator shall immediately accede to this office. Section 5. The director of music shall be in charge of the music program of the association. He shall be a member of the Program Committee.

Article VI. The association shall have three trustees. Their term of office shall be for three years with one member rotating off each year. 9. The hymn, "Standing on the Promises" was sung.
10. Report on the enrollment: 148 Messengers — 22 Visitors — 31 Pastors — Total 211.

    Mr. Taylor encouraged prayer for the "Here's Hope — Jesus Cares For You." simultaneous revival to be held April 1-8, 1990. Plans are being made for a Rally March 5, 1990. Rev. Bill Mackey, Evangelism Director for the South Carolina State Convention will speak, and the Sites Sisters will sing. A letter is to go out on the Jay Strack Crusade.
14. Nathan Fox, pastor at Memorial Church, and Prayer Chairman for the "Here's Hope" revival encouraged participation in the revival. In 1986

there were 143,000 professions of faith with 103,000 baptisms. The goal for 1990 is 175,000 professions.

There will be an associational prayer retreat in January.

23. Miss Shanna Turner sang, "Amazing Grace" and "How Excellent is Thy Name".
24. The Moderator's Address was brought by James Tucker, pastor of Grace Church. Using Scripture from Matthew 16:24, Luke 14:26, John 8:31, and John 15:8, he centered on Jesus — and the difference He makes in our lives. The cross — crucifixion — is the heart of the Bible — this is what gives us life.

26. Supper.
27. "Rejoice" presented special music.
28. Edward Lowder, alternate preacher, read Scripture — Philippians 2.
29. Larry Linker, pastor of Big Lick Church presented the Annual Sermon. He dedicated his sermon to the memory of his friend, the Reverend

Glenn Watts. Using Ephesians 3:7-11, he related problems ministers have. There is a difference in the work God has called each person to do. No man enters the ministry of his own choice — he needs a deep conviction that God has called. Three things the minister needs to be aware of:
The person: be a good example, honest, truthful, and of good character.
The congregation: It is not a church until there are people — you should know your people.
The sermon: Jesus preached to all ages — preach from the Word of God — preach either sin or the love of God. The Grace of God is greater than all else.

30. Miss Amy Yandle sang, "Tomorrow".
"Rejoice" sang, "Come Before the Lord", and "At Midnight I Will be Going Home".
31. Mike O'Dell introduced Rev. Larry McElreath, missionary associate serving in the Evangelism Division for the N.C. Baptist State Convention in Cary, N.C.
32. Rev. Larry McElreath used Scripture, Acts 1:8 — receiving the power.
Luke 2:49 — He was about His Father's business.
Romans 16:16 — The Holy Kiss.
God is still in the same place — we are the ones who have moved.
The Gospel says "Go" — we must go out and reach the lost for Christ.
There is hurting all around us, but there is Hope in Jesus Christ. When sin is removed, baptisms are up. There are 167 million lost Americans and it is increasing every day.
33. James Hartsell, pastor of Plyler Church, led the benediction.
Attendance: Messengers, 164 visitors, 26 pastors, 36 total 226

Second Day

COTTONVILLE BAPTIST CHURCH

Wyman Bolin gave an up-date on Mike Freeman: he will have surgery this morning at 10:00. We will stop whatever we are doing at that time to have prayer for him.
Prayer is asked for the victims of the earthquake in California.

New pastors into the Association were recognized: Tony Bradley, Barbee's Grove; Terry Seamon, Stanfield, First; Toney Parsons, South Stanly; and Mark King, Oakboro, First.

39. Charles Broome made a motion that the Place and Preacher report in the Book of Reports be accepted. This was seconded and approved.

40. Miscellaneous Business:

Vicky King, chairman of the study on staff needs, gave a report of where we are in regards to the extended hours of the secretary. The motion has been made from the committee to increase hours: 9:00 AM to 4:00 PM, and was approved.

(3) Larry Linker presented the proposed constitution changes. Motion was made and seconded.
An amendment to Article IV was proposed, motion was made and seconded — was defeated.

An amendment was proposed to Article XIII, section 2. This was seconded, and after much discussion, the amendment was defeated.

After extended time was given 4 times, a vote was taken on the changes as proposed. This was then approved.

(4) Motion was made for Womack Keck to keep a record of expenses for his wife, Janice, and be reimbursed when attending the Baptist State Convention. This is not to exceed what is in the budget for Conventions. This was seconded and approved.

(5) Because of the vote to change the Annual Session from the 3rd week to the 4th, the dates for 1990 will be October 30 and 31.

41. Chairman of the Nominating Committee, Gary Hunsucker, made a motion to accept the nominating committee report as written. This was seconded and approved.

42. Charles Broome made a motion to adopt the report on the General Board. This was seconded and approved.

43. The Associational Hymn was sung by the messengers and visitors.

44. Mike Taylor introduced the speaker, Dennis Blackmon, who has served as missionary to Brazil — now serving as Director of Missions in the Piedmont Association.

45. Dr. Blackmon, reading from Acts 13:1 said there were 3 things a church needed to be doing to have Spirt-let churches. (1) praise God, (2) be unhurried in the presence of God, (3) know and hear the voice of God's Holy Spirit. Just as the church in Antioch sent out missionaries, so we must send out missionaries from our churches. Missionaries should be God-called, not self-called. A God-called man will only be happy if he is where God wants him. We must carry out the whole commission. We need to be about the task of Bold Missions.

46. Nathan Fox presented a "Here's Hope" challenge. He reminded us of the Daniel Prayer Team effort for the "Here's Hope" revival.

47. Director of Missions, Womack Keck, made a motion to accept the report as printed in the Book of Reports. This was seconded and approved. David Vassar, a volunteer with the Red Cross has asked we be made aware of the extra need because of Hugo. The local chapters are asked to give $3,106 over the normal amount to the national Red Cross. There are brochures available.

We have heard from Clarence Vassar, Director of Missions in Union Association, as he leads the partnership with Sao Paulo, Brazil. Two trips have been proposed for our Association — May 3rd and May 17th. If it is not possible for you to go, possibly you can help send someone. The trip will possibly cost $1,400.

We might want to think about starting a Volunteer Fund for those who would like to go on a mission trip — foreign or home missions.

Concerning work in the Association for the past year, the statistics show growth in almost every area. Especially noteworthy was the 20% increase in baptisms over last year.

48. Claud Dick read Scripture: Romans 4:1-8 and Matthew 14:13-14.
49. Mike O'Dell, pastor of North Albemarle Church, brought the message: We need vision — direction. Those who know the Hope are those who have it in their heart — and they share it. God has compassion for us. We glory in God for the Hope we have. Jesus is full of compassion. Compassion is more than sympathy, compassion acts! There is no compassion if we do not feel it in our heart. Jesus calls us to sacrifical service. We glory in the Hope (Jesus Christ) sent from God. While we were yet sinners, Jesus died for us. We have everything we need, but have we seen the vision? We need to see, feel, and act on the Hope.
50. Wyman Bolin gave announcements and thanksgiving.
51. Lunch.
52. The last session opened with special music by Kolis Moore.
53. The hymn, "I Am Thine, O Lord" was sung.
54. Doyle Holder, pastor of Bethel Church, played guitar and sang, "I've Got To Tell Someone".

Evangelism

On October 31 and November 1 we held a Lay Evangelism School at the Associational Center. Dr. Ronny Russell and Mr. Gary Poplin conducted this school. We had six in attendance.

In April we held our Evangelism Rally at Pleasant Grove Baptist Church. Dr. Mark Corts was the guest speaker. Koni Huneycutt and Kolis Moore, along with their father, Mr. Hoyle Whitley, provided the special music. At the present time we are making preparations for Here's Hope Jesus Cares For You 1990 Simultaneous Revivals. Our steering committee has been working very hard on this. The days for our association are April 1-8, 1990. I hope all of our churches will make plans to participate. We are also seeking information on having a Jay Strack crusade in the fall of 1990. We pray that if it is the Lord's will this can be worked out.

As you can see from this report it has been a very busy year for evangelism.

My prayer again this year is that we will dedicate ourselves to reach lost souls for Jesus Christ. "The harvest truly is plenteous, but the laborers are few."

Respectfully submitted,
H. Michael Taylor

Stewardship

What should be our top priority in missions as a Southern Missionary Baptist Church? MISSIONS! Missions should be our primary concern to present Christ to a lost world and provide leadership to disciple those who are won to Christ. The manner in which we accomplish this task is through faithful Christian stewardship in giving.

This year all support provided by the churches in the Stanly Baptist Association amounted to 92.33% of the association's annual budget for 1989. Hopefully this will lead us to see the need to increase our giving to local missions through the Stanly Baptist Association.

The Stewardship Committee, with the assistance of the Director of Missions and the Association Treasurer spent a considerable amount of time in planning and proposing the budget for 1990. In the meetings we were made aware of the pressing need for all churches in the Stanly Baptist Association to become actively involved in local missions. We were appreciative for all the support given, realizing that several of our

churches have given substantially toward the ministries through the association. At the same time we were saddened that many of our churches were giving very little and some churches were not supporting the association financially at all. Hopefully every church will become concerned about this matter and make it as a matter of prayer that all of our churches will become truly Missionary Baptist and begin a strong financial program toward missions here in Stanly County through the Stanly Baptist Association.

The Stewardship Committee's challenge to all our churches is to strive to support associational missions with a minimum of 3% of your annual budget. For those churches who have been the life line and giving more than 3%, please keep on supporting your association with your prayers and your gifts. There is every indication that the Stanly Baptist Association is ready to move forward and implement the Long Range Plans adopted by our association. In order to fulfill our dreams and plans we need to exercise good stewardship.

Strong mission work in the Stanly Baptist Association will help our association reach into all the world with the Good News of God's love through Jesus Christ.

Stewardship Committee

North Carolina Baptist College Report — 1989

Campbell	Chowan	Gardner-Webb	Mars Hill
1887	1848	1905	1856

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is **807**! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student

aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

North Carolina Baptist Foundation

The North Carolina Baptist Foundation undergirds the financial support for the convention, its churches, institutions, and mission causes. The Foundation recommitted itself to greater service to these causes this year and carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administration offices. The new office building will be located beside the Baptist Building in Cary.

"Strengthening for Greater Service" has had special meaning for the trust agency of the Convention during this past year. The Foundation's consistent rapid growth in assets managed and services provided, brought about this need for new construction, but didn't lessen its responsibilities. The need for increased financial support for Baptist institutions, missions, and other ministries, has remained the Foundations' first priority.

Total assets of the Foundation is now approaching $17,000,000, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history.

Christian Literature

Christians today must be grounded in God's Word. We have a challenge set before us to teach His Word to the uttermost parts of the world. God has blessed us with the mind and the ability to read and understand. Let us use these abilities to do our share in spreading His Word.

Many books are available today to aid us in our studies of God's Word. There are many resources we can use to distribute the truths of God and the Baptist ministry. One of these resources is the "Biblical Recorder". For more than 150 years this Baptist paper in North Carolina has continued to call for a greater commitment to the Lord through spreading His Gospel. The Recorder is now launching a new era of service and ministry for the '90's and the 21st century.

May God help us to accept the challenge to "go ye therefore and teach all nations". Let us be found spreading His Word to a lost and dying world.

The Annuity Board

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord". The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years. Goals set by the Annuity Board trustees for 1989 include:

Developing a long term care plan suitable to Southern Baptist ministers and their families;

Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan;

Providing more choices for ministers seeking to meet the needs for family insurance protection;

Continuing to work hard to control health care costs;

Developing materials on financial planning;

Continuing to make churches and ministers aware of retirement and insurance plans.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling $67,775, and 409 monthly relief grants and 180 monthly expense grants, receiving a total of $142,914. The AB assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection — both for the church and the minister.

But there is still so much to be done! Consider these facts:

Only 64% of our churches are participating in our retirement plans — even after all these years of opportunity.

Of this 64%, many do not actually make contributions. The minister does this on his own.

Small contributions make the annuitant's benefits small:

In North Carolina
184 receive less than $50
493 receive less than $100
1006 receive less than $200
1287 receive less than $300

Suffice it is to say that there is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Let's keep up the good work.

Baptist Hospital

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system. The Comm-View Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries. Added to these are our "Pastors' sabbath" and "Interim Church" programs, as we work closely with the N.C. Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through the Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

Baptist Children's Homes of North Carolina Inc.

Baptist Children's Homes is very much aware of the problems that plague America's children and families.

While maintaining group care services since 1885, Baptist Children's Homes also inaugurated two additional services in Care House; a home for teen-age mothers and their babies, and the Philpott Parent Aide Program.

Care House is where five teen-age mothers will learn to parent their babies. This was dedicated on June 4th during services at Lenoir's Lower Creek Baptist Church. The second behavior change home, The Marguerite Noel Home for Girls, was also dedicated on that date.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21st Baptist Children's Homes dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

All campuses and facilities welcome involvement by local churches, RA's, GA's, WMU's, and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Baptist Retirement Homes

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this State.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

* To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.
* To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).
* To work with churches and associations in the development of

alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

General Board

The General Board of the Baptist State Convention of North Carolina is the "Convention Between Annual Meetings of the Convention". The Board has the power to act for the Convention in all matters except those specifically limited by the Convention's Constitution.

General Board members "hold in trust" the affairs of the Convention and are charged with the management responsibility for the Convention.

The General Board met three times in 1989: January 24 and 25 at Caraway; May 23 and 24 at Meredith College; September 26 and 27 at Caswell Conference Center where the Fred and Eudelle Smith Conference Center was dedicated.

At these meetings, reports are given and discussed. Requests from different agencies and churches of the Convention that have been carefully and prayerfully studied and acted upon by the Executive committee of the General Board are submitted for the consideration and action of the General Board. Some become lengthy and are not cut and dried, but are done in a spirit of Christ-likeness in the interest of the Convention and its churches.

The Communications Committee, of which I am a part, has a meeting in which members speak openly and freely. A tour is given by Bill Boatright, Director of the communication facilities of the Baptist Building, Cary, N.C. It is one of the best in the Southern Baptist Convention.

The Lord's business is the most serious business in the world and we must never forget the chief ministry of the church — the salvation of the lost. We must not forget this. Where are we failing as churches and individual Christians?

Let us pray and work together for the revival success of "Here's Hope, Jesus Cares for You", our 1990 simultaneous revival experience.

Charles F. Broome

Director of Missions

The church year of 1988-89 has been perhaps the most interesting year of my entire ministry. I've had good years and interesting years throughout my years of serving God but this has been different and so filled with blessings. I've been into all fifty-eight churches in our association during some type of service. All visits have not been during morning worship times. Some have been during a scheduled evening service or

revival service. My wife, Janice, has been in all but one. She was not able to attend one week night service with me because her work demanded she be away that evening.

It has been so interesting this year because of the great variety of opportunities of worship and service. I have been blessed tremendously as I have fellowshipped and worshipped with so many different Christians in so many different locations. My desire is to visit with each church in their morning worship service as soon as I am free to do so. I have been encouraged in being with you and listening to people telling of their love for God and their desire to see others come to know Him.

As you know, April 1-8 of 1990 is a date many churches have set as a time to join with others in seeking to bring people to know Christ as Savior. The 1990 Simultaneous Revival Emphasis is entitled, "Here's Hope, Jesus Cares For You." I hope your church has decided to participate in "Here's Hope". Much prayer is and will be directed towards efforts taking place during that particular week. If you just can't possibly plan that week try to get as close as possible to the date and let's all join together in praying that God will do a mighty work in Stanly County and throughout the convention during this special emphasis on reaching the lost.

Those who might be interested in activities of the Director of Missions during the past year will find a partial account in the following:

Spoke 98 times
Attended 203 Prayer and Worship Services
Had part in 3 special services
Attended 80 other committee meetings and conferences in association
Attended: N.C. State Baptist Convention
N.C. State Baptist Evangelism Conference
National DOM Conference — Ridgecrest — 1 week
State DOM Conference — Wingate — 1 week
Regional DOM Conference — Thomasville — Children's Home
Regional DOM Conference — Stanly Baptist Association
Regional Evangelism Conference — Caraway
State DOM Conference and Dinner — Fayetteville
Lay Evangelism School Pastor Certification — Stanly Baptist Association
Partnership Evangelism — Sao Paulo, Brazil — 12 days
Chaplain — Stanly Memorial Hospital — 2 weeks

There were numerous other visits or conferences with individuals, a number of hospital visits and general administrative office duties. It has been a busy year, but one of many blessings as I stated earlier.

Sao Paulo Report

The partnership between our Convention and Sao Paulo, Brazil began in 1988. This partnership is to last for five years, through 1992. Two goals have been adopted: (1) To expand the Baptist work in the **urban centers in the interior of the state of Sao Paulo** (2) To expand the Baptist work in the **Greater Sao Paulo area.** Our method for accomplishing this is to send

as many volunteers as possible to witness, preach, train, and even help in construction work so that 1000 new churches can be started during this five year period. The idea is that witnessing be done in neighborhoods where preaching points have been established and to preach at these preaching points at night. Hopefully enough will be won to Christ and drawn to these preaching points in order that they develop into churches.

We had a group of eight to go in May, led by Womack Keck, Director of Missions. Others in this group were Rev. Mike O'Dell and Mrs. Jane Boger of North Albemarle Church, Rev. Edward Lowder of Prospect Church, Rev. Ronald Vaughn of Centerview Church, Rev. Flake Mason and Mr. Gary Poplin of Porter Church, and Mrs. Gwendolyn Thacker of Mt. Harmony Church in the Beulah Association. We had three teams in Limerira and one team in Americana. All teams agreed as to the tremendous blessing received through this effort. Through preaching at the churches, preaching points and schools and daily home witnessing, the teams reported 435 professions of faith.

Womack Keck

Volunteerism

A volunteer is someone who is open to the call from God to serve. It may be right here where you live, or it could be in a place you have never heard of. Being receptive to the Will of God can lead to great experiences.

There are opportunities everywhere. The young people in our churches are responding. Acteens from Porter Church led a Backyard Bible Club at Twin Harbor Campground for the second year. A total of 32 children were enrolled. Frank Ingram, pastor at Calvary Church, has served as chaplain at this campground for the past 6 years, and he encouraged the young people as they, with their leader, Carol Hopkins, worked with the children there.

Seven youth and two adult leaders from Mission Baptist Church held Backyard Bible Club at the Ridgecrest Mobile Park in Albemarle. 14 children were enrolled. The youth from Anderson Grove have surveyed a part of the Lake Tillery area. The results of this survey will help in establishing another area for the Boaters Worship Service next year. The ministry was held for the second year at the Ted Russell pier on Lake Tillery. Beginning Sunday, June 11th, services were held each Sunday morning at 10:00 through the Labor Day Sunday. This year we tried services at a second location,but did not get the needed response. We appreciate all the volunteer speakers who were willing to miss Sunday School in their own church to spread the Word of God at the Lake.

The Bethlehem MarketPlace was held for the second year — response was good, considering how cold it was at that time. There were about 200 volunteers working that over 700 people could go through the 15-minute outdoor drama and feel the presence of the Lord as they viewed what might have happened the morning after the birth of Christ.

Three ladies from North Albemarle Church are members of the Christian Service Corps Program. Mary Snider went to Southfield, Michigan, where she worked in the office of the Michigan Baptist State Convention. Sylvia Hinson and Margaret Hollifield helped at the Women's Crisis

Center in Atlanta, Georgia. Opportunities were varied — from office work to counseling and witnessing.

Gary Hunsucker, pastor at Canton Church, his wife, Gloria, and Sid and Marsha Martin from First Baptist Church, Locust, went to Soldotna, Alaska. There they worked with the missionary, Fred Parnell, going out to the villages to witness and teach about the love of Jesus Christ.

A group of 18 young people and 6 adults were privileged to work in Beckley, West Virginia with Rev. Lawrence Stewart, who is trying to open missions in that area. He is pastor of the Southern Baptist Church in Grandview. Backyard Bible Clubs were held as they reached out to 77 children. The young people also participated in the Worship Service on Sunday morning, as their pastor, Wiley Rutledge preached.

We are proud of the volunteers who went to Sao Paulo. You will find a report on page 23 with more detail about this most gratifying experience for the seven from the Stanly Association who were involved.

Are you a volunteer? Are you open to the will of God? Will you say "yes" to the opportunity to serve?

Alda Miller

Sunday School

The overall theme of the Sunday School for 1985-90 has been "CHALLENGE 10/90", which is simply our desire to see 10 million people enrolled in our Sunday Schools across our convention by the year 1990. We have just one more year to see that goal become a reality.

Last year our yearly emphasis was "GATHER THE PEOPLE" based on Deuteronomy 31:12. Our Sunday Schools of Stanly Baptist Association need to follow this timely advice from God's Word. The activities and training of the ASSISTeam last year, hopefully, was a help to many of our churches to "GATHER THE PEOPLE" of their communities for Bible study. The team was involved in leading our Annual Vacation Bible School Clinic, see the VBS Report, and conducted a "People Search and Scripture Distribution" training conference in connection with the "HERE'S HOPE, JESUS CARES FOR YOU" Revivals of April 1990. Two of our churches requested individual help from the ASSISTeam in helping their church reach and teach more people. For all of these opportunities we are grateful, yet much more needs to be done to turn the tide of Sunday School decline.

Next year, the final year of "CHALLENGE 10/90", the Sunday School theme will be "HERE'S HOPE . . . REACH 10". This theme is in connection with the Here's Hope Revivals of 1990. Your ASSISTeam has a number of activities planned to aid you in reaching your goals for your Sunday School. Also there are individual conferences planned for a number of our churches. Your ASSISTeam is not only praying that you will reach more people but it is actively seeking ways to help you reach and teach people for Christ. When we can be of help to you do not hesitate to call on them.

Christian Life and Action

When the 1989 session of the General Assembly of North Carolina convened on January 11th, the first bills to be introduced were 3 lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last 6 years. However, the pressure for establishing a state-wide lottery was stronger this time due to two factors: 1. Virginia has started a lottery, and 2. Revenues were very tight, and some legislators were looking for some "easy" money to grant state employees and school teachers a pay raise.

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal. The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990. This gives 6 months to solicit opposition to the measure from the membership of the N.C. House. Contact your N.C. House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A lot of prayer, time, and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen in-put on ways to make our highways safer. As a result, a Safe Roads Study proposal was introduced that consisted of the following features: 1. lower the breathalyzer threshold from .10 to .08 for drivers of motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in May 1990 session.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The U.S. will one day have to choose between alcohol and health . . . because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches in our association.

Jerry Mabry

Woman's Missionary Union

As we are Launching Century 2, we have begun our march into the future. Making history as we go, and setting the pace for the next 99 years. Our major desire is to strengthen missions in the church and denomination by responding to the world's physical, emotional and spiritual needs. Looking for women and girls who will give their commitment, imagination and relevance becoming more involved in God's work.

Paul's Crossing organized Baptist Women

Red Cross organized Acteens

West Albemarle hosted the leadership workshop, and the Mission Workshop was at the Associational Center.

Mrs. Jewell Simpson and Mrs. Mary Schreppel had the Baptist Women's Annual meeting at Silver Springs. Rev. Dennis Connell was their guest speaker.

Mrs. Jan Lamonds and Mrs. Georgia Troutman had Mr. Robert W. Morrow for guest speaker at the Baptist Young Women's Annual Meeting at Canton.

Mrs. Mary Ann Abernathy and Mrs. Carol Hopkins had Acteens meetings at the Associational Center in November and Canton in April.

Miss Dianne Brown and Mrs. Sharon Mason had GA Rallys at Anderson Grove and Prospect. GA-Tivity Day was hosted by Anderson Grove.

Mrs. Alda Miller encouraged the churches to donate wash cloths for the Woman's Correctional Center in Raleigh. Blouses were sent to Liberia.

Mrs. Helen Teeter invited Dr. I. Ruth Martin for a Prayer Retreat in March at Pleasant Grove Church. She taught the book, "You Can Ask Him Anything."

Big Lick was host for the WMU Annual Meeting. Ms. Marcia McQueen, the Mission Friends and Girls-in-Action consultant with the WMU of North Carolina, made us aware of the changes over the past years and challenged us to the future. The evening speaker was Mrs. Wanda Parks, Southern Baptist Missionary to Chile. She shared with us the needs and the commitment of the Chilian ladies.

Music

We have enjoyed serving as Associational Music Directors for the Stanly Baptist Association. We have tried to make ourselves available to Music Directors in the association to assist in all aspects of the church music program, as to further the total ministry of the church to the glory of God.

Our association is blessed with so much talent and the willingness of those to use their talents to enhance worship through music. We realize some churches are without music leaders at this time, and it is our prayer that God will call those to serve Him in the field of music. It is our desire that all music leaders will seek God's guidance that others will be blessed and above all, the Lord will be glorified.

Our pastor from Mission Baptist Church, Dr. Ronny Russell, wrote a

poem at one of our choir rehearsals a few years ago. It is appropriate, we think, to share this with you. Does it sound like your choir?

THE CHURCH CHOIR
by: Ronny Russell

Saintly, silver-haired ladies-softly swaying to the melodious rhythm of a beautiful Christmas anthem.
Youthful voices — fidgety, but miraculously attentive and reverent.
Tenor voices — reaching high to praise their Lord; God is found in high places.
Basses — sounding deep and profound to speak musically of the depths of God's truth.
Sopranos — graceful, beautiful voices lifted high about all else, speaking in song of the name which is above every name.
Altos — blending harmoniously to make all the parts a whole; a unifying force so essential to a people in worship.
The Director — hands moving, a foot patting; the leader, shepherding the choral field.
Instrumentalists — gifted, endowed from on High and in perfect time to God's rhythmic revelation of Himself.
Sing Hallelujah — sing it again and again; softly, then fully with joy unspeakable.

Foreign Missions

According to the President of our Foreign Mission Board – Rev. Keith Parks – 1988 was a good year in Foreign Missions. Our gifts – our prayers – and our missionaries helped to make possible the following:

- About four new churches were begun every day.
- 197,863 people were baptized, a rate of almost 541 a day.
- 10,800 Southern Baptist volunteers reinforced mission work in 74 of the countries where we work.
- A record $10.9 million of our gifts were spent for overseas relief and world hunger.
- 3,867 missionaries supported by us worked in 113 countries.
- 26,952 overseas Baptists enrolled in formal ministerial training – up 21 percent over 1987.
- Work began with 22 new people groups (people who share a common language and social and economic backgrounds) in 15 countries.

A question often asked of our Foreign Mission Board is "How effective are our missionaries' efforts in evangelism?" Overseas, in 1988, an average of one person was baptized for every 10 members of Baptist churches to which we relate. In the United States, it took an average of nearly 43 Southern Baptists to produce one baptism. Today, personal witnessing is at the top of missionaries' priorities in order to speed the gospel's advance.

Another question asked is "With such emphasis on evangelism – do we still help victims of hunger and disasters overseas?" The answer is that in 1988, we did more than ever before. As noted in the highlights just given, the Foreign Mission Board approved $10.9 million for 245 separate hunger and relief projects in 50 different countries – a record for one year!

The following 1988 Foreign Mission Financial Report shows how we gave – percentage-wise – for foreign missions and how our gifts were spent:

Income:	Lottie Moon Christmas Offering	43.5%
	Cooperative Program	40.0%
	Investment Income	4.6%
	Other	5.9%
	Hunger and Relief Funds	5.1%
Expenditures:	Overseas	88.4%
	Home Office Administration and Promotion	11.6%

"I remain convinced," states Rev. Keith Parks, "that we Southern Baptists are a missions people. The more we know about our cooperative missions effort, the more praying, giving and going we will do."

Jewell G. Whitley

Home Missions

The Home Mission Board is an agency of the Southern Baptist Convention supported by the Cooperative Program and the Annie Armstrong Easter Offering.

The purpose of the Home Mission Board is to assist churches to pro-

claim the Gospel of Jesus Christ, start and grow New Testament congregations, and minister to persons in need in the name of Christ – to cooperate with churches, associations, state conventions, and other agencies of the Southern Baptist Convention, to develop and implement a comprehensive strategy of missions and evangelism in the United States and other territories as assigned by the convention.

In 1988 the Evangelism Support Department assisted with 77 Spiritual Preparation retreats for the Year of Laity, training 7,700 individuals to share their faith.

The office of Spiritual Awakening certified 400 instructors to teach Prayer for Spiritual Awakening seminars nationwide, more than 21,000 attended in local churches.

The Church Loan Division of the Home Mission Board has assisted in needy situations, and in 1988 loans were made to 227 churches totaling $16 million providing space for more than 22,000 people to worship. Additionally assisted with 60 sites new churches will develop in two years.

Witness Ministry Workshops were held at Ridgecrest and Glorieta in 1988 with resources including belief bulletins on the New Age Movement, the Occult, and reincarnation.

The New Church Growth Department helped 72 churches achieve self-support.

In Chaplaincy Work 2,014 individuals led 22,068 who now have eternal assurance.

Special Missions Ministries in 1988, 38,007 volunteers scheduled through the SMM Department met home mission needs; some helped start churches, some helped with clothing closets, others worked in personal evangelism, and food pantries.

Home Missions reports show 75% of the rural urban churches are plateaued or declining, but developing missions strategies could reverse this trend.

The Home Mission Board appointed 733 new missionaries in 1988, bringing the total home missionaries personnel to 3,827.

Mission Service Corps assigned 282 volunteers, total presently serving 1,155.

The Home Missions Intercessory Prayerline shared prayer requests with 58,861 callers in 1988.

Pray now for the 1990 Simultaneous Revival. Southern Baptist's message to America, "Here's Hope, Jesus Cares For You."

Respectfully submitted,
Della Hollis

State Missions

NORTH CAROLINA IS A MISSION FIELD. Our 100 counties comprise a true mission challenge to our Churches, Association, State Convention, and its Institutions and Agencies. More than three million of our state's six million residents claim no membership in a church. What a mission field we have here in our own state.

BUT THERE IS HOPE. Our State Mission Offering goal for 1989 is $1,800,000. Every church in Stanly Association should put as much em-

phasis on, and give as much to State Missions as they do to Home and Foreign Missions. If your church has not given to State Missions, it is not too late. Contact the Associational Office if you need any help on knowing how to send in your offering. 9.5% of what Stanly Association gives is returned to the Association to use the money in whatever mission project it so chooses.

Roy J. Smith, Executive Director/Treasurer of the Baptist State Convention of North Carolina, stated that "State Missions is our way of responding to the Great Commission in our part of the world. State Missions is our way of changing lives."

Will your CHURCH give so that there may be HOPE for the more than three million unchurched residents in North Carolina?

Below is listed how this year's State Mission offering will be disbursed:

BASE GOAL: $1,800,000

38%	$ 684,000	Mission Ministries
15%	270,000	Caswell Capital Funds

Missions Development Council

Mission projects in our association were carried out by individual churches, the associational Brotherhood and WMU organizations. The primary activity of the Missions Development Council was the Boaters Worship Ministry. We had services on Lake Tillery from the second Sunday in June through the Labor Day Sunday. These were at Ted Russell's pier. Only two Sundays were cancelled due to weather.

A total of 37 boats and 225 people were in attendance. This is an average of 4 boats and 21 persons. A new P.A. system was purchased for this ministry, which will be useful for other associational events. This is a self-contained dual cassette unit. The microphone can be used while a cassette is playing so it is useful for cassette accompaniments. Funds from our State Mission allotment were used for this.

Thanks to Gene Boger and Alda Miller for their help in getting things lined up for this work. The volunteer speakers were: Justin Hill (Memorial Church), Johnnie Faulkner (Kendalls Church), Walter McIntyre (Memorial Church), Howard Wooten (Plyler Church), A. W. Icard (Poplin Grove Church), Larry Newton (Memorial Church), Danny Massey (Memorial Church), Sylvia Hinson (North Albemarle Church), John Davis (Oakboro, First), Mike Ross (Memorial Church), Vaughn Blake (Plyler Church). For several Sundays we had services at the Roy Hinson pier. The volunteers

there were: Mike Taylor (North Albemarle Church), Mike Clark (Bethel Church), Keith Austin (Locust, First), and Yvonne Hathcock (Oakboro, First).

Other items discussed by the Council were financial support for the Pregnancy Crisis of Stanly County, and Stanly County Habitat for Humanity. $2,000 was recommended for Habitat, and $500 for Pregnancy Crisis. $2,500 was granted for use in the "Here's Hope" revival preparations.

The possibility of a one-day-a-week counseling service was discussed and it was agreed that this should be pursued by the Associational Council, and put into operation as soon as possible.

The Missions Development Council would like to hear what individual churches are doing.

Respectfull submitted,
Justin Hill,

MINERAL SPRINGS BAPTIST CHURCH

History of Mineral Springs Baptist Church

The Mineral Springs Baptist Church was constituted in the year 1845. It became a member of the Pee Dee Association in 1845-1856. It was received into the Rocky River Association as early as 1872. The church was received into the Stanly Association in 1886.

The first building to be used by Mineral Springs Baptist Church was a one room log structure which was located (1) one mile east of the present location. The second building, which was a large wooden building located at the present sight, was destroyed by strong winds. This second building was used from 1917-1927. The third structure was built in 1928. It was a seven room brick structure with wings which were used as Sunday School rooms. This building was dedicated in 1930. In 1976 the Mineral Springs Baptist Church remodelled and added to the old sanctuary adding a choir loft, baptistry, and a large educational building which included a new fellowship hall. The wings on the right and left of the sanctuary were built onto the 1928 brick structure in 1961. The new structure was dedicated in 1977. November 21, 1982 the church was debt free and a note burning service was held.

The Church has reported a Sunday School since 1903.

The first resident pastor was Rev. E. David in 1853. The present Pastor, Dr. Hugh Michael Taylor, came to Mineral Springs December 29, 1985. There has been approximately (25) twenty-five Pastors who have served in some capacity during these years.

GRACE BAPTIST CHURCH

History of Grace Baptist Church

Pastor Q. C. Davis and Deacons from First Baptist Church met Sunday afternoon, September 25, 1921, with a number of people and with the Reverend John S. Harris, who had been conducting revival services in Almond's Hall. Grace Baptist Church was organized and joined the Stanly Association in 1921 with a membership of thirty-eight.

Members worshipped for the first few months in Almond's Hall. An old church building located on the Concord Road was purchased from Salem M.E. Church and materials from the building were used to construct a one-room building on the present site, land donated by Wiscassett Mills Company. The building was added to as the need arose.

During the ministry of the Reverend Floyd Helms, an educational building was completed and dedicated April 20, 1952. This building was used for worship services and Sunday School classes, so the old church building was torn down.

Growth of the church was evident and more space was needed. Building of the present sanctuary began in August, 1956, during the ministry of the Reverend C. R. Hinton. The first worship service was held in the sanctuary on the first Sunday in September, 1957.

An additional educational building was constructed and a dedication service held July 26, 1970, during the ministry of the Reverend Roy P. Taylor.

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Proceedings of the First Day's Session

MINERAL SPRINGS BAPTIST CHURCH

Tuesday, October 30, 1990

1. Messengers and visitors opened the 106th Annual Session of the STANLY BAPTIST ASSOCIATION, by singing, "The Associational Hymn", with Gregory Lundberg leading the music, accompanied by Judy Tucker and Patsy Barbee.
2. Terry Seamon, pastor of Stanfield, First, led the devotions, reading from Romans 1:16. The text was, Hope is in the Gospel, and we need to be taking it to the lost.
3. James Tucker, pastor of Grace Church, and Moderator, declared the 106th Annual Session of the STANLY BAPTIST ASSOCIATION come to order.
4. David Phelps, associate pastor at Albemarle, First, and chairman of the Credentials Committee, made the motion that the messengers registered and those who would register later, constitute the 106th Annual Session of the STANLY BAPTIST ASSOCIATION. This was seconded and approved.
5. Nathan Fox, pastor of Memorial Church, and chairman of the Program Committee, made the motion to adopt the program as printed in the Book of Reports, with any necessary changes, and be accepted as the proceedings of the Annual Session of the STANLY BAPTIST ASSOCIATION. This was seconded and approved.
6. Womack Keck, Director of Missions, made recognitions. First to Jeff Turner for the new logo for the Association. Then the pastors new to the Association: Terry Seamon and wife — pastor at Stanfield, First; Terry Hinson, interim pastor at East Albemarle; Charles Hensley and wife, pastor at Cottonville; Burley Moore and wife, pastor at Oak Grove; Lowell Brown and wife from Bethlehem, and Don Davis and wife, new pastor at Fairview.
7. All joined to sing the hymn, "Victory in Jesus".
8. J. W. Hutchins, Director, Division of Evangelism, Baptist State Convention of N.C., brought the inspirational message. He read from Matthew 16:24, and used the theme of the session, "Giving Hope Through the Church." As we deny ourselves we give up what we think is important. To take up the cross means putting on Jesus. We should be ready to present Jesus to others, and to do this we must decide what is important.
9. Johanna Drye, member of Oakboro, First, and a student at Stanly Community College, sang, "How Great Thou Art."
10. Ronny Russell, pastor at Mission Church, and Chairman of the Committee on Committees, made the motion to accept the report as printed in the Book of Reports. This was approved.
11. Ed Lowder, pastor at Prospect, and Vice-Moderator, made the motion to accept the written report on the Executive Committee. This was approved.

12. Michael Taylor, pastor at Mineral Springs, and Evangelism Chairman, made the motion to accept the written report on Evangelism. This was approved. He then spoke to the report: The Jay Stack Crusade, scheduled for May 5-10, 1991 has been postponed.
13. Ronny Russell, chairman of the Advisory Committee for the Baptist Counseling Center of Stanly County, made the motion to accept the report as written. This was approved. He spoke to the report: Preparations have been made to open the Center, but there is a need for volunteers to help get the building in order. We do still need a counselor. Mr. Russell asked that we express appreciation to Mike O'Dell for his work in getting this Center started.
14. Mrs. Maude B. Connell, treasurer, gave the financial report. She made the motion to accept the report, this was seconded and approved.
15. Claud Dick, pastor of Badin Church, and Chairman of the Stewardship Committee, made the motion to accept the written Stewardship report. This was approved. He then spoke to the report: He expressed thanks to the Association for the support given to Associational ministries.
16. Miscellaneous Business. Charles Stevens, pastor at Anderson Grove, was asked to serve as parliamentarian.
    Frank Ingram, pastor at Calvary Church, and Chairman of the constitution Committee, presented the proposed Constitution changes. The changes will be voted on in tomorrow's session. Job descriptions of the Associational Directors were presented, to be added to the Constitution as By-Laws. These were approved.
17. Agency reports were presented and approved: with Ed Lowder moderating.

    Christian Education — John Connell
    Christian Literature — Michael Taylor, for Otis Goins
    Baptist Foundation — Richard Collins
    Annuity Board — Larry Linker. He spoke to the report: Urged the churches to make provisions now for their pastors.
    Baptist Children's Homes — Ed Lowder, for David Ayers.
    Baptist Hospital — Jason Lee. Spoke to report: Urged the support of the Hospital / and if you need it, use it.
    Pregnancy Crisis Center — Julia Elliott. This organization is not a part of the Stanly Baptist Association — but does give an alternate program to abortion.
    Retirement Homes — Ernest Russell.He spoke to the report: gave thanks to Frances Newton, who retired as of September 30th, as supervisor, and a welcome to Mrs. Howard Benoy, who will now serve in that capacity.
    He then presented Jim Ward, who is the recent past Chairman of the Board of Trustees for the N.C. Baptist Retirement Homes.
    Mr. Ward gave information concerning the Homes: in the year 2000 there will be more people over 60 years of age than over 30. There will be separate offerings for each of the homes and the hospital next year. The Retirement Homes are there for you, they need to grow, and to do that they need your support.
18. David Phelps, Sylvia Hinson, and Terry Seamon presented the report on the Sao Paulo Partnership. They served in Sao Paulo May 17, 1990.
19. Claud Dick, pastor of Badin Church and Chairman of the Stewardship Committee, presented the proposed budget for information. The vote will be taken tomorrow.

20. All joined to sing, "I Love to Tell the Story".
21. Since we were a little ahead in the schedule, James Tucker proposed an old-fashioned prayer meeting. Prayer was asked for: our troops, the lost, those who are ill, accident victims, one terminally ill, churches seeking pastors, a death just this morning, unspoken requests. Mr. Tucker led in prayer.
22. The Moderator's Address was brought by James Tucker, pastor of Grace Church. He read from Ephesians 2:1-10. Christ has already earned God's grace for us — we do not have to earn it — indeed we cannot earn it — it is a gift from God. There is mercy and forgiveness for all who will receive it. We are to go — preach and tell. There are two kinds of sinners — lost sinners, and born-again sinners. When God said "GO", he wasn't speaking just to the preachers. We all need to go and tell, sing praises, go in peace.
23. The Fellowship Christian Action Choir from West Stanly High School sang, "I'll Fly Away", "When God Dips His Love in My Heart", and "Sweeter As the Days Go By". The director is Judy Tucker, accompanied by Annabell Speight and Debbie Frye.

27. All joined to sing, "He Keeps Me Singing".
28. Womack Keck, Director of Missions, presented a slide presentation on the activities of the Association.
29. The hymn, "Rescue the Perishing" was sung by all.
30. Steve Tucker, pastor at Mountain View, read the Scripture, Ephesians 6:10-19 and Daniel 10:1-10.
31. The Choir from Grace Baptist Church sang, "Grace Medley" and "Mighty Fortress". This was led by Dan Hazlet, accompanied by Ardyth Lanier and Joanna Morgan.
32. Ed Lowder, pastor of Prospect Church, brought the sermon. Using the Scripture read by Steve Tucker — from Daniel and Ephesians, his text was "Spiritual Warfare". Times have changed, churches are under attack, we are in a spiritual battle. We are not to run from the devil — the Scripture tells us that if we resist the devil, he will flee from us. We must live Christian lives — and it is prayer that makes the difference.
33. Tony Bradley, pastor of Barbee's Grove, led in the benediction.
34. Messengers — 159, visitors — 23, and pastors — 39, a total in attendance of 221.

Several spoke in opposition to this change, and several spoke for. When the vote was taken it was 83 for deletion, and 70 against deletion. A ⅔ majority is needed to change any part of the constitution. This will be taken back to Committee and then to the Executive Committee. The change in Article XII was approved.
    c. Claud Dick made a motion to accept the proposed budget. This was approved.
    d. Michael Taylor made the motion to let the Moderator select a committee to study and or take a survey of the Association on changing the length and or the possibility of having two night sessions so more lay people can attend the Associational Annual Session. This was seconded and approved.

44. David Ayers, pastor of New London, First, made the motion to accept the Resolutions Report. This was approved.
45. James Tucker, for Jerry Mabry, made the motion to accept the printed report on Christian Life and Public Affairs. This was approved.
46. The newly elected officers of the Association were recognized.
47. Don Davis, pastor of Fairview Church, read the Scripture: I Kings 18:17-24.
48. Claud Dick, pastor of Badin Church, brought the message, using the text, "Our Authority — God's Word". God speaks to us through fire — when he speaks things happen. God wants our obedience and loyalty. We must listen and discharge this loyalty to him.
49. Mission reports were approved.
Foreign Missions — Mark King
Home Missions — Toney Parsons
State Missions — David Boyett
Mission Development — Marvin Honeycutt, for Justin Hill.

51. The hymn, "The Banner of the Cross" was sung.
52. E. J. Hines, Director of Missions in the New River Baptist Association, brought the missionary message. Reading from Isaiah 54:1-3 — lengthen your cords, the longer the cords, the more strength we have at home. The longer the cords the more we can reach. If we have strong stakes at home, the longer the cords can be. Our fundamental task is Missions. Our reason for being is to share missions — and we do this knowing that missions begin at home.
53. James Tucker gave announcements and thanksgiving.
54. Lunch, prepared by the host church.
55. As the afternoon session opened, the Moderator revealed that Joseph Morrow, son of David Morrow, pastor at Gil Ave. Church in Concord, is a victim of cancer. Fred Rhodes, a fellow pastor, is also in the hospital.
56. The Moderator, James Tucker, gave the gavel to the newly elected Moderator, Ed Lowder.
57. Ronny Russell introduced the afternoon speaker, Dr. Mike Moore, who so graciously agreed at the last minute to replace Joel Jenkins who has been called to Fort Dix.
58. All joined to sing, "Great Is Thy Faithfulness".

59. Gregory Lundberg sang, "Softly and Tenderly".
60. Dr. Mike Moore brought the final message. Using Scripture from 2 Samuel 6:13 he spoke of the danger of dying for our efforts. We have lost our moral authority. We presume — and we do not tend to things of God God's way. The work of God must be done by those God calls. We are trying to do God's work the world's way. We have no better way that God's way!
61. Benediction, led by Ed Lowder, closed the 106th Annual Session of the STANLY BAPTIST ASSOCIATION.
62. Messengers, 141 — visitors, 23 — pastors, 39 — total 203.

Churches Under Watchcare

October 31, 1990

COYLE BAPTIST CHURCH

The church was established in 1956 as a prayer group by Leroy Love. The church has not been led to missions in the past, but the members are working toward that now. They are trying to establish a new church, involved in missions, from the old.

In 1971 they voted to adopt the covenant as found in the hymn book.

Sunday School is held, Sunday Morning Services, and Bible Study on Sunday evenings. There is an organized WMU, and the Baptist Men meet to do mission projects as needed among the members. The youth meet each Sunday evening. There is regular vistation, the budget has been set-up to include the Association, and they visit revivals held in churches in their area.

The pastor, Carol Whitley, is from the Bethel Baptist Church, and was ordained, through the cooperation of Kinney Wallace. He is bi-vocational, working at Carolina Tractor and Equipment in Charlotte.

Their programs are set up from October through September.

A cooperative feeling was expressed as the men spoke of the church.

Those attending the meeting: Carol Whitley, Pastor; Bennie Horn, Deacon; Wayne Barnhardt, Deacon; Bobby Hartsell, Sunday School Director.

FELLOWSHIP BAPTIST CHURCH

The first worship service was held October 1, 1989 with 10 families from Southern Baptist Churches, in the Stanly County Senior Adult Center. This came into being through the pastor meeting with two different groups — one meeting in the home of Steve Burleson, and the other with Mr. and Mrs. Clarence Hathcock. After that three meetings were held with the two groups coming together, indicating their desire to become a church. All were of like purpose — to form a church glorifying God, and to become a member of the Stanly Baptist Association.

Sunday School meets at 9:45 with an enrollment of 56 — 70-80% in attendance each week. Morning Worship is 10:45, Sunday evening service at 6:00, and Wednesday evening service, 7:00. The youth meet each Thursday evening. There is WMU and Baptist Men. Through August 1990, they have given $737.76 to the Association.

They met from October 1, 1989 to August 5, 1990 at the Stanly County Senior Adult Center. At the present time they are meeting in the church building belonging to Welcome Baptist Church. They plan to meet there approximately two years while planning and building a permanent structure on 15 acres of land on Route 73, purchased from Bobby Harkey. They have a 15 year loan through the Home Savings and Loan. This land is close to the Plyler Baptist Church. They did investigate the possibility of getting land in the Millingport area but found nothing available.

They admit they need training, and hope that with guidance and support from the association they can avoid mistakes. They participate in the Deacon Family Ministry Plan.

A copy of their Constitution and By-Laws, adopted November 1, 1989, was given to each Council member.

The pastor, Darrell Huneycutt, is bi-vocational, serving with the Air National Guard. He was ordained by Plyler Baptist Church.

Enthusiasm and expectation through the Holy Spirit was felt as the men spoke of the church.

Those attending the meeting: Tony Treece, Chairman of Deacons; Mark Morris, Deacon and Minister of Youth; C. D. Biggers, Assistant Sunday School Director; Steve Burleson, Deacon and Sunday School Director.

SILVER ROAD BAPTIST CHURCH

The church was established June 3, 1990, and was constituted July 22, 1990. They had been meeting in a Day Care Center that held 45 at the most — and have now moved into the Jazzercise Building on Main Street in Oakboro, that will accommodate at least 100.

The pastor, Gene Hopkins, felt led to start a church some 12 years ago while in Wingate. After moving back to Stanly County from Asheboro, and preaching several revivals he strongly felt the need to start a church.

Then the Lord used Hugo to get the people working together and through this effort came the desire for a church — the church was born of a need, and not a split of any church.

They have land on Silver Road (the road has just recently been paved), dug the well and are cutting timber for lumber.

The land is three miles from Philadelphia Baptist Church and three miles from Oakboro, First.

There is a Sunday Morning Service, with a time of fellowship proceeding, and Wednesday evening Prayer Service.

They were to vote on two deacons September 2nd, and have four waiting for baptism.

After meeting for 12 weeks they had an attendance of 30-37.

They are using the Covenant as found in the Hymn Book, and are working on their Articles of Faith.

They feel the church is Spirit led and something wonderful happens each Sunday — that it is truly the Lord's Church, not "my" church. As they work together it is becoming a loving, growing church.

Those attending the meeting: Gene Hopkins, Pastor; Larry Maner, Deacon; Ronnie Speights, Member.

Evangelism

What an exciting time it has been the past year in Evangelism. I thank the Lord for such a united effort of our "Here's Hope Jesus Cares For You" steering committee. Not only the steering committee but all pastors and lay persons involved in this evangelism effort.

Our Evangelism Rally on March 5th at First Baptist Church in Locust made us really hungry for revival. It was estimated that we had about 500 present to hear Dr. Bill Mackey, Director of Evangelism for the South Carolina Baptist Convention, and the Site Sisters. We need more meetings like this. "The harvest truly is plenteous, but the laborers are few."

Respectfully submitted,
H. Michael Taylor

Baptist Counseling Center of Stanly County

At last year's Annual Meeting of the Stanly Baptist Association the messengers approved the recommendation that we begin a Christian Counseling Ministry. Since that time a Steering Committee composed of Mike O'Dell, Ronny Russell, Randy Berryhill, Frank Ingram, and Edward Lowder has worked with the Executive Committee to bring that dream into reality.

We have now entered into a cooperative relationship with the Department of Pastoral Counseling at Baptist Hospital in Winston-Salem in which our Association will co-sponsor, with the Pastoral Care Foundation of Baptist Hospital, the Baptist Counseling Center of Stanly County which is scheduled to open in January of 1991.

The hospital will be responsible for providing a trained Christian counselor certified by the American Association of Pastoral Counselors, the expertise for directing a counseling center, and professional liability.

The Stanly Baptist Association will provide the space, with appropriate furnishings and office equipment, a receptionist, and a client support fund as well as an Advisory Committee composed of the Steering Committee plus Dr. John Herrin and Dr. Bernard Milton through which the hospital and association will relate.

The Stanly Baptist Executive Committee has approved each step in this process and the details are in place. We are currently preparing the house at 221 North Third Street, which First Baptist Church, Albemarle, has made available to us, as the Counseling Center, and Baptist Hospital has a counselor ready to begin on schedule.

Stewardship

In planning and projecting the 1989-90 (last year's budget) for the Stanly Baptist Association, it was felt that our Association would rise to meet the challenge of missions here in Stanly County. At this point we are pleased to report that the response from the churches has been very good. As of September 17, 1990, our Treasurer reports that we have received 95% of the budget for this fiscal year. This is a strong indicator that many of our churches take seriously their call to missions.

As an Association, we have a wonderful opportunity to share the Gospel with the unsaved, and encouragement with the unchurched, and training for those of us who are active in the local church and the Associational work. We know that Evangelism and Stewardship are inseparable in the function of Christ's mission to the individual and the whole body of believers. Keeping this in mind let us move with enthusiasm and assurance into all areas of ministry in order to reach the masses for Christ.

There is much to do beginning where we are and reaching into every area of missions at home and around the world. Those who have been involved in planning for the year 1990-91 have prayerfully and with great sensitivity sought to make proposals that are realistic and that will be honoring to God. We feel that as an Association we have doors open to us that well advance the cause of Christ because of the faithfulness of the churches in stewardship support to the work here in our Association.

Will you as members of the local church in cooperation through the Stanly Baptist Association encourage your church to continue the strong financial support given in the past. If your church in the past has not been supporting the Associational Missions Ministry, please encourage the church to make regular contributions to the Stanly Baptist Association. The strength of the ministry will be greater when more and more dedicated Christians join together in support of God's call to all of us to be His witnesses.

The proposed budget does call on all of us to share the load in the work of the Stanly Baptist Association. Let us all be faithful.

Stewardship Committee

Christian Education

WHAT IS THE QUESTION?

A preacher once entitled his sermon, "If Christ is the Answer, What is the question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?

How will I spend my one life?

How should I measure success?

How much is enough?

How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

The enduring ties and relationships between Baptist colleges and Baptist churches guarantee balance and a healthy spirit of partnership in the Gospel.

No question about it, Baptist students and Baptist colleges belong together!

Christian Literature

Christians today must be grounded in God's Word. It is our responsibility as God's children to teach His Word to all the world. The Bible teaches that we are to "study to show ourselves approved."

There are many aides and study guides to help us in our study. We have some good resources in Stanly County to help us with our studies.

Another source of news and information upon which we have to help us make decisions and evaluate ministries is the *Biblical Recorder.* The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world. The *Recorder* is a great source of news, information, inspiration, and challenge in our mission efforts. God has given us a great opportunity and a great responsibility. The challenge is set before us to "go ye therefore and teach all nations". Let us be found spreading His Word to a lost and dying world.

North Carolina Baptist Foundation

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70-year history. Organized, following action taken at the 1919 Convention, and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee Agency of the convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

The Baptist Foundation is charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches. It assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided to the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

Gifts of appreciated assets, such as stocks and real estate, can be placed in trust to generate income for individuals, then pay income to Christian causes beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, by-pass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

Annuity Board

The 1980's brought new challenges to the Annuity Board and the 1990's promise the same. During the first six months of the new decade two major transitions occurred. Paul Powell succeeded David Morgan as president, and on July 1, 1990, The Annuity Board began a relationship with the Prudential Insurance Company of Americca to provide life, medical, and disability coverages.

The new president's specific dream for the Board is two-fold: to enable all members to retire with dignity and all members be furnished the best health protection at the lowest cost.

At the end of the second quarter of 1990, 65,258 Southern Baptist ministers, church employees, and denominational workers had active retirement accounts, and those participating in the Church Annuity Plan were 34,433.

The 1980's were prosperous for members. Earnings for the period 1980-1989 were: Fixed Fund 10.2%, Balanced Fund 12.9%, Short-Term Fund 8.9%, Variable Fund 14.1%. Although the 1990's will be quite different from the 80's, the Annuity Board is in position to take advantage of new trends and changes around the world.

Property and casualty insurance is now being offered in 14 states and should be available in all states by the latter part of 1991.

The Annuity Board continues to be a healthy financial institution managing total assets of $2.9 billion as of June 30, 1990 and each dollar represents retirement income or life and health protection for a Christian servant in a Southern Baptist church or agency.

The Annuity Board's ministry is exactly the same today as it was in 1918, when it came into being, TO SERVE THOSE WHO SERVE THE LORD.

Baptist Children's Homes

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Baptist Hospital

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession . . . One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This is from Dr. Charles P. Nicholson, Jr.

Another building, the Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." Nearing completion is the Day Care Center for children of medical center employees. Under construction is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center of Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New aproaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions; 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. The hospital staff and patients are most grateful for this continuing financial support.

Baptist Retirement Homes

We operate four residential facilities for Older Adults around the state — Albemarle, Asheville, Hamilton, and Winston-Salem.

Each home seeks to provide the Best of Times for N.C. Older Adults. The Albemarle Home has provided assisted living for 30 Older Adults since 1953. The home offers respite care for families who are responsible for an Older Adult and need some time away from the responsibility. Strong support of the surrounding community and churches enhance their ministry. The Brotherhood, WMU, and senior adult clubs provide fellowship, entertainment, skills and physical labor, household needs, etc.

The homes also explore other ways to meet the growing needs of Older Adult Baptists in the state.

Efforts are being considered to increase the number of nursing care beds. Currently we have only 85-bed units at Brookridge.

The Brookridge Retirement Community in Winston-Salem provides five levels of care — independent living in garden homes, and apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care units to 350 Older Adults.

Plans are under way for the 1991 North Carolina offering for Older Adults, a special offering to fund residential care for Older Adults with limited financial resources. A video about life in the Baptist Home facilities is now available for churches to use in presenting the special offering.

Director of Missions

We have seen some exciting times during this past year as our various organizations have been busily involved in service to our Lord. We have had good leadership and various opportunities for training. In addition to our regular ongoing programs many of our churches were involved in the Here's Hope Simultaneous crusade effort and saw many come to the Lord in naswer to their prayers and witness.

As we begin the 1990-1991 church year we see some additions to our associational ministries. We have added directors for Singles, Senior Adults, Literacy and Christian Family Ministries. In addition to these our association is preparing to open a counseling center one day per week.

It's always exciting to realize growth and we are grateful for all those who have united with our churches. Not only have we heard of many joining our churches but we are anticipating growth in another way as well. We have received letters of request from Fellowship Baptist, Coyle Baptist and Silver Road Baptist that they be permitted to come under the watchcare of our association. We appreciate their desire to be a part of our fellowship.

Following is a partial list of the Director of Missions activities during the past year:

Spoke 101 times
Attended 204 prayer and worship services
Had part in 3 special services
Attended 101 other committee meetings and conferences

General Board

The General Board of the Baptist State Convention of N.C. is the "Convention Between Annual Meetings of the Convention". The Board has the power to act for the Convention in all matters except those specifically limited by the Convention's constitution.

General Board members "hold in trust" the affairs of the Convention and are charged with the management responsibility for the Convention.

The Baptist State Convention Executive Committee during the August 17 meeting unanimously recommended a broadened cooperative missions funding process whereby churches are given greater flexibility in funding Southern Baptist world mission projects.

The current Cooperative Program budget provides approximately 65 percent for North Carolina causes and 35 percent for Southern Baptist Convention causes. This current plan will still be available to churches in 1991, with the remittance form sent to church treasurers indicating all options available.

The proposed 1991 budget calls for a 64.83 percent allocation for state causes (same as in 1990), a 20.3 percent allocation for the Southern Baptist Convention Cooperative Program and a 14.87 percent allocation for a new Designated Southern Baptist Convention Missions program.

This is a radical departure from the normal budget. Its intent is to provide churches more options in light of the ongoing SBC controversy and dissatisfaction with the SBC's Cooperative Program Missions.

The following report was given for Witnessing/Giving Life seminars held across the state from May-September.

51 Associations
469 Pastors attending
1,413 Total attending
609 Churches represented
2,347 Churches in Associations
33% of those attending were pastors
20% of pastors reached in Associations
26% of churches reached in Associations

Sunday School

"Hope". It's a strong word, a beautiful word. It is a word of joy, a word of comfort. Over and over, the word — hope — and the theme — hope — appears in God's Word. "My hope is in thee" Psalm 39:7, "Happy is he whose hope is in the Lord his God." Psalm 146:5 "Christ in you, the hope of glory." Colossians 1:27. These are the words of Harry Piland in the 1989-90 Sunday School Plan Book. They are also the words that express the God given task of our Sunday Schools.

Last year our emphasis was, "Share Hope ... Reach Ten". If each Sunday School in our Association would have reached ten more people we would have enrolled 580 more people that the year before. 580 more people would have been significant growth for our Association.

The ASSISTeam conducted several conferences last year to show its commitment to reach more people. Leadership training continued to be a large part of the team's work this past year. Associational conferences as well as personal consultation and help were held to sharpen our focus on reaching more people for Christ and Bible study. The team continues to offer its help in any way to each of our churches.

The theme for next year is "Breakthrough ... Reach to Win". Again, the emphasis is reaching people. Our goal will be to increase our enrollment by 9.1% over 1989-90. Your ASSISTeam has been and will be prepared to help in many ways.

Discipleship Training

Two major events were the highlights of the past year. One was the Masterlife course taught in the Associational Office. Three churches participated in the course. The other was the Children and Youth Bible Drills. There seems to be a growing interest among the children and the youth. A number of churches have expressed interest in the Bible Drills.

There is a good selection of Discipleship Training materials in the Media Center of the Associational Center. These are available for the churches use. Please go by and make use of them.

Youth

The youth of the Association met for eight associational wide meetings during the past year. It was decided to begin holding the meetings at the Associational Center rather than going to the different churches, since this was a central location for those churches participating in the meetings. The meetings were held the last Sunday of each of the following months: October, January, February, March, April, May, and September. It was decided not to meet in the summer months because of so many other activities going on.

The average participation for the monthly meetings was 52 with 10

churches actively participating. Each meeting had songs, recreation, and a Bible study with the idea of using the youth that were present to be the participants in the programs which included impromptu skits, small group activities, and group discussions centered around the Bible.

One associational wide youth workers meeting was held with 12 churches represented by 18 persons in attendance.

The Association sponsored the N.C. Baptist Convention's group "Witness" at Locust First Baptist Church on June 19. Approximately 400 persons were in attendance for this evening of great singing and worship. We are planning to sponsor this event again next year.

The Associational Youth Meetings will continue to meet on the last Sunday of each month from 4:00-5:30 at the Associational Center. We would like to have all churches to participate in these activities. Any church needing assistance with their youth programs may call the Associational Youth Director for help.

Music

It has been an interesting first year as your Associational Music Director. It has been a good year and I am thankful for all of the support that I have received. I have attempted to come up with some program ideas that will meet the needs of our Music Directors in all of the churches in the Association. I hope that if you have not had a part in any of the programs, that you will consider what Minister of Music meetings can do for the music ministry in your church.

It would be logical to spend time talking about what things have happened in the past year, but I would rather focus on what can lie ahead in our Association. I would hope that each church would consider what we can do for one another as brothers and sisters in Christ. We can help each other's ministries and music ministries by working together. One thing that each church in our Association can do is to provide a list of anthems that they would be willing to share with another church. We have a few churches cooperating with the Associational office at this time, but I know that there are many others who could participate in this endeavor. Considering the expense of music these days, it is to everyone's benefit to participate and cooperate with each other in strengthening each other's music programs. One small way that each of us can help each other is to be willing to lend an anthem to another church. If you have not provided a list of anthems your church would be willing to lend, please do so at your earliest convenience.

This is only one program of many that we can activate among our churches, but it is one reason that our Association exists. I hope that each of you who read this will consider what we can do for each other in our Association work.

I am thankful for the opportunity to serve as the Association Music Director. I will continue to remain available to the Ministers of Music in our Association so that I may be able to assist you in any facet of your work. May God be glorified by all that we do in our churches.

Baptist Men

Regardless of the age of boys or men, Baptist Men offers education, participation, and fellowship in Christian missions endeavors.

We are grateful to Keith Byrd and Nathan Huneycutt who are leaders in providing teaching of the Sunday School lessons at the Baptist Retirement Home (Albemarle), and Worship Services at our local prison camp. Also to the churches and men who respond in scheduling and participating in these services. Let us support them with our prayers.

We are grateful for the response and help in mulching the shrubbery and beautifying grounds at the Associational Center and for follow-up by Cletus Whitley and "Mack" Keck.

Thanks for response of Baptist Men to the request for help on the new building of Welcome Baptist Church.

Our efforts to help overcome the Hurricane Hugo damage in South Carolina did not work out. We made a trip there and were on a stand-by basis for help on a new building for Friendship Baptist Church, Sumter, S.C.; but were not needed or called upon.

We are (at time of this report) preparing to have 18-20 volunteers work October 6, on the new dining hall at Cameron Boys Camp, Cameron, N.C. (a part of Baptist Children's Homes).

WMU and Baptist Men's Workshop was held at Pleasant Grove Baptist Church August 28th.

Cletus Whitley is our leader for this year. Let us give him the encouragement, support, and cooperation needed for a good year.

Woman's Missionary Union

IN HIS NAME: REACH, TEACH, TOUCH.

WMU members are to Reach people for Him and for our organization. To Teach and motivate people to see needs, recognize opportunities, and change attitudes in order to Touch people in need. Imagine the three hearts again — Reach, Teach, Touch. They touch. They are intertwined. Each draws strength from the other. What heart will you enter?

Mrs. Helen Teeter taught the Mission Support Workshop.

Mrs. Jewell Honeycutt encouraged the churches to donate chapstick for the Woman's Correctional Center in Raleigh.

Mrs. Cindy Pike taught the Mission Study book in many of our churches.

Mrs. Pat Phillips and Mrs. Diane Burris organized Mission Friends at Richfield.

Mrs. Tammy Harwood had GA meetings at Mission and West Albemarle. GAtivity Day was hosted by Mission.

Mrs. Carol Hopkins and Mrs. Mary Ann Abernathy organized Acteens at South Albemarle, also reorganized Locust and Red Cross. Canton hosted an overnight retreat. A Prayer Retreat was at Morrow Mountain, and Big Lick hosted the recognition service.

Mrs. Jan Lamonds and Mrs. Georgia Troutman organized Baptist

Young Women at Porter and Silver Springs. The BYW Annual dinner meeting was hosted by Locust.

Mrs. Jewell Simpson and Mrs. Patty White had the Baptist Women's Annual Meeting at Union Grove.

Anderson Grove was host for the WMU Annual Meeting. This year the Baptist Women put emphasis on Acteens. We had three of our own Acteens speak for the afternoon session. They were Angie Bost, Korena Huneycutt, and Kelli Hopkins. They were selected by the state Acteen Directors and leaders to go to Sao Paulo, Brazil. Miss Frances Cook, a missionary to Paraguay was the night speaker.

Christian Life and Public Affairs

Charged with the responsibility to help N.C. Baptists to become more aware of the ethical implications of the Gospel in everyday living, the Council on Christian Life and Public Affairs has provided many educational resources and conducted a wide variety of field service events in 1990. Both at the Key Leader Meetings at Caswell and Ridgecrest and in associational gatherings across the state, Committee members were briefed on a variety of moral and ethical issues and provided help in organizing for action through their local churches and associations.

During the 1990 summer session of the General Assembly the state lottery was again defeated. Churches were granted an exemption to keep them from having to collect sales tax on Wednesday night suppers and other food sold. $10 million was designated to combat the state's infant mortality rate, which was the highest in the nation in 1989. Proposals from Governor Jim Martin and a Legislative Study Committee that really would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committee, but the House conferees rejected the offer. In many ways, the Senate compromise would have weakened even our current laws. A law was passed to make it illegal to possess child pornography.

Hunger continues to control the lives of millions of God's children around the world. In 1990, some of the worst conditions were in Ethiopia, Sudan, and Mozambique, where usually bleak conditions were made worse by civil wars.

Ministries among older adults continue to expand among the churches in N.C. Conferences, Seminars, rallies, and training opportunities are being conducted by churches and associations to meet the needs of this fastest growing segment of our population. This year saw a continued and encouraging growth in the realization of opportunities for family ministry.

Formed in February 1989, the Dept. of Substance Abuse/Dependence remains the only staff position for Southern Baptist institutions, conventions, and agencies which is fully dedicated to the problem of addictive behavior. In addition to the basic information video titled "The Bible and Addiction", a video "Train Up A Child" is now available. Two more videos are in the works, one dealing with parenting appropriately assertive children, and the other dealing with behavior patterns passed from parents

and grandparents. Substance abuse experts continue to find that addiction is very much a family affair.

1990 saw the retirement of Robert L. Newton, Director of the Department of Christian Family Life. Through his leadership, existing programs were expanded and fresh, innovative approaches for family ministry efforts were created.

Foreign Missions

1989 has been a remarkable year in Foreign Missions for the Southern Baptist Convention. Some of the highlights include:

- a record 227,564 people were led to know and profess Jesus Christ as Lord and Savior and baptized into the local church. That means one baptism for every 10.7 church members overseas compared to one baptism per 40 Southern Baptists in the United States.
- Medical missionaries and personnel care for more than 1.4 million patients.
- Direct World Hunger and Relief efforts were supported by more than $5 million in contributions distributed to 44 nations.
- Baptists produced 50,000 television and radio programs on 438 stations and distributed 6.5 million periodicals, 3.9 million books and almost 20 million tracts.

Southern Baptists currently have 3,780 foreign missionaries working with 21,242 foreign churches in 116 nations. There are 1,899,291 people enrolled in Sunday School, an increase of 23.4% from 1988. Total church membership stood at 2,450,884. Perhaps one of the more outstanding achievements was the sending of more than 10,000 short-term volunteers who traveled abroad in mission ministries.

The Cooperative Program gave $69 million to Foreign Missions work and the Lottie Moon Christmas Offering received an increase of 12.7% from 1988 to total $79 million. Hunger and Relief Offerings totaled $7.2 million. 89% of all funds given to the Foreign Mission Board are distributed directly to overseas mission work with the remaining 11% used for administration and promotion. Of the funds you sent to the Board, more than 61%, $108.1 million was spent on direct support of the missionaries.

R. Keith Parks, President of the Foreign Mission Board, stated the decade of the 1980's was "a decade of surprises." As we continue to work in Bold Mission Thrust, let us be ever challenged for the decade of the 1990's to win a lost world for Jesus Christ!

Home Mission Board

This is about people. People serving as missionaries. People starting churches. Men and women called by God, committed to bringing the Good News of Jesus Christ to all corners of our land. Men and women dedicated to serve as your church's hand, heart and voice in the lonely, hard-to-reach pockets of our nation — working among the more than 170 million Americans who are lost without Jesus Christ.

In 1989, Southern Baptists gave $32,993,023 through the Annie Armstrong Easter Offering, a record for any one year. This offering furnishes more than 50% of your home missionaries' support, helping people in need — physically, emotionally, and spiritually.

The HMB Evangelism goal by A.D. 2000 is 500,000 baptisms annually. 1989 results: 353,000, up 1.9% from 1988. Almost 1,000 professions of faith were recorded in two days of door-to-door witnessing in Las Vegas during the SBC Convention and a week of statewide revivals coordinated by the HMB Evangelism Section. Seventeen churches were started in Nevada as a result of these projects.

Convention-wide, 644 church-type missions were started last year. There were 1,427 missionaries placed in church-starting and church-growth situations.

The HMB appointed 670 new home missionaries, bringing the total to 3,808. Language Church Extension supported 1,284 home missionaries who minister among 98 language-culture groups. Truly, the world has come to our doors.

Through cooperation with the Brotherhood Commission, the Short-Term Volunteer Division assigned a total of 47,451 short-term volunteers, not counting disaster relief such as Hurricane Hugo.

In 1989 Mission Service Corps provided more than 3.4 million volunteer hours and performed ministries that would have cost the HMB more than $18 million in salaries. MSC members are self-supporting. Currently there are 1,214 MSC volunteers serving.

Larry Lewis, president of the HMB, reminds us that "the most compelling issue of our convention is people — our missionaries, the unsaved and the needy of our nation. Last year we lost ground with our missionary appointments. We had more committed people than ever willing and waiting to answer a call to the mission fields of our nation. We simply did not have the funds to send them." People is what it is all about!

State Missions

The Lord gave this command to the apostles: "When the Holy Spirit has come upon you and you shall be my witnesses in Jerusalem and in all Judea and Samaria and into the end of the earth" Acts 1:8. The command is the same for us today and applies to us here in Stanly County and North Carolina. We must first go to our Jerusalem which can be interpreted for us as our state capitol of Raleigh. Then we must go into all of Judea, which I would see as North Carolina. Then let us go to Samaria which I would see as South Carolina. Then we shall go to the ends of the earth.

We must first work in our home area with our own people. Because

if we can not reach our own kind for Christ, if we can not communicate the Gospel to our own people, who speak the same language as we do and have the same culture that we do then what hope have we of sharing with other people in other lands? "If you run with footmen and they have wearied you then how will you contend with horses? And in the land of peace where you live and they weary you then how will you do in the swelling of the Jordan?" Jeremiah 12:5.

In keeping with this commandment the North Carolina State Baptist Convention shall disperse their 1990 Mission offering in the following manner:

1. Mission and Ministries, $684,000 — 38%
2. Caswell Capital Funds, $270,000 — 15%
3. Women's Missionary Union, $180,000 — 10%
4. Christian Higher Education, $198,000 — 11%
5. Associated Projects, $171,000 — 9.5%
6. North Carolina Men, $135,000 — 7.5%
7. Caswell Debt Retirement, $108,000 — 6%
8. Fruitland Baptist Bible Institute, $23,994 — 1.33%

Missions Development Council

A Boater's Service was sponsored for the third year at Randall's Church area on Lake Tillery. It began on June 24th with 4 boats and 19 persons. The highest attendance was 6 boats with 43 persons. Average was 5 boats with 24 people. Services were started in August at the Oakwood-Jacobs Creek area.

Approval was given for $50.00 for 12 weeks to be given to the Rev. Michael Freeman family.

The council interviewed the pastors and some deacons/members of three churches desiring to come under the watchcare of the Association at the 1990 Annual Meeting. Silver Road Baptist Church, Gene L. Hopkins, pastor; Fellowship Baptist Church, Darrell Huneycutt, pastor; Coyle Baptist Church, Carol Whitley, pastor, will be recommended to the Annual Associational Meeting.

The Council recommended approval of requests for State Mission funds returned to the Association:

Up to $500 for promotion, breakfast, etc., for Associational Emphasis week.
$2,000 for Jay Strack Crusade
$2,000 for Stanly County Habitat for Humanity
$2,000 for the Counseling Ministry

Volunteer Missions

Volunteer missions can take on many forms, from going to far away places such as Alaska or Brazil, to shorter journeys such as Virginia or even Back Yard Bible schools. Almost anyone willing to serve in a missionary capacity can find a place and opportunity to volunteer their talents.

First Baptist Church of Locust had three couples involved in volunteer missions during the summer of 1990. One couple worked in a summer camp in Virginia for a week as counselors. They also used their talents to reupholster furniture for the camp.

Another couple traveled to eastern North Carolina to work in the medical field. Their work involved treating migrant farm workers.

The third couple, along with three people from Bethel Baptist Church, traveled to Alaska to conduct a wilderness camp with the native children from several villages. The camp lasted five days with twenty-four children attending. Twelve professions of faith were made during the week.

The Foreign Mission Board, Richmond, Virginia, and the Home Mission Board, Atlanta, Georgia, rely greatly on volunteer missionaries to meet their varied needs. There simply are not enough financial resources to get the job done.

If you feel that God wants you to take part in volunteer missions, here's how: First of all, prayer is essential. Then, call or write the Mission Board of your choice and tell them your desire to be a volunteer. They will send you a packet of information, including an application. Fill out the application and you are on your way to the most rewarding experiences of your life. You can never do for missions what missions will do for you. Happy volunteering!
